

MISS FRANCES SHELLNBACH, who was selected as the Newton Red Feather Girl for last year's campaign.

Newton Red Feather Girl To Be Selected In Contest Here

There will be a Newton Red Feather Girl selected for the 1949 Community Chest Campaign, according to a statement made this week by Riley Hampton, Newton Campaign Chairman. The winner of the Newton contest will be eligible for the Greater Boston Red Feather Girl contest, and the top winner will be given a screen test by United Artists, plus a trip to New York for the test via American Airlines. There will also be awards for the Newton Red Feather Girl, which, it is expected, will be announced in next week's papers.

Any single young woman, a resident of Newton, who is between 18 and 28 and not working for the Community Fund in a higher capacity than that of solicitor or secretary may enter the contest. In judging the applicants, the committee will consider personality, poise, civic-mindedness, and attractive appearance.

To enter the contest, it is only necessary to fill out the coupon in this paper and mail it to the Newton Community Chest, 93 Union street, Newton Centre. It is requested that applications be sent in promptly to allow time for making appointments for interviews on Saturday morning, October 16, at the Chest office. In addition to supplying name and address, it is important that a telephone number be supplied where applicant can be called.

Edward L. Davis, Jr., of Newton will be Chairman of the Newton committee, and all applications should be addressed to him.

Last year Miss Frances Shellenbach of Newton Centre was the Newton Red Feather Girl. She was first presented at the

Eliot Men's Club To Meet Monday

The first fall meeting of the Eliot Men's club, of Eliot church, will be held on Monday evening, at eight o'clock. Plans for the year's program will be made. Mr. William G. Haseltine, Industrial Agent of the Mass. Development and Industrial Commission will speak on "The Future of the United Nations." Mr. Haseltine is a member of the United Nations Association and of its speakers' bureau. This is a subject of great current interest, it will be presented informally, from the viewpoint of a thinking businessman. The talk will be followed by a question period and a social half-hour, with light refreshments.

The officers of Eliot Men's Club for the 1948-49 season are: Harold A. Wooster, president; Robert Harris, vice-president; Leslie Troutman, secretary; Asa D. Blakeslee, treasurer; members of the Executive Committee, Dwight Merrill, R. Casper Swaney, William Wasson.

Col. R.V.C. Bodley To Be The Speaker

The Newton Community Club will begin the season with an open meeting October 14 at 2 p.m. at which Col. R. V. C. Bodley will be the speaker. Col. Bodley is an author, soldier, nomad and adventurer. He lived seven years amongst the Arabs, leading his life without contact with the western world. In his lecture "Wind in the Sahara" he gives an authentic picture of the Arabs, full of humor and of understanding.

Refreshments will be served during the Social Hour which follows the lecture.

Oil Painting Exhibit Newtonville Branch

There will be an exhibition of oil paintings at the Newtonville Branch Library, through Oct. 30. The exhibition is by Mr. Robert Bliss, a graduate of Newton High School, class of 1943 and now is a student at Bowdoin College. The library is open daily from 10 a. m. to 9 p. m., except Sundays and holidays.

Raymond F. Gould to Speak at Red Cross Dinner Meeting

Raymond F. Gould, who will be the speaker at the 30th anniversary dinner meeting of Newton Chapter, American Red Cross, is the regional director of the States of Maine, Massachusetts and New Hampshire for the North Atlantic Area office of the American Red Cross, appointed to that position in December, 1947. As regional director he supervises the Red Cross program in the chapters of the three states.

First affiliated with the Red Cross in 1941, he held assignments as a Special Field Representative for fund raising, General Field Representative in Massachusetts, and as a disaster service worker.

Enlisting in the Army in 1942, he was discharged four years later as a major in the Air Transport Command.

Before entering Red Cross work he was an associate director of a community center, organizing leisure time activities, a

Operating Costs Of Newton-Wellesley Hospital Over A Million Dollars Last Year

Financially 1947 was a year of crisis for voluntary, non-profit hospitals. According to the Annual Report for 1947 at Newton-Wellesley Hospital, hospital costs skyrocketed and, despite increases in charges to patients who can pay, income did not keep pace with expenses. The net result was that costs and deficits were the highest in the 62-year history of the institution.

It cost over a million dollars to run the hospital in 1947—(\$1,079,778), which is 32 per cent higher than operating costs for 1946. The increase was due partly to the fact that the number of in-patients was the highest on record (\$182—nearly 1000 more than in 1946), but mainly because of the shrinkage of the amount of goods and services which the dollar will buy.

Salaries and food are the largest areas of expense. The payroll has been the largest single factor in costs, amounting in 1947 to about two-thirds of the total operating expense (or \$10.15 a day for each patient). Nursing care salaries, about 20 per cent of the payroll, were nearly double those of 1946 because of hospital authorization to pay nurses' salaries in accordance with a wage scale recommended by the Hospital Council of Greater Boston, and because of the hospital's good luck in obtaining qualified graduate nurses to fill positions previously held by student nurses.

On account of such factors as the high cost of living and minimum wage laws, total salaries for 1947 were \$200,000 more than for 1946, although the number of employees was relatively stable. (Discounting 133 student nurses and 462 persons who volunteered their time, the hospital maintained 338 paid employees in 1947.)

Food was the next largest item of increased expense. Your hospital served 453,380 meals last year—the equivalent of some 700 families of four being fed at home three times a day. Any housewife who compares food costs of today with those

FIRE! FIRE!

Do you shudder each time you hear the wailing siren of
the fire engine? Could this terrible conflagration be your fault?
Ugly fire is laughing behind his smoke screen at you, knowing
that you will be the next to make the blunder.

Fire Prevention Week from October third to the ninth
should not end when these seven days are up. No! It should
continue throughout the entire year. Keep your cellars and
attics clear of debris. Beware of oil soaked rags. Have the
frayed cords on your electrical appliances attended to at once.

In addition to observing Fire Prevention Week in your own
home extend it to all your outdoor activities. Do not be a
careless camper who saunters off leaving burning embers with-
out as much as a backward glance. Do not be one of our worth-
less citizens who hastily flicks a cigarette out of the car window.
The extra seconds you take to extinguish it will prevent untold
disaster.

The next time you hear the siren wail the ghastly smolder-
ing ruin could be your home. Are you and your children familiar
with the location of the nearest fire box in your neighborhood?
If not, make a point of showing your family its location. When
sounding a fire box, the glass must be broken and the handle
pulled down. Then wait to direct the fire apparatus.

A thoughtful meditation on this subject accompanied by
careful action can prevent unnecessary tragedy. Do not be
responsible for your loved ones having a sudden cremation!

Library Location

(Continued from last week)

24. Recommendation No.2, in
many ways more practical, is to
build at the front of the present
main building at Newton Cor-
ner, an entirely new major addi-
tion extending to the Centre
Street sidewalk. The present
building with minor changes
would become a secondary rear
portion. The large unused
ground between the sidewalk
line and the main front of the
present building would give 11,
000 square feet for the main side-
walk-level floor for convenient
adult service, compared with
only 9,500 square feet on the
main floor of the old building.

In this particular case it will
be most fortunate possible to in-
tegrate the old space with the
new very effectively, a situation
rarely met with. The cost of a
new building, at the front of the
old, would be only about \$450,000
and there would be no expense or
problem involved in getting a
new site. The total saving would
be at least \$400,000. The old
building will be entirely and
sensibly utilized.

25. Public officials seem
greatly impressed by the second-
ary fact that in the large loan
recently authorized by the legis-
lature, approximately \$200,000
was allotted for library building
purposes. Part of this was ear-
marked for the Nonantum and
Newton Highlands branches.
This \$200,000 should not be so
spent. The present excessive
spread of branch buildings and
branch expenditures must be cur-
tailed rather than extended. The
\$200,000 should be earmarked as
part of the necessary fund to give
Newton its long overdue central
library building. The fortunate
location and arrangement of the
old central library and particu-
larly the open space in front of
it make it possible for Newton to
get a first class modern library
for about half what it would or-
dinarily cost, for Newton Corner
is at present as good as Newton
Centre for location and for some
years to come will be almost as
good. Nevertheless, it is only
fair for a surveyor to repeat:
the ideal and proper thing would
be a complete new building at
Newton Centre, if such a project
can be carried through as herein
defined and steer clear of de-
structive compromises that will be
urged by many persons and by
pressure groups which have little

Newton Pioneer In Church Canvass

"Newton is one of the pioneer
communities to inaugurate a
United Church Canvass," it was
stated by the Rev. Richard P.
McClintock, Executive Secretary
of the Newton Council of Church-
es at a meeting of the Finance
Department at the Church of the
Messiah, Auburndale. Rev. Mc-
Clintock, who served on the
original committee of the Newton
Minister's Association which set
up the first City-wide Canvass,
gave a summary of the Canvass
movement throughout the na-
tion.

He said in part:
"The United Church Canvass
is a program of community and
national Church cooperation
pioneered in the late 1930's by
three American Communities:
Council Bluffs, Iowa; Medina,
Ohio; and Newton. It is sponsor-
ed, supported, and promoted by
the local Council of Churches and
nineteen major national religious
bodies including the Federal
Council of Churches, Church
World Service, and the National
Synagogue Council of America."

"The purpose of such a United
effort is three-fold. First it
brings to the attention of the
community the place which our
religious institutions fill in its
life. Then, through means of a
house-to-house roll call it at-
tempts to call each individual to
participate more actively in the
work of these important institu-
tions. And finally, the Canvass
helps insure adequate financial
support for the Churches through
regular giving.

"The Canvass movement has
grown from a mere handful in
1941 to over 300 communities last
year. It has spread to every State
in the Union, to Canada, the
Canal Zone and to Honolulu,
Hawaii. The Massachusetts Coun-
cil of Churches has appointed a
Committee this year to attempt
to promote the movement on a
state-wide basis. Thus the en-
thusiasm of a few clergy and
laymen who selected for their
slogan, "Keep Them Ringing!",
touched off an idea which is
growing and gaining in momen-
tum each year, and which still has
that firm foundation on the ring-
ing bells; The Liberty Bell and
the Church Bell."

The United Church Canvass
dates for Newton are from Nov.
14 to 28th. Featured in the plans
are sermons by laymen on Nov.
14th, a Rally and Dinner at the
Totem Pole for 1000 men on the
fifteenth and the actual day of
Canvass, November 28th. The
Newton Committee is led by
Lucius E. Thayer and William V.
M. Fawcett and includes Edmund
S. Hinton, Hon. Paul Goddard,
Mrs. Ashley Day, Reverend Rich-
ard Smith, and Rev. Richard P.
McClintock.

concern for library welfare.

26. But it is even more im-
portant, essential, to repeat, that
unless at Newton Centre the site
chosen were directly on Centre
or Beacon Streets within a block
south or west, or within two
blocks east or north of their in-
tersection, with 18,000,20,000
square feet of ground space, the
library would be better off to
stay on its excellent site at New-
ton Corner and build out to the
sidewalk.

27. Newton is well able finan-
cially to provide itself with the
kind of modern library which we
have described and which public
opinion seems to be well aware is
so badly needed. Adjustments
would be made in the scheduling
of public funds so that if neces-
sary, a supplementary bond issue
can be voted by the public, or a
larger amount allotted from the
present large improvement fund,
or made up by additions to the
annual budget for this purpose.
Projects elsewhere indicate that
now is the time to finance and
prepare plans, but to build later.

28. When this is done and
Newton's library staff has been
built up, Newton will be in a
position to put its public library
service in the very front rank
among American cities. This is
the sort of library building and
service which a city of the high
character of Newton deserves to
give itself.

Babson Discusses Cost of Living

(Exclusive to The Graphic)

Babson Authentic Statement. Copyright 1948.

Publishers' Financial Bureau, Incorporated

American Public Enemy No. 1 today is inflation but unfor-
tunately like Enemy No. 2, which is liquor—too many people
are temporarily prospering by flitting with these enemies.

The American people today have more dollars than at any
time in our history, nearly \$2,000,000,000—even after taxes have
been taken out. That's about two and one-half times as much
as they had pre-war. There have been tremendous post-war spurts
in individual earnings. Per capita income in the United States
has increased 130% over 1940 levels. Incidentally, folks in Kan-
sas, the Dakotas, and the great Northwest have had the great-
est increases in income.

The trouble is that prices are so much higher, more than
twice as high and still going up—that your dollar and mine
now buy less than at any time since the post-Revolutionary days
of the 1780's. Cheap automobiles and housing, for example, are
now out of reach of the average worker. Yet, this bad condi-
tion will continue so long as labor leaders and politicians are
making money from high prices.

One hundred cents today will buy only 40 percent of the food
it purchased pre-war. The post-war clothing dollar has declined
to approximately 50 percent of its pre-war value. A dollar spent
today to keep a roof over your head will buy 89 cents worth of
pre-war rentals, while new housing is only about 60 cents worth
of pre-war value. The dollar, when you consider its all-round
purchasing power, in terms of radios, cars, refrigerators, but-
ter, milk, bread, suits and shoes will buy only about half the
things it bought in 1940! Inflation is our major national head-
ache today—our Public Enemy No. 1.

The picture today is much the same as it was after the last
war when the dollar was worth only 50 cents in terms of the
goods and services it would buy. A study of business cycles
show that inflation follows wars. This is usually characterized
by cheap money and a business boom. But the business boom
usually burns itself out. So prepare yourself. A day of reckon-
ing will as surely follow as does night the day.

The President and our Congress have offered sure-cures to
end our present inflationary spiral. I know of no time in our
history where a major price rise was ever halted by politics.
High prices are the result of a shortage of goods and a surplus
of money—and as I recently explained—of various laws which
Roosevelt had passed to force higher prices. Since 1940-41 the
supply of money has outrun the supply of goods. People have
needed or wanted things short on supply and have had the
money, for the first time, to buy them. As buyers we have bid
against one another for available goods. Hence, prices have
soared.

There are three fundamental things which we can do to help
stop this inflationary spiral. If high prices and inflation are the
result of (1) a shortage of goods and (2) a surplus of money and
(3) New Deal Legislation, then we should (1) increase our pro-
ductivity along all fronts, (2) wait awhile for buying what we can
now get along without, and (3) have Congress repeal the crazy
laws it passed in 1932-34. Increased production has already broken
the price rise in some commodities. A supply exceeding demand
has already shown up along some manufacturing lines. Shortages
still exist along such lines as steel and autos. But given time a
greater balance in our economy will result.

Tinkering with natural economic laws and with politics will
cure neither inflation nor deflation. Let's buy those things which
are in full supply and encourage our fellow workers to produce to
capacity. In other words, let us use some self-control and religion
in buying and producing. This could well mean the difference
between a "bust" and continued prosperity.

Messiah Guild Opens Season At Luncheon

The fall season of the Woman's
Guild of the Church of the Mes-
siah opened on Monday, with a
luncheon served by the Board at
one o'clock in the Parish House.
Heading the luncheon committee
was Mrs. Philip R. Bridgeman,
president of the Guild. There was
a large attendance, including
quite a few new members.

September 29th the ladies of
the church were the guests of
Mrs. Henry Stafford at her sum-
mer home, "Overline", East
Rindge, New Hampshire.

About 48 left the church in
cars. After a box lunch with
coffee served by the hostess, the
ladies and their guests, Mr. Clare-
nce Bierman and Horace Bunker,
attended a service at the Cathed-
ral of The Pines. Mrs. Sloane, in
whose son's memory the Cathed-
ral was built, was there to wel-
come them and to furnish the
music.

Mrs. Stafford was assisted in
entertaining her guests by her
father, Mr. Cutler, Mrs. Philip
Bridgeman, Mrs. John Heibek
and Mrs. Edgar E. Dunlap.

This was the last of five get-
togethers the Guild enjoyed dur-
ing the summer. Other hostesses
were Mrs. Edward T. Edmonds
at her home in Marshfield Hills,
Mrs. Arthur Hancock, Sharon,
Mrs. Philip Bridgeman, Weston
and Mrs. Earl D. Wood of Bish-
op's Acre, New Ipswich, New
Hampshire.

On October 18 Mrs. John Hei-
beck will be chairman of an af-
ternoon tea, honoring a large
Guild.

There will be a meeting of the
Guild in the Parish House, every
Monday during the coming sea-
son, at 2 o'clock in the afternoon,
with tea at 1:30. All ladies of
the Parish are cordially invited
to attend.

The girls, particularly, asked
for more organized sports and
urged the building of a munici-
pal auditorium that would in-
clude a swimming pool and
skating facilities and also pro-
vide a wholesome place for young
people to gather evenings. "They
take care of the little ones on the
playgrounds in the summer time
but not people our age," said one
of the panel speakers. Another
youth speaker suggested that the
schools be opened one or two
nights a week for dances and
hobby interests, with adults to
supervise the activities. "It is the
responsibility, not only of the
churches and communal organi-
zations, but also those of the
home to guide us in our recrea-
tional problems and the develop-
ment of a sense of responsibility
and good citizenship," stated an-
other panelist.

A message from Mayor Lock-
wood opened the meeting over
which James F. Reynolds, chair-
man of the Council Governing
Board, presided. Harold B. Gores,
assistant supervisor of schools,
conducted a question period and
summarized the proceedings.

A Shopping I Would Go!

By PATRICIA PATENAUE

Another week's gone by, and now it seems like everyone is settling down to normal after the summer holidays. October is always crisp and exciting, full of football games, fixing up our homes, and an atmosphere of hustling. You are probably trying to do ten things at once, and even though it's fun, it does get mixed up. Each week I dash around from store to store, looking, buying, and taking notes. These notes, I hope, will make your shopping easier. So settle down in a big easy chair, and let's go shopping.

By the way, if there is something special you are looking for and can't find, drop me a note, Patricia Patenaue, Box 205, Newton 58, and I will try to locate it for you.

R. H. STEARNS CO.
Newton Centre

The air is brisk, the leaves are quietly turning, and it's time for warm, wooly sweaters. R. H. Stearns has had buyers abroad, and they have brought back a lovely style for infants that is bound to please you. This sweater is 100% wool, one of the nicest that England has to show. Coming in the delightful Fair Isle pattern, it is darling for your own child, or as a gift for some special little tyke. Each sweater is softly blended in pastels, the effect being in the best of taste. The cardigan buttons right up to the neck, insuring warmth. With all its lovely features, perhaps the nicest thing about it is that it's so comfortable. The wool is soft as can be, and there is plenty of room in the sleeves and neck. The buyers who found this sweater are specialists in imports. They could hardly wait to bring it back to you. It promises to be different from anything you have. All these things, and yet, the price is happily low, only \$3.50. Sizes run from 6 months to 2 years. It's a real treat in infants' sweaters, a treat that Stearns has imported just for your pleasure.

Sportswear, tailored and classic, is a favorite and a "must" in every woman's wardrobe. This year corduroy, in all its rustic loveliness, is in the spotlight. Newton's has oodles of corduroys in all styles and sizes. The suit is casual and smart for only \$24.95. There are skirts with the modified flare for \$8.95, and stunning jackets to make mixed suits for \$14.95. Corduroy slacks have always been pretty and practical, and they are priced at \$8.95. The cheerful colors, scotch green, gray, wine, electric blue, and brown, are a bright spot on a dreary day. And, oh, how corduroy wears! It won't show the dirt, and refuses to hold wrinkles. This fall it's corduroy for you.

A nice Handkerchief! I have found some truly exquisite handkerchiefs at Clairhorne Galleries. They are pure Irish linen or Swiss cotton with a delicate flower or organically applied on them. Your favorite flower is softly rich in its full natural shade. The petals and the leaves lift up from the hanky to make them delightfully realistic. The hankies come in two sizes for only \$1.25 and \$2.00. They make a distinctive accessory if you tuck one in your belt, bracelet, or pocket. There are handsome poinsettias for Christmas gifts, pansies, and roses, but don't delay! The supply is limited.

Roses, in all their sweet and breathtaking colors, for only \$1.00 a dozen! This is your chance to give your living room or dining table a touch of brightness and femininity, even when it's "just the family." The Flower Shop also has its eye on the Football Dances coming up, and is ready and waiting with a deluge of corsage ideas. They have a heart, too, for I found out that there are special rates for the always broke high school boys. Your son probably doesn't know the difference between a sweetpea and a snapdragon, so send him down for some cheerful help.

Beautiful in its simplicity is a string of pearls. Fifty and sixty inch strands of white, simulated pearls are exquisitely displayed at Ware's. Priced from \$2.95 to \$3.60, they have that old-fashioned look which is so new today. Or, if you prefer, there are shorter strands, truly elegant. For a brooch you will find delicate Cameos from Italy. They make an original and welcome bridesmaid's gift. You will be thrilled when you see them.

In all the excitement of snowsuits and sweaters, let's not overlook the problem of "warm as toast" pajamas. For the real tot, in sizes 0 to 4, Newton Juniors has comfy Nightie-Nights with feet in. The colors, aqua, peach, blue, and yellow, are made for babies, and you will be glad to know that extra pants may be purchased. For sizes 4 to 8 they have the one piece pajama with feet. These are comfortably snug in soft, soft flannels. The older girls will find a variety of nighties, and pajamas in grown-up prints and stripes. As for the boys, there are the popular Balday. And, oh, how corduroy wears! It won't show the dirt, and refuses to hold wrinkles. This fall it's corduroy for you.

Canvass—

tocks remained in Lancaster until 1938 when Rev. McClintock received his call to Auburndale. They have three children: a girl, Barbara, who is a senior in Newton High School; a son, Richard, Jr., in the 9th grade at Warren Junior High, and John Alexander, "Sandy," age 2½ years.

It was during his busy pastorate that in 1943 a disastrous fire destroyed the church edifice and necessitated an arduous campaign for funds which led to the leadership of the Rev. McClintock met with splendid response. The new church and parish house were built just as soon as conditions permitted and today stands as a beautiful and practical witness to the courage, faith and persistence of both the rector and his parish.

Thus the new executive secretary of the Newton Council of Churches brings to that organization and so to the United Church Canvass an enthusiasm and an organizing ability which spell success. The community is to be congratulated on his shouldering this work of mutual benefit to all church members of whatever faith and denomination.

Plans for the Rummage Sale, sponsored by the West Newton Community Centre, which will be held October 26 in the basement of the Davis School, were announced by the co-chairmen, Mrs. Carroll Larson and Mrs. George Lovejoy. Other members of the committee are: Mrs. Shepard, Mrs. Adrian O'Keefe, and Mrs. Frederick C. Wells. Any one having articles to contribute to the sale should notify any member of the committee. Clothing, bric-a-brac, toys, games, household furnishings are all wanted.

Among those graduating recently from the Ordnance Automotive School at the Atlanta General Distribution Depot was Private Donald G. Hillman, son of Mr. and Mrs. Ralph G. Hillman, 421 F Street, Auburndale. He was graduated in March 1948.

When asked for his opinion regarding the value of the United Church Canvass he said: "It began in Newton in 1941. It has spread throughout the entire country since then. It must have tangible direct values and deep indirect values for this to happen. This year's national slogan will best express what I mean: 'Say Yes to your faith on Nov. 28'."

Newton Lags In Quota Set For Salvation Army Drive

In spite of the efforts of hundreds of volunteer workers, Newton is still short of the amount set as its share of the Salvation Army's Greater Boston Appeal for \$500,000.

"Newton is lagging," said Roy S. Edwards, General Chairman for Newton. "And that isn't like Newton. We've always come through with flying colors when we've been asked to participate in any co-operative activity. Many towns in Greater Boston have not only met their quota, but have exceeded it. I believe every resident of Newton would regret seeing our city among the communities which fails to reach their goal in this exceedingly worthy cause. We're all proud of Newton. Let's prove that pride by putting Newton into the 100 per cent class in this drive."

Mr. Edwards is appealing to all those who have made pledges, to send in their contributions at once; and he is asking those who have not yet been contacted, to send in their donations without waiting for a worker to call. Checks may be made payable to William F. Cahill, Treasurer, and mailed either to Roy S. Edwards, 29 Crafts street, Newtonville, or to Mr. Cahill, at the Newton-Waltham Bank, Newtonville.

"I hope every Newton citizen will respond to the Salvation Army Appeal for funds to carry on its relief work," said Mr. Edwards, earnestly. "It would be a pity to restrict those vital activities for lack of sufficient money. I urge everyone to contribute something. No matter how small the amount, it will be gratefully received and will help ease the lot of someone desperately in need of aid and comfort."

Hospital—

of, say, 1941, can imagine this increased expense to the hospital. The Joint Committee for the Study of Hospital Costs and Finances reports that total food costs in Boston area hospitals rose 77 per cent in 1947 over 1941. Butter has gone up 160 per cent since 1941; potatoes, up 115 per cent; flour, up 192 per cent; shortening, up 289 per cent.

The following is a comparison of several facts and figures at Newton-Wellesley Hospital for the years 1944 and 1947:

Received from patients	1944	1947
Number of in-patients	543,050	928,075
Personnel, incl. student nurses	6,205	8,182
Current operating expenses	\$656,183	\$1,079,778
Salaries and wages	\$335,477	\$671,058
Food, drugs, fuel, bedding, clothing, dressings, other supplies	\$261,591	\$364,820
Hospital expense per day	\$1.798	\$2.958
Hospital expense		

Certain cotton goods are now five times as expensive as in 1941, when prices began their upward trend.

Glass supplies have doubled in price. The common water glass, for instance, has gone up from .03c in 1941 to .06c. Mouth thermometers—.29c apiece in 1941, are .59c today—and the hospital buys close to 1000 of them a year. Bed sheets (the hospital purchases some 600 a year) cost \$17 a dozen before the war; now the price per dozen is \$33.

There are hundreds of other cotton goods, such as square dressings (about 17,000 used in the operating room a year); pillow cases; patient gowns; bandages; cotton sheeting, such as used for arm slings (1000 yards used in a year) scrub aprons; glove cases, towels, etc.

Housekeeping articles have risen, too—laundry soap from .07c to .25c a pound since 1941 (about 13 pounds of laundry are required each day for each patient). Even paper towels used in lavatories throughout the hospital cost .25c a package now as compared to .15c in 1941.

In 1947 it cost \$2.90 more a day to take care of each patient

Parties—

(Continued from Page 1)

the first time, the Hyde School 8th and 9th graders will have their celebration together, also at St. Paul's. The building Chairman for this gathering are the Rev. Richard Schoolmaster and Mrs. Franklin Newcomb. The 3rd to 6th grade affairs at the Hyde School, will be in charge of Clarence Churchill, Building Chairman. The Building Chairman for the 7th grade party, to be held in the Woman's Club Workshop, is in the hands of Mr. and Mrs. Gordon McMullin, with Mrs. Robert S. Foote as hostess for the dancing. At this party, too, there is to be a paid leader who has won a fine reputation for his ability to make things hum. All parties, Mr. Foote says, will have available, as physician-in-charge, Dr. C. A. Thompson. He will be assisted by Mrs. Gordon McMullin, who is a graduate nurse.

Mrs. Arthur Gregorian, Building Chairman for the Hamilton School party, Newton Lower Falls, announces that about 100 children, from kindergarten through the 6th grade, will participate. The parties will run from 7 to 9 p. m., and will feature square and ballroom dancing, with a piano and record player providing the music. Besides that, there will be a grand march with judging of costumes, a magician and group singing, and refreshments, of course. Assisting Mrs. Gregorian in shaping up the plans are: Mrs. Louis Vas-

than in 1946 and total operating expenses per day averaged \$686 more than in 1946. New scientific discoveries also contributed to high hospital costs. The expense to our hospital of supplying drugs and medications to patients approximated \$50,000 last year and well over half of that cost represents pharmaceuticals in use in only recent years, such as streptomycin, penicillin and certain sex hormones.

Patients who think their bill is too high may be interested in a recent report made by the Joint Committee for the Study of Hospital Costs and Finances. The report indicates that a patient's bill today is often no more and sometimes less than it was 15 years ago.

Because of new drugs, techniques and treatments, the patient is returned home in a shorter period. He is restored to health sooner and goes back to his job and income sooner. Voluntary, non-profit hospitals have increased their rates in an effort to keep pace with costs—thus the charge per day is more. However, the total bill is sometimes less because the stay is shorter.

Records at your Newton-Wellesley Hospital show that in 1948 for a typical appendectomy the patient stays from five to eight days at an average cost of \$127, while the patient in 1933 stayed 15 days at a cost of \$138.20. In a 15-year period the stay has been cut almost in half for obstetrical patients. Lobar pneumonia patients who in 1933 spent an average of 23 days in the hospital, now go home in nine days. One hospital which made a study of appendectomies and deliveries found the total hospital bill less in 1947 than in 1927.

On the other hand, the early part of the patient's stay is the most costly to the hospital and therefore the hospital must spend more to provide the service required by the shorter stay.

Assisting Mrs. Warren Manhard, the Newton Coordinator, and Mrs. Segel, Building Chairman, are Mrs. George Larsen, Program Chairman; Mrs. Raymond Ginsburg, prizes; Mrs. Edwin J. Cohen, in charge of refreshments consisting of ice cream, cookies, cider and doughnuts; Mrs. Milton Motland; Mrs. Sally Cummings, Parents' Committee Chairman; Mrs. Richard

sillotti, Mrs. Lowell Chowner, Mrs. Francis Anderer, Mrs. William Howard, Mrs. Richard Scofield and Mrs. James Callahan. The party at the Waban Neighborhood Club for approximately 130 girls and boys of the 8th and 9th grades, is in charge of Mrs. Norman E. Dupee, Jr., and will breeze along from 7:30 to 10 o'clock. Mrs. Dupee's committees are keeping their plans pretty secret; but one feature disclosed is a full-length mystery sound movie and movie cartoons that will run for an hour and three-quarters.

Another outstanding gathering is promised by Mr. and Mrs. Edwin C. Harkins, Building Chairman for the 7th, 8th and 9th grade Auburndale students at the Normandie Room, Norumbega Park. A hit-feature will be an hilarious Stunt and Quiz Show, guaranteed to roll everyone in the aisles, with prizes for contestants. Additionally, on this party's fine program, there will be movies of the baseball World Series and the 1948 Olympics. And just by way of concluding their report with a dazzling highlight, Mr. and Mrs. Harkins announce that there will be a grand prize of a baseball autographed by members of the Boston Braves—the 1948 Pennant Winners.

"I am gratified," said Mrs. Hovgaard, "with the activity being shown by the committees. Our experience proves that early planning saves the last-minute rush that is so trying on committee members, and makes for better parties. We're off to a faster start this year; and that factor, combined with the wonderful enthusiasm of the men and women who are directing the various village gatherings, convinces me that this year's Halloween is going to be outstanding."

Mrs. S. C. Tornabene, Building Chairman for the Bowen School (Thompsonville) parties, announces that about 150 children, from kindergarten through the 6th grade, are expected to attend the Bowen School gatherings. The several parties will run from 6:45 to 9 p. m., and activities will comprise games selected according to age levels, a magician and movies. There will be five separate parties, with a room chairman and a committee of four parents for each party. Refreshments will include ice cream, cookies, candy and ginger ale. The kindergarten party, which may be held in the afternoon, will provide entertainment with games, movies and, perhaps, a clown.

In addition to Mrs. Tornabene, the committee consists of Mrs. Haskell Freedman, Mrs. Philip Corsi, Mrs. Arthur George, Mrs. Joseph Di Carlo and Mrs. Morris Gam.

Another Building Chairman already reporting progress is Mrs. Louis Segel, in charge of the Bigelow Jr. High School get-togethers for the 8th and 9th grades, running from 7:30 to 10:30 p. m. Mrs. Segel announces that Kampainen's Orchestra, which made such a hit at the Bigelow last year, will again furnish lively melodies for the dancing. Over 200 will be on hand to participate, also, in the games and other entertaining surprise features about which the committee is keeping mum. But it is revealed that there may be a quiz program and a fortune teller.

Assisting Mrs. Warren Manhard, the Newton Coordinator, and Mrs. Segel, Building Chairman, are Mrs. George Larsen, Program Chairman; Mrs. Raymond Ginsburg, prizes; Mrs. Edwin J. Cohen, in charge of refreshments consisting of ice cream, cookies, cider and doughnuts; Mrs. Milton Motland; Mrs. Sally Cummings, Parents' Committee Chairman; Mrs. Richard

H. Lee, publicity; Mrs. Norman Atkinson, food; Mrs. Henry L. Johnson, decorating; Mr. Guy Baker; and Mr. Edgar Pray, principal of the Bigelow Junior High School. In addition, the following student members of the committees are actively engaged in the planning: Lee Johnson and Katie Zipf, decorations; Barbara Larsen, Frank Avantage and Roy Tinker, entertainment; Donald Livingston and Roy Van Steenburger, properties.

Word has just been received that the orchestra selected for the Senior High School Halloween dance at the Totem Pole is that of Teddy Phillips, from Aragon Park, Chicago. This will be the first New England appearance of Teddy Phillips, who is fast making a "big" name for himself in the mid-West.

Nearly 450 children are expected to participate in the Emerson School parties, Newton Upper Falls, according to Joseph H. Randall, Building Chairman, who also announces that the program of events is completely settled. The celebration will start at 6:30 with a grand parade from the Chestnut Street Playground to the school. Following this there will be movies for grades 2 to 8, also a magician and a puppet show for grade 1 and the kindergartners. From 8:30 to 9, there will be games for grades 2 to 6, and a special entertainment for the 7th and 8th-graders. Boxing matches for boys, fortune telling for the girls, dancing to the tunes of a professional orchestra, and refreshments, will furnish plenty of gaiety and activity from 8:30 until the curfew time goes down at 11 o'clock. As in other years, the Emerson School committees, headed by Robert B. McLaughlin, village coordinator for Newton Upper Falls, have devoted much time and effort to rounding out a program that the children will long remember.

Mr. Randall states the following committee chairmen for games have been selected: Kindergarten, Mrs. Roberts; Grade 1, Mrs. G. Louis Marcy; Grade 2, Mrs. L. Neill; Grade 3, Mrs. G. Braceland; Grade 4, Mr. and Mrs. James Stevenson; Grade 5, Mr. Irving Rosbeck; Grade 6, Mr. Fred Newcomb and Mr. Thomas Kenney; Grades 7 and 8, Mr. Robert B. McLaughlin.

Henry M. Noyes

Funeral services for Henry M. Noyes, husband of Mrs. Catherine C. Noyes, of 72 Newell road, Auburndale, were held Saturday morning from the Henry F. Cate Funeral Home, West Newton. A high mass of requiem was celebrated in Corpus Christi Church, Auburndale, by Rev. George Scully. Burial was in the Soldier's Lot in the Newton Cemetery with prayers by Fr. Scully. A firing squad was present from Fort Banks, Wintthrop.

Mr. Noyes, a veteran of World War I, died on Wednesday, September 22, following a long illness. He had been employed in the Electronics Division of the Hood Rubber Company in Watertown.

Besides his wife he leaves three daughters.

Margaret H. Aubin

Miss Margaret H. Aubin, formerly of 430 Centre street, Newton, died on Tuesday, October 5 at North Conway, New Hampshire.

Miss Aubin was in her 90th year. She was a member and former auditor of the Newton Community Club, a member of the Women's Republican Club of Massachusetts and one of the founders of St. Luke's Church in Allston. For many years she was associated with the Cambridge Trust Company in the management of estates.

Funeral services will be held Friday afternoon at 1:30 in Grace Episcopal Church, Newton.

Angier Cub Group Is Organized

John Parkinson, chairman of the Angier Cub Association of Waban announced the appointment of the following committees, at a Pack committee meeting held at the home of Al Stitt, Cub Master, on Chestnut street, Sunday:

Nomination: William Young, chairman; Maurice O'Brien, A. Peter Williams and Hyman Horwitz; Music, Paul Anderson; Membership, Hyman Horwitz; Planning, Fred Harvey, chairman, Bernard Pearson, Kenneth Rogers, Al Stitt; Ideas: Mrs. Carrol Peck, Chairman, Dorothy Pien, Roger Borman, Evelyn Marran and Fred Harvey; Women's Auxiliary: Mrs. Doris Parkinson, chairman, Ann Hill, Mrs. Walter Bauer, Cynthia Neilson, Mrs. Ted Fowler, Mrs. Al Stitt, Mrs. Edward Booth, Mrs. Kenneth Rogers, Mrs. Agatha Harvey and Mrs. Frank L. Springer.

Due to the increased interest of mothers and dads and by splitting up the jobs among many, it was thought each would be able to contribute some planning and help in carrying forward a very active Den and Pack theme each month. An advanced Den program was presented for review and it was decided the new prospective Den mothers should pass on the activity proposed. Music critic Paul Anderson attended the meeting and offered ideas that would interest the boys.

The Packs had worked the previous week by talking and in interviewing parents who might be interested in Den Mother work. Fifteen mothers and several dads were listed. Eleven Dens were tentatively set up for the fourth, fifth and sixth grades of the Angier School. Those reported as interested are Mrs. Harrison Rowbotham, Mrs. Arthur L. Brown, Mrs. Bernard O'Keefe, Mrs. John Rielmond, Mrs. James H. Mitchell, Mr. Gattines, Mrs. Kenneth Rogers, Mrs. Evelyn Marran, Mrs. James Coleman, Mrs. William Meehan, Mrs. James Gough, Mrs. Philip Frieza, Mrs. John Perkins, Mrs. Philip Sherman, Mrs. Thomas H. Gillespie, Mrs. Francis Carroll. The Pack Committee have invited all these mothers and dads to attend an Adult Den training meeting to be held in the Waban Library this Friday evening October 8 at 7 p. m. Al Stitt, Cub Master, stated that Scout officials will be present to talk and explain and answer questions. Den mothers with past experience will be asked to respond. Pictures will be shown of the Old Spring Cub Rodeo. Den Mothers books of planning and weekly activities and all Cubbing printed material will be on inspection. Dr. Neil Swinton, Scout official, said 4 den chiefs (Scouts) had been selected so far. The den chief is a boy leader who assists the mother with her weekly den work.

All boys are registering at the Angier School, Monday and Tuesday this week, with the help of the Women's Auxiliary. The first Pack meeting will be Friday evening October 15 at 7 p. m.

Marion G. Lee

Funeral services for Mrs. Marion G. (Dove) Lee of 205 Hammond street, Chestnut Hill, wife of the late Francis Wilson Lee, were held Wednesday afternoon at the First Church, Chestnut Hill.

Mrs. Lee was in her 82nd year. Born in Andover, Mass., the daughter of Mr. and Mrs. George W. Dove, she was educated at Abbott Academy, Andover and Miss Hershey's School in Boston. Since her marriage to Mr. Lee she had resided in Chestnut Hill, where she was active in the Woman's Alliance of the First Church, and in Red Cross activities. Her primary philanthropic interest was the Widows Society of Boston, an endowed charity aiding aged women, of which she was a member of the board of managers, and had served as director.

She is survived by a son, Guy Hunter Lee of Chestnut Hill, four daughters, Miss Mary Lee, Mrs. Henry Jackson and Mrs. John T. Walker, all of Chestnut Hill and Mrs. Thornton K. Ware of Fitchburg, 11 grandchildren and one great-grandchild.

RECENT DEATHS

Dr. Irving D. Blanchard

Funeral services for Dr. Irving D. Blanchard of 84 Adella avenue, West Newton, were held Saturday, October 2 at 4 o'clock in the Eliot Congregational Church, Newton. Rev. Ray A. Eusden, D.D., officiated. Burial was at Westwood Cemetery, on Sunday. Dr. Blanchard, retired medical director for the Waldorf Lunch System, died at his home on Thursday, September 30. He was in his 75th year, and had retired two years ago after being associated with the Waldorf System for 24 years.

Born in Foster, Rhode Island, he was graduated from the Yale Medical School in 1897. Before coming to Newton he had practiced medicine in Colorado and Connecticut.

He was a member of Revere Lodge of Masons of Boston, the Hunnewell Club of Newton, and was a deacon of Eliot Congregational Church.

He is survived by his wife, Mrs. Grace A. (Lincoln) Blanchard, a son, Dr. Dana L. Blanchard of Branford, Conn. and a daughter, Catherine E. Blanchard, a nurse for the Belmont Health Department.

Lillian Crawford True

Private funeral services will be held Saturday at Portsmouth, New Hampshire, for Mrs. Lillian Crawford True, 84 years old, resident for more than half a century of Waban, Mass., and for many years a prominent illustrator of articles in National magazines and illustrators of many books of her husband, John Preston True, the author, who died 15 years ago.

Mrs. True, who for the past two years had been making her home with her daughter, Mrs. Franklin E. Jordan at 20 Georges terrace, Portsmouth, N. H., died Tuesday, October 5, 1948. She was born in Winnebago, Illinois, on August 2, 1864, the daughter of Oscar and Dr. Sarah Marcy Crawford. Her mother, Dr. Crawford, was one of the first women surgeons in Massachusetts; for a number of years resident physician at the New England Women's and Children's hospital at West Roxbury and for years in charge of state wards for the Commonwealth of Massachusetts.

Following early schooling in Kansas City, Mo., Mrs. True returned to Boston with her family where she attended art school in 1881 and studied under Boston's famous William M. Hunt and other prominent artists of the era. Her work won her the honor of being listed in Who's Who in America for more than a quarter of a century.

Her brother, Charles Oscar Crawford of Newton Center, who died several years ago, was one of Boston's prominent sculptors and there are a number of his war memorials and other statues around Greater Boston. In 1885, she married Mr. True and in 1896 they built their home in Waban and Mrs. True lived there for more than half a century. In 1946, she went to Portsmouth.

In addition to her daughter, Mrs. Eleanor True Jordan she is survived by her other daughter, Mrs. Natalie True Bartholomae of Westborough, Mass., and two grandsons, Nathaniel True Bartholomae, an instructor at Clarkson College of Technology at Potsdam, N. Y., and by Franklin True Jordan of Portsmouth, N. H.

Mrs. True was one of the founders and charter members of the Waban Woman's Club, the Waban Neighborhood Club and the Union Church of Waban. For many years she was a member of the Boston Author's Club.

Private funeral services will be held Saturday afternoon at the Buckminster Chapel, Portsmouth, with the Rev. John N. Feaster of the North (Congregational) Church officiating. Burial will be the True family lot at Bethel, Maine at a later date.

Emilie F. Emerson

Miss Emilie F. Emerson, daughter of the late Martha and Richard V. C. Emerson, passed away after a short illness, at the home of her sister, Mrs. Edward Hayward in Cohoes, New York. Miss Emerson, who was born in Newton and had lived in this city until recent years, was in her 89th year, and until her death, was the oldest living member of the Eliot Congregational Church. She received her education in the Newton Schools and Wellesley College, and besides her musical interests, was for several years secretary to Dr. William H. Davis, a former pastor of Eliot Church; following his retirement she was secretary to the late Mr. Enoch Adams, a former principal of Newton High School. Miss Emerson is survived by her sister, also a niece, Miss Alfreda Hayward of Cohoes, New York, and two nephews, James M. Hayward of Newton Highlands and Emerson Hayward of Wakefield, Mass. Committal services, conducted by Dr. Ray A. Eusden, were held at the family lot, Newton Cemetery, on Monday, October 4th.

Franklin S. Hoyt

Franklin Sherman Hoyt, who died at his home in West Newton September 25, 1948, was for 41 years associated with the publishing firm of Houghton Mifflin Company, as Editor-in-Chief of the Educational Department and director and member of the Executive Committee. Mr. Hoyt received degrees from Boston University and Columbia University. Before he entered the field of publishing, he was a teacher and assistant-superintendent in private and public schools in New Milford, Connecticut, Philadelphia, New Haven, and Indianapolis. He was also the author of successful textbooks. He was a member of the National Educational Association, The Brae Burn Country Club, and the Second Church in Newton, West Newton.

He is survived by his wife, Mabel A. (Knibbe) Hoyt, two sons, Phillips B. Hoyt of Phillipsburg, New Jersey, and Franklin K. Hoyt of Auburndale, five grandchildren, and two brothers, William T. Hoyt of New York, and Newton H. Hoyt of Bridgeport, Connecticut.

On the subject of school safety the city of Newton was tied for 19th place last year among cities in its population class throughout the country rising from 40th place the preceding year according to the annual report of the National Safety Council.

Mr. and Mrs. Albert Roth of Dorchester announce the engagement of their daughter, Miss Janice Roth, to Mr. Richard Norman Nathanson, son of Mr. and Mrs. Abraham Nathanson of Newton.

A Spring wedding is planned.

Conlon-Foley

At St. Margaret's church in Dorchester last Saturday morning Miss Agnes B. Foley, daughter of Mr. and Mrs. John P. Foley of Dorchester, became the bride of Mr. John J. Conlon, Jr., son of Mr. and Mrs. John J. Conlon of Newton Highlands. The nuptial Mass at eleven o'clock was celebrated by the Rev. Fr. Daniel G. Sullivan and a reception followed at the Hotel Bradford Roof Garden.

The bride, given in marriage by her father, wore a period gown of white slipper satin fashioned with a bateau neckline accented by tiny gown pleats to each shoulder. The skirt, gathered to a basque waist, was worn over a hoop. Double ruffles of satin edged the skirt and the full court train. Her fingertip veil, edged in lace, was held in place by a coronet of seed pearls and she carried a shower bouquet of white roses and stephanotis interwoven with an orchid.

Miss Margaret Foley was maid of honor for her sister, wearing an old fashioned gown of American Beauty satin and a matching bonnet. She carried a nosegay of talisman roses. The bridesmaids, wearing old fashioned gowns of ice blue satin and matching bonnets, were Miss Marie Conlon, the groom's sister, and Miss Mary Foley, the bride's sister. They carried nosegays of American Beauty roses. Mr. Donald J. Gaffney of Waltham was best man for his cousin. The ushers were

Lord-Cone

At a late afternoon ceremony on Saturday, October 2, Miss Elsie M. Cone, daughter of Mr. and Mrs. George N. Cone of 182 Walnut street, Newtonville, became the bride of Walter L. Lord, Jr., son of Mr. and Mrs. Walter L. Lord of Melrose. Rev. Randolph S. Merrill of the Central Congregational Church, Newtonville performed the ceremony which was followed by a reception at the home of the bride's parents.

The bride was given in marriage by her father. She was attended by her sister, Miss Jean Cone, as maid of honor. Ernest C. Roy, Jr., of Cambridge was the best man.

On their return from a motor trip through New Hampshire and Vermont Mr. and Mrs. Lord will reside in Auburndale.

Frank W. Clarke of West Newton, the groom's cousin, and Mr. John Gorham of South Boston, the bride's cousin.

The bride's mother wore royal blue with matching hat and contrasting accessories and the groom's mother chose sapphire blue with grey accessories. Both mothers wore orchid corsages.

After the wedding trip the couple will reside temporarily in Newton Highlands.

Frank A. Day Junior High School "News of the Day"

As the school year opens the faculty and pupils of the F. A. Day Junior High School are happy to welcome one new teacher, Miss Helen Vaznaian, and two old friends, Mrs. Doris Gulesian and Mrs. Mary Keenan. Miss Vaznaian, a graduate of Framingham Teachers College is in the Practical Arts Department replacing Miss Marian Pratt who retired last June. Mrs. Gulesian is substituting for Miss Louise Paul, who has been granted a six months leave of absence to visit England. Mrs. Keenan is substituting for Miss Mary Gianferante who is absent because of family illness.

Mr. John Eldert and Mr. Robert Carr are working out with a football squad of about fifty candidates in preparation for the junior high school football schedule. The homeroom schedule of touch football games will get under way during the week at the Albemarle Playground.

The Newton Community Council is sponsoring a series of meetings of "Youth Speaks." Eleanor Ward of Grade Nine is the Day representative at these meetings the first of which is to take place on September 30 at Newton High School. Mayor Theodore Lockwood will open this initial meeting and Dr. Edward Landy of the Newton School Department will conduct a question and answer period.

Mr. Vincent Jurgielewicz is in the process of organizing the school orchestra and a girls' glee club and a boys' glee club. Mr. Wesley S. Merritt of the high school music department is organizing a Day School Band.

Since the fall student staff elections have not yet taken place, volunteer staffs have taken over the duties of these staffs temporarily. The following pupils are serving the school until after the elections:

Boys' Playground Staff: John Luciano, Robert Elkins, George Duprez, Paul Sullivan, and Richard Corner. Girls' Playground Staff: Patricia Panaggio, Joan Tocci, Carol Bram, Joan Arcese, Constance Leone, Catherine Hough, Sonya Coleron and Mary Ann Leone. Boys' Cafeteria Staff: David Bonnar, Anthony Franchi, Charles Meader, Raymond Nazzaro, John Luciano, George Guzzi, Robert Nahigian, and William Relf. Girls' Cafeteria Staff: Barbara Valletti, Janet Carlson, Margaret McMurrer, Janet Boudrot, Nancy Quinn, Madeline Seichlone, Patricia Hood, and Cornelia Hall. Public Relations Staff: Constance Hall, Ivy Morrison, Gloria Ganss, Charlotte Barbo, and Mary Meader.

The first assembly of the year took place on Friday, September 24th. Charlotte Barbo the student chairman opened the assembly by leading the school in the flag salute. Mr. Jurielewicz conducted the singing of "America." The chairman then introduced Mr. Ralph Morse, principal, who welcomed the pupils back to

D.A.R. To Hold First Meeting Monday

The Lucy Jackson Chapter will hold its first meeting of the 1948-1949 season Monday at the Chapter House in Newton Lower Falls. Mrs. Clarence W. Williams will speak on her travels in South America.

Appointed Chairman

Among the various recess commissions operating in the Commonwealth this year is the Special Commission on Workmen's Compensation Law, Chapter 81, Resolves of 1948. At its first meeting held on Monday, September 27th, Senator Richard H. Lee of Newton was again elected to act as chairman of the commission, a post which he held last year on a similar body. Edward F. Connelly, Esquire, of Newton Highlands is also a member of this group. Representative Clarence F. Telford of Plainville has been named vice-chairman. Representative Telford is House Chairman of the Legislative Committee on Labor.

school, especially the seventh grade, and others who had come to Day for the first time. Deborah Harvey of Grade Eight and Sandra MacDougall of Grade Nine, and a member of the Student Council conducted the WDAY Question Box which was designed to inform all new pupils on questions which they had placed in the Question Box. Miss Agnes Peoples, the assistant principal gave a word of welcome and advice to the student body before the assembly was turned over to Mr. James Remley, head of the Newton Music Department, who lead the school in a thoroughly enjoyable community sing. Miss Helen Vaznaian, Ivy Morrison and Shirley Norcross ran the projector.

A special assembly was held on Monday, September 27th to acquaint the pupils with the needs of the school band. Mr. Morse introduced Mr. Donald March, Supervisor of Instrumental Music for the Newton Schools who after leading several songs, spoke of the instruments necessary for a complete band. Mr. Martin Putnam, Mr. Berg, and Mr. Bean of the Conn Musical Instrument Company then explained and demonstrated the different band instruments.

MAIL ORDERS are now being accepted for the World Premiere of William Shakespeare's "Macbeth" which begins Thursday evening, October 7, at the Esquire Theatre, 264 Huntington avenue, Boston. TO NEWTON'S COMMUNITY CHEST That Benefits Everyone

FOUR million children in America have lost a parent. Nearly a million children become involved with the police each year. More children were born last year. More people are living longer lives. All this means an increased load for the Red Feather services — increased calls upon health, youth, family services and greater thought to needs of the aged. The Community Chest is many campaigns in one. It substitutes order and planning for the chaos of competitive appeals. It reaches more people with the story of health and welfare services. The Red Feather services are broad community services for everybody.

Everybody gives . . . everybody benefits from the Community Chest. Your Red Feather services provide nursing and medical care, offer services of child care, family counseling, recreation, education, youth leadership, special services to the aged and handicapped. "You have time to give enough." GIVE!

A Brave Whoops Into Town

By LEE TYLER

Sweeping in with the World Series crowds, August ("Gus") Avantaggio has come home to 37 Elmwood street, Newton Corner. It's a rare thing when Gus is around these days. He is here to "rest and recover" only until tomorrow.

Gus, at the age of 23, is general manager of one of the Braves Farm Teams, the Hartford Chiefs. Since last February, when he began work, he has been right in the thick of the baseball fever that has caught fire all over the country. "I've become as much of a baseball fanatic as the crazy fans we've been handling all summer."

"Don't let my title fool you," he says. "I'm not as big as it sounds. I'm just a flunky down there, learning the business." It's a sport he's loved since public park playing days, and considers himself lucky to be connected with now. "Where else can you work and play at the same time?"

"Would you believe it?" asked Gus, who won the Senior Cup at Newton High School in 1941. "The whole season, I never saw any

paper but the "Sporting News". Everybody lives and talks nothing but baseball down there. It's a whole different world. You've never seen any enthusiasm like it."

This was his first managing season. It officially opened in March and closed in September. During that time he became, not only a ticket seller, treasurer, publicist, and concessionaire, but also "a great believer in lady fans." "A sport doesn't stand a chance of being a national success if the women don't support it," he says, adding that he believes that "a husband-wife interest in a sport helps to keep homes together."

This is the biggest job he's had since he "skipped a navy ship for three war years."

We asked Gus what he's going to do to keep busy until March, when it's baseball training time again. "Oh, I've got another job," he said. "General manager of the Hartford Hurricanes, a basketball team."

"But gee, I wish spring were tomorrow."

CHURCHES

Saint Mary's Church Newton Lower Falls

The Rector will speak briefly on "Full of the Spirit" at the service of Holy Communion at 8 o'clock next Sunday morning. At the 10:45 service of Morning Prayer, the talk to the school children will be "Carry Something"; the sermon will be "The Bishops Speak," a presentation of the Lambeth Encyclical.

The regular meeting of the Young People's Fellowship is at 7 p.m. on Sunday. All adults and young people seeking to join the Church in Confirmation will meet in the Parish House at 7:30 Sunday evening for "first instruction." Dates and times for later meetings will be settled then.

A Parish Get-Together is planned for Thursday, October 14. After a buffet supper at 7 o'clock, there will be games, singing, stunts, dancing including square dances; a gay evening to meet the tastes of all. The Women's Division is planning its Fall Rummage Sale for Saturday, October 30. It will go on from 9:30 a.m. to 2 p.m. in the Parish Hall. Contributions should be brought there on or before October 29.

Sunday morning service 10:45
Sunday School same hour
Wednesday evening testimony meeting at 8:00

"Are Sin, Disease, and Death Real?" is the Lesson-Sermon subject for Sunday, October 10. Golden Text: "Lord My God, I cried unto Thee, and Thou hast healed me" (Psalms 30:2).

Sermon: Passages from the Bible (King James Version) include: "Humble yourselves in the sight of the Lord, and he shall lift you up" (James 4:10). Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"Since God is All, there is no room for His unlikeness. God, Spirit, alone created all, and called it good. Therefore evil, being contrary to good, is unreal, and cannot be the product of God" (p. 339).

To Speak Sunday on Church And America's Recovery

"Christian laymen around the world have a big job ahead of them today and they are taking a renewed interest in the daily application of Christian principles," says Walter A. Graham, Christian layman and Executive Director of the Congregational Christian Laymen's Fellowship, just back from a trip to Europe as an average American citizen studying first hand the so-called "cold war," the strength of Communism and the effect of World War II on the organized church.

Mr. Graham will address the laymen and ministers of the Congregational Christian Laymen's Fellowship next Sunday evening, October 10, at 8:00 o'clock in the Central Congregational Church, Newtonville. His subject

will be, "The Church and America's Recovery." The meeting is under the auspices of the Suffolk West Laymen's Council of which Archibald Taylor, the Fenway, Boston, is Chairman. All the churches in the association have been invited.

Mr. Graham this summer visited Europe and Great Britain talking with men in every walk of life including religious leaders, both Catholic and Protestant, officials of various governments; representatives in the American Embassies and Consulates; business men and lay members of churches and leaders of youth groups. He flew into Berlin on a C-47 which carried a cargo of 6,000 lbs. of flour. He saw the refugee camps in action, studied a special training center for Christian laymen in Switzerland; had an audience with Pope Pius XII and conferences with Italian Protestant leaders.

A Kentuckian by birth, Mr. Graham has had experience in the sports pages in the Sunday Globe. You will find interesting sporting news in the Globe every Sunday. Baseball, football and all the other sports are covered regularly in the Boston Sunday Globe. Make it your Boston newspaper.

business law, Government service, public relations, business management and teaching. He spent 13 years in U. S. Government work which included a period during World War II in Puerto Rico on a confidential assignment.

A lawyer, he is a member of the Supreme Court Bar, the United States Court of Appeals in Washington, D. C. and the courts of his home state of Kentucky.

Himself a layman, Mr. Graham's duties as Executive Director of the Congregational Christian Laymen's Fellowship take him from coast to coast addressing men's gatherings and conferring with groups of Christian laymen. He believes Christian laymen should put as much thought into planning and advertising their church programs as they do into their businesses and professions.

Newton Takes Melrose 13 to 6

By Marvin R. Gould

Before some 5500 ardent fans assembled at Dickinson Memorial Stadium, Newton, last Saturday afternoon, Huston's Huskies defeated a highly over-rated Melrose squad 13-6.

The first tally of the game came early in the first period when Newton took possession of the pigskin on the Red Raiders 44-yard line on a punt from Capt. Don Patterson. Joe Wright shoved the ball to the Melrose 43 on a reverse, the next play Wright ran wide around his own left end to dart 43-yards for pay dirt. Frank Tanner's boot for the extra point failed. This put the Orange and Black ahead 6-0. The remainder of the first canto it was Spot Ponders of Melrose all the way, crashing the Newton line from their own 20-yard stripe to the Newton 1-foot line when time ran out in the first quarter. The first play of the second chapter saw Winnie Rice of Melrose gain the 1-foot needed for the score on a quarterback sneak. The try for the point after touchdown failed tying the ball game up 6 all.

Neither team scored or even came close to their opponents goal for the remainder of the second period, the third period, most of the fourth and then it happened with seconds left in the game. A Melrose punt gave the Garden City possession on their own 20-yard line. After a few short passes the bacon rested on the Newton 37. Frankie Tanner took the ball from Joe Wright on the old Statue of Liberty play to fly downfield to the Red and White 2-yard line. Joe Wright made the tally on a quarterback sneak after Tanner crashed off tackle to the 1-foot line. The conversion by Charles Morrissey was good for the extra point.

Score by periods 1 2 3 4
Newton 6 0 0 7-13
Melrose 0 6 0 0-6

Next week it's Brockton at Newton. When asked about the outcome of this coming Saturday's tilt, Newton's Coach Warren Huston stated, "Brockton is just about one of the best clubs around. We'll show them respect in every way. Last year they outplayed us in every department, but we won. Our boys are rapidly improving but we have a long way to go." This reporter would like to add that with a coach like Warren Huston at Newton's helm that "way" should be shortened considerably. Loads of luck "Hustie" all Newton is behind you.

John H. Flynn Jr., of Walden street, Newtonville, who was graduated from Boston College this past June, is now studying for his master's degree at Columbia University, New York.

Residents in the neighborhood of Carlton road, Waban, will be interested in knowing that an additional stop has been made of the Framingham - Cleveland Circle bus. The buses leave Cleveland Circle at 25 and 35 past the hour.

Answers Opposition To 48 Hr. Week Sought By Firemen

Giving ready answer to the opposition of Mayor Theodore Lockwood, a sub-committee of the Board of Aldermen and the Newton Taxpayers' Association, Thomas Kelley, chairman of the Newton 48-Hour Committee representing the Newton firemen, maintained that his committee and the firemen throughout Newton will resort to no misstatement of facts, any distortion of figures nor deal in innuendo, gossip and rumor pertaining to the operation of the 48-hour work week for the fire fighters.

He also emphasized the heavy protective phases pertaining to the maintenance of a full time fire department even questioning the opposition as to whether they chose to return to a volunteer call firemen force. His main attack was on the non-acceptance of the opposition of the humanitarian phase of operation of the 48-hour law.

Following a meeting with his committee, Mr. Kelley said, "I have full confidence in the fire thinking citizens of Newton, their appreciation of the services of the Newton fire department renders the community, the excellent record it has always maintained, the low insurance rates on Newton property and particularly the fact that in this modern day and age no craft works 70 hours a week minimum.

"Fair minded Newton citizens should know that eight years ago, 1940, just 31 years after the late ex-President Calvin Coolidge had signed the most-platoon firemen's law as a "most humane act," we were allowed to have it in the ballot. Newton was the last city in Massachusetts to adopt the statute. The fair minded citizens of Newton endorsed our program of ethical presentation by a 22,000 to 11,000 vote. The opposition of eight years ago is again showing its head, using the same underhand methods of attack, attempting to spread dissension among the various other city departments, talking tax increases, etc. Of course, they are not telling the Newton public that in 1941 the tax rate in Newton dropped \$1.20 in spite of the addition of some 80 men to the force.

"The Newton Taxpayers' Association, whose membership files I understand are unavailable have already demonstrated their undemocratic, unethical and unfair methods by asking Newton citizens not to sign the petitions that would allow the electorate to pass judgment on the adoption of the 48-hour law. In my opinion that act of theirs was definitely unethical and an insult to the intelligence of the Newton voters. Why doesn't Mr. Mather advise the property owners of the low insurance rates in Newton due to the high class efficiency of the fire department which keeps Newton in a Class A rating? Why doesn't this mercenary-minded organization praise the Newton fire department for receiving in 1946 the award of the United States Chamber of Commerce as being letter perfect in administration, personnel, equipment, etc., for cities of 50,000 or over in the entire United States? Why doesn't this back-stabbing organization report the low fire losses in Newton; that in emergency we have to cover Boston, Brookline, Waltham, Needham, Wellesley and Weston; that we are on call 24 hours a day; that no overtime goes with our 70 hours; that scores of other emergencies, other than fires, are attended to in Newton by firemen; that the National Board of Fire Underwriters insists upon sleeping quarters for firemen.

"This is Fire Prevention week and will be properly observed Sunday at Newton Corner with a demonstration by the firemen. I ask all Newton citizens to attend this exhibition to be better informed regarding the vigorous

training and activities of my fire fighting comrades.

"Through courtesy only our committee met with the sub-committee of the Board of Aldermen. In my opinion their report simply echoes the opposition statements of Mayor Lockwood and the Taxpayers' Association. In due time before election day, Tuesday, November 2, true, basic facts will be presented to the Newton citizens by our committee. Then we hope to merit the same endorsement we received in 1940 congratulating our organization on the cleanliness, high ethics and factual method we used on our presentation from well known Newton citizens such as Hon. Sinclair Weeks, former Mayor and United States Senator; Henry Nichols, vice-president, National Bank, former president Boston Chamber of Commerce; Maynard Hutchinson, prominent Boston industrialist and noted Newton philanthropist and Hon. Mrs. Margaret L. Spear, now state representative, nationally known in women's club circles for her civic and social service work.

"To our opposition I say, 'We have just begun to fight!'"

Dr. Stanton Awarded Benemerente Medal

Among five Greater Boston men to receive the award of the Benemerente Medal from Pope Pius XII recently were Dr. Joseph P. Stanton of 114 Shornecliffe road, Newton, surgeon at St. Elizabeth's Hospital, Brighton and Vincent P. Roberts, wool merchant and owner of the V. P. Roberts Co., of Boston.

The medals are awarded for "conspicuous activity in civil and religious fields" and were made at the suggestion of Archbishop Richard J. Cushing. Formal presentation of the medals will take place soon.

Personals

Five young men and two young women from Newton are members of the freshman class at Burdett College, Boston. They are: Miss Genevieve M. Jasset, daughter of Dr. and Mrs. Frank A. Jasset of 80 Walnut Park, Newton, and Miss Ruth E. Hurley, daughter of Herbert D. Hurley of 56 Davis Avenue, West Newton, are students in the Junior-Secretarial Course. Robert E. Coleman of 41 Stratford road, West Newton, is taking the course in Accounting. He is the son of Mrs. Margaret M. Talbot. Enrolled in the Accounting and Business Administration Course are Chilton C. Stewart, son of Mrs. Olive I. Stewart of 18 Vernon street, Newton; Thomas W. Pachus, son of Mr. and Mrs. Stavros S. Pachus of 17 Anita Circle, Waban; Wilbur Jackson, son of Mr. and Mrs. William A. Jackson of 1778 Commonwealth avenue, Auburndale; and Edward R. Herman, son of Mrs. Sally Greenberg of 261 Commonwealth avenue, Boston.

Master Sgt. Charles W. Chambers, USMC, son of Mrs. Lydia Chambers of 23 Oak street, Newton Upper Falls is serving with the First Marine Air Wing, which is participating in the amphibious training exercises in Southern California under the command of Rear Admiral B. J. Rodgers, USN, Commander, Amphibious Force, Pacific Fleet. Mr. and Mrs. Homer G. Bean of 215 Melrose street, Auburndale, have recently returned from a trip to Vermont, where they drove their daughter, Lorraine, to Middlebury College, where she is a senior. A son, Richard W. Bean, has returned to his studies at Tufts College, entering his junior year.

Boston Gas Rates

Effective October 1, 1948, an increase in gas rates of this company has been approved by the Massachusetts Department of Public Utilities. This increase is only three-quarters of the increase requested by Boston Gas on November 14, 1947. At that time, we considered the full amount requested essential to permit us to serve adequately our 295,000 customers in Greater Boston. Since then, costs to us of wages, maintenance, and materials have continued to rise. We believe that our customers must realize that it is impossible for us—in some miraculous way—to continue to pay our bills without rate relief, when the price of everything we must use in our operations has soared.

FACTS ABOUT THESE COSTS:

	1939	1948	Increase
Gas oil used for manufacturing gas (per gal.)	\$.0396	\$.0993	151%
Fuel oil (per gal.)	.0228	.0727	218%
Coke for gas manufacturing (per ton)	6.63	15.00	126%
Our wage rates have increased 86.2% over those of 1939.			
Our property taxes have increased 43% since 1939.			

Although gross revenue has increased substantially, it has not increased sufficiently to cover these mounting costs.

Two-thirds of our domestic customers will have their bills raised, because of this rate increase, a maximum of only 34 cents a month—or slightly over a cent a day.

Of the increase granted by the new rates, Boston Gas retains only 62%. The other 38% goes to the Federal government in taxes.

OUR FINANCIAL SITUATION

Without the rate increase, this company would have practically no earnings on its invested capital. Even with the increased revenue from the new rates, we do not see how the company can earn even as much as 2½% on its invested capital in 1949.

WE'RE ALL IN THIS TOGETHER

All of us, surely, want to see a thriving, growing Greater Boston. The backbone of our community is made up of companies which offer services vital to the health, welfare, and prosperity of all of us living here. As a public utility, an essential industry, we must have the money or credit to expand and improve plant and service to keep up with the growing needs of all customers. That, in effect, is all we asked when we requested the necessary rate increases.

Dr. Lindsley F. Kimball To Be Speaker At 'Kick-off' Dinner

Dr. Lindsley F. Kimball, an associate of John D. Rockefeller, Jr., will be guest speaker at the "kick-off" dinner of the Red Feather Campaign on October 21. Also addressing the large gathering launching the Campaign of the Newton Community Chest and the Greater Boston Community Fund will be Powell M. Cabot, General Chairman of the Campaign Committee.

Dr. Kimball is associated with Mr. Rockefeller in various philanthropic, civic, and corporate affairs. As a volunteer, he serves as Director and President of United Service Organizations, Inc., and is also a trustee of Rockefeller Institute for Medical Research; chairman of the Joint Army-Navy and Air Committee on Welfare and Recreation for the Armed Forces and vice chairman of North American Administrative Committee of World Council of Christian Education. He takes an active part in Community Chest affairs and is a member of the National Budget Committee, sponsored by Community Chests and Councils of America and the National Social Welfare Assembly.

On October 11, 1946, Dr. Kimball was awarded the Medal for Merit by President Truman for "exceptionally meritorious conduct in the performance of outstanding service to the United States." The Presidential citation that accompanied the award

Eichelberger and Horton To Speak On United Nations Day

Supporting the proclamation of President Truman, calling on all citizens to observe October 24 as United Nations Day, the International Relations Committee of the Newton Council of Churches invite the attendance of all Newton citizens at 4 p.m. Sunday, October 24 in the High School auditorium in Newtonville, to hear two brilliant speakers just returned from Europe. They will report on the European situation, the United Nations Assembly, and the recent World Church Conference at Amsterdam.

Clark M. Eichelberger, director of the Association for the United Nations Inc., lecturer, author and radio commentator, has visited Europe many times in recent years, consulting with statesmen of many countries. He is an authority on the United Nations, its agencies and operations; consultant to the U. S. Delegation at the San Francisco Conference of 1945; he is frequently referred to as the man behind the scenes who does most for building peace through international organization.

Dr. Douglas Horton, Executive head of the General Council of Congregational Christian Churches since 1928, has also just returned from Europe where he attended the recent World Conference of Churches in Amsterdam. Either of these two men is a qualified observer of events overseas and the city is fortunate to have them both at one time on so important an occasion as the first UNITED NATIONS DAY.

Dr. Homer Anderson, Supt. of Schools of Newton, will preside and Mr. Howard M. LeSourd of

Firemen Call Aldermanic Report Breach of Confidence

The Newton 48 Hour Committee, representing the Newton firemen, headed by Chairman Thomas J. Kelly, Jr., flayed the report of the sub-committee of the Board of Aldermen regarding the operation of the proposed 48 hour week for firemen last night at their meeting. They thoroughly branded the report as a breach of confidence on the part of the aldermanic committee, disclaimed many of the figures presented by the group and maintained the publicizing of the report was a subversive act to undermine the opinions of the citizens of Newton with the sub-committee accepting the dictation of an opposition sponsored by Mayor Theodore Lockwood and the Newton Taxpayers' Association.

Speaking for the committee, Chairman Kelly said, "When one member of the Board of Aldermen's sub-committee publicly states that the report is not antagonistic to the firemen's proposed 48 hour plan and another member belonging to the American Federation of Labor and he himself, together with the group he represents, is agitating for a pay raise, I maintain they should have submitted a minority report, the democratic way, if they intended to play square with our committee without committing a breach of confidence which was the original

The Charles River

The Charles River, receiving its name from King Charles I of England, rises in Hopkinton, Massachusetts. Historically, the Charles River is first mentioned in connection with Leif Ericsson, son of Eric the Red. Around one thousand AD Leif sailed to what is now Massachusetts. He called it Vinland, due to the abundance of grapes. Historians maintain that Ericsson went up the river to where Norumbega Park now stands. In commemoration of this fact a stone tower was built at Norumbega.

It is definitely known that Indians camped where Newton Upper and Lower Falls now are. Hemlock Gorge, now owned by the Metropolitan District Commission, was previously an Indian reservation. One of the chief reasons for the Indians settling along the river was due to the great abundance of fish. The salmon are said to have run up the river as far as Newton Upper Falls.

At the time of the American Revolution there were thriving industries along the river at Newton Upper and Lower Falls. There was a grist mill, an iron foundry, a powder mill, a paper mill and various others. Today the water power is still used at many of the same locations.

In the upper stretches of the river there is a true paradise for canoeists. Around 1890 many public and private boat houses sprang up, some of which still stand. The Commonwealth of Massachusetts built at Riverside a large boat house which is still much in use by all.

Many small craft are kept on the river which is navigable as far as Watertown. If you are fortunate enough to go down the river by boat you can enjoy seeing the beautiful Georgian buildings of Harvard University and the granite buildings of Massachusetts Institute of Technology. If it were at night you could see the illuminated orchestra shell and hear the melodious strains of the orchestra echo on the water.

The Charles River is naturally a tidal stream. The water is now controlled by a lock located at the bridge of the Northern Artery. This lock keeps the water in the basin. If this had not been constructed there would be only a small channel in the middle of the river and at low tide nothing but mud flats.

It is interesting to think about the great quantities of water which meander some eighty miles before reaching the giant gates which release its restlessness. As Longfellow so beautifully expressed in his poem, "The Charles River: 'River! that in silence windest Through the meadows, bright and free. Till at length thy rest thou findest In the bosom of the sea!'"

What Is The Incentive?

Now that school has resumed again many of the parents will be confronted with the question, "What's the use of going to school?" At times this very question popped into my head. Homework seemed endless, vacations short and assignments too cumbersome.

If you have your goal marked with some high aspiration it is yours if you will take it. Your goal will not be gained by wishing or hoping, but through constant hard work and struggling. Anything worthwhile requires hard work. Countless obstacles will present themselves along the way. If you are really sincere in attaining your aspiration the difficulties can be overcome. Most young people think it is a terrible drudgery inflicted upon them when they are sent to school. It is truly a real privilege. Unfortunately, many do not avail themselves of this idea until it is too late.

There is an incentive to study in the Newton schools. When you try to go to college and find that you are well prepared for the entrance to an institution of higher learning that in itself is sufficient reward for all the hours spent in the Newton schools.

If you do not amount to anything you have no one but yourself to blame!

Fall Season of Lucy Jackson Chapter DAR Opened Monday

A mild and sunny day brought out a large number of members and guests last Monday afternoon, to initiate the opening of the fall season of the activities of the Lucy Jackson Chapter of the Daughters of the American Revolution. The meeting was held in the beautiful Chapter House in Newton Lower Falls with the Regent, Mrs. James G. Patterson, presiding. Devotions were led by the Chaplain, Miss Jane D. Hobart, followed by the Salute to the Flag, the repetition of the Americans Creed and the singing of America with Mrs. Holcombe J. Brown at the piano. Various notices were read and the Treasurer's Reports were given. The Budget recommended by the Finance Committee was given its first reading.

Delegates to the Fall Conference at Stockbridge held October 5th and 6th were Mrs. James G. Patterson, Regent, Mrs. Charles W. Blood, Mrs. Gustav Hagen and Mrs. Walter R. Amesbury. Report of this meeting was given by the Secretary, Mrs. Walter R. Amesbury in part as follows: Mrs. Roscoe C. O'Byrne, President General, N.S.D.A.R., gave the opening address of the evening which was followed by a reception for National and State Officers and distinguished guests. Support was urged for the campaign to raise \$900,000 for

the construction of an addition to the present buildings now owned by the National Society in Washington. A substantial contribution was made to this cause by delegates present. Many other ideas and plans for future work brought to an end a successful meeting.

The program for the afternoon was an entertaining account of her travels in South America given in a charming manner by Mrs. Genevieve Teter Williams, a Chapter member living in Newtonville. Mrs. Williams has traveled extensively in many lands and has real talent in imparting what she has seen.

Her description of the wonders and beauty of South America and the many views and souvenirs she had to show made a delightful afternoon enjoyed by all.

Mrs. George F. Howland and Mrs. Edward J. Frost were co-chairmen of 16 ladies who served the Tea at the close of the program. Mrs. J. P. Holmes and Mrs. Leslie P. Phinney were the pourers.

The next activity of the Chapter will be a Rummage Sale to be held on October 27th at the Chapter House.

West Newton W.C.T.U.

The regular meeting of the W.C.T.U. will be held next Monday evening, October 18th, at the home of Mrs. Flora Weeks, 9 Higgins street, Auburndale, Miss Florence Harps will act as assisting hostess.

Trail Tales

By Joe Patenaude

Now is the time when all ski fans are beginning to think of the fast, shiny slopes. Yes, it's time to get the old slats out of storage and to start putting them in shape for a long and busy season. This year promises to be better than ever, with more and more skiers, and the slopes in their best condition since before the war. The National Ski Patrol has its largest enrollment, assuring unprecedented safety from Massachusetts to California. A sure sign that it's time to get ready is the opening of Bob Johnson's Indoor Ski School at Newton Corner on October 18th. Be sure not to get caught with your skis unwaxed when the first snow falls.

Throughout the season this column will bring you all the news of the local ski enthusiasts and their clubs. I will try to keep you abreast of what's doing "up country," and give you a forecast for the weekend. You are cordially invited to send in any unusual experiences you may have on your trips into the mountains. This is your column, so feel free to use it. I wonder how many of you fans know that skiing is over 6000 years old. Do you know when the original "drool bunny" became a "member of the Royal Family?" For those of you who are new to the world of skiing, a "drool bunny" decorates the slopes, but never dons a pair of skis, while a "member of the Royal Family" has long since learned the ropes. Of course there were no "supersonic drifters" at that time. Skis resembled the clown's turned up shoes more than they did the present day woods. They were short and stubby, sometimes as much

as a foot in width. The general trend through the years has consistently been towards the long, narrow ski to which you are accustomed. At first no poles were used, and then the use of a single, long pole because common. This was used as a brake as well as a means of propulsion. You all know that this evolved into the use of two poles which has remained to this day.

One of the most fascinating facts about the history of skiing is the progress it made through friendly international meets. The Norwegians of Telemark first began the sport about 1860, and shortly thereafter began to have meets with the Christians. Each taught the other his own method of turning, and both are still in use today. Great advances were made by the Austrian Zdrasky and his military troupe. Under his sponsorship the first distance ski run was held. Though this was not a great success, it inspired the Austrians and the Norwegians to learn each other's method. In this way skiing evolved into the popular outdoor sport that we know. It certainly is a shining example of achievement through international cooperation.

Because equipment is now made in quantity, its price is comparatively low. The automobile and the ski train have put some of the world's best ski runs in your backyard. There should no longer be any hesitation for young and old alike. Let's all get out this winter and try the most majestic, the most health-giving of all sports. I'll be back next week to give you more ski news. In the meantime get out the lacquer and the wax... it won't be long!

Holiday Fair To Be Held November 3

Looking forward to the holidays, the wise shopper will plan to be at Newtonville Methodist Church, Newtonville, Wednesday, November 3. There will be attractions for everyone, and all kinds of items to make the holidays a success, from homemade plum puddings and candies for Thanksgiving, all kinds of cards, gifts, and decorations for Christmas, to plants to cheer your home for the rest of the winter. There will even be a special booth where the children can do their own shopping.

Mrs. H. W. Scholl, 51 Morse road, is general chairman for the Fair; Mrs. Carl Swan is chairman of the luncheon committee which will serve a delicious 60c lunch at 12:15 p.m.; the dinner committee, under the chairmanship of Mrs. Elmer E. Colcord is planning a good, inexpensive dinner to be served promptly at 6:30 p.m. The Fair will be open all day and in the evening.

GOP Mayors Point to Bradford's Record

Mayor Theodore Lockwood reports an interesting meeting of 14 Republican mayors of Massachusetts at the Boston City Club, during which Governor Robert E. Bradford's outstanding record in behalf of cities and towns was extolled.

The Republican mayors went on record at this gathering to publicize the record of Governor Bradford to the best of their ability and to do their utmost to back the of all the mayors present at the affair. The state's work in raising millions of dollars for Old Age Assistance, Aid to Dependent Children, and Veterans' Benefits, was also praised. It was stressed that Bradford's plan to help finance all these obligations was accomplished without additional taxes.

St. John's Episcopal Church is holding a "Village Fair" tomorrow and Saturday.

PERSONALITIES in the Council of Churches

JESS D. TRAYLOR, President
Newton Council of Churches

"Go East, young man," was Mr. Jess D. Traylor's self-administered advice in his early years and it has paid off to the benefit of Newton, for as President of the Newton Council of Churches he is giving the current United Church Canvass, scheduled for November 28, plenty of drive and energy.

Jess Traylor is a native of Emporia, Kansas. After preliminary studies at Oklahoma A & M he attended the University of Denver where he graduated in 1923. After that he emigrated to Cambridge, Mass., where he studied

Babson Discusses "Free Power"

(Exclusive to The Graphic)

Babson Authentic Statement. Copyright 1948.
Publishers' Financial Bureau, Incorporated

Many readers of this column who have seen references in Time Magazine (August 16) and News-week (August 23) to my interest in "Gravity," are asking what it all means.

For 40 years I have been giving much study to the writings of Sir Isaac Newton (1642-1727) who was the world's greatest scientist. His Law of Action and Reaction is the basis of the Babsonchart which has been such a wonderful guide to me and my clients. His actual library has been moved from his London home to the Babson Institute. Mrs. Babson has one of the world's best collections of Newtoniana.

Among other Laws which Newton discovered were the laws of Gravity, upon which our life, health and happiness depend. This free power of Gravity now operates in connection with the circulation of our blood, with every step we take, as well as with every heartbeat. We are constantly defying Gravity whether walking upstairs, traveling in an airplane or getting high blood pressure. Hence, as Newton's Law of Action and Reaction has been so good to me, I have now determined to give time and money to his Gravity Laws.

We needed a location for the laboratory which would be 100% safe in case of World War III. Such a location has 12 requirements. (Any reader interested therein will be sent these 12 free on request). The place which fulfills these is the little town of New Boston, N. H. Here we have bought a building for our experiments directed along three lines. These should get underway by next Spring.

(1) The First will be to test the thousands of animal, vegetable and mineral products to see if one of these serves, to any extent to insulate Gravity. Every other form of energy—light, heat, noise, electricity and even atomic rays—can be insulated against. But there have been no systematic tests of all these thousands of materials to insulate against Gravity carried out in the manner of my friend the late Thomas A. Edison.

We may fail to find any such insulating material; but if we do find it, it will be one of the world's greatest discoveries. It might provide almost free power everywhere. (Any reader, on request, will be sent gratis a description of how this might take place.)

(2) Our Second line of endeavor will be to urge hospitals, police departments and insurance companies to keep an accurate record of all accidents (from broken hips to auto collisions), noting the date and hour of their happening and how they correlate with the phase of the moon and sun. Newton showed that this force of gravity effects us differently according to the Earth's nearness to the moon and sun on different days. Throughout the centuries people have believed that the moon affects the germination of seeds, the action of livestock, variations in sales and business, and even the health, judgment and habits of humans. Hence the words "lunatic" and "lunatic." Yet no accurate statistical studies have ever been made to ascertain whether these ideas are imaginary or based upon facts.

(3) Now for our Third line of endeavor. This free energy evident in tides, water powers, and in a hundred other ways—is tremendous. But why bother about these indirect and cumbersome ways of using Gravity? As this free field of energy is constantly being generated from the terrific fires burning within the planets, why not harness this energy direct? Why burn coal, oil or gas to get electricity? Why not use directly and universally this Gravity field of energy which already operates all water powers? Only the lack of an insulator prevents such use and this brings us back to paragraph (1) above.

We shall also keep records of all Gravity experiments by others and encourage those who are now working on similar projects. In short we are prepared to serve as a clearing-house for all Gravity research and are determined to be experts thereon. If only in part successful, we will bring to each reader of the Column untold personal blessings and through the conservation of coal, oil and gas—reduce the price thereof and make them available for other uses, reducing electric rates to consumers and increasing earnings for utility stockholders.

SYNOPSIS OF THE LAW Court Decisions

By Arthur W. Blakemore, Attorney

(The right to print, or reprint, any or all of these articles, is prohibited without permission of the author)

There is as much popular misconception of the nature of laws and the working of the courts as there is a widespread feeling that law is technical and hide-bound by precedents beyond the understanding of the ordinary citizen, that all cases should be decided by natural justice rather than by delving into musty law books.

The Eleventh Article of our Bill of Rights provides that "Every subject of the Commonwealth ought to find a certain remedy, by having recourse to the laws, for all injustices or wrongs which he may receive in his person, property or character." This means that each man's case should be decided like that of every other man, that we shall have government of laws and not of men. If you have certain claims which have been decided to be justified in another similar case you have a natural right to have your case considered with the same result without regard to your race, religion or personality, or station in life. Any other rule would be unthinkable and would not be that "certain remedy" guaranteed by the Constitution.

As an aid in deciding what are the rights of citizens in various situations the decisions of the Supreme Court are reported and arranged in digests so that any man who wants to take the trouble can ascertain what is the rule laid down in similar cases.

A Shopping I Would Go!

By PATRICIA PATENAUDE

Yes, you learn something new everyday! There is a new holiday, a wonderful holiday, called Sweetest Day. This day has an appropriate motto, "Make Someone Happy," and is certainly worth celebrating. It originated in Detroit and Cleveland, is being introduced in New York, and has begun to appear in Boston. Merchants send gifts to hospitals and homes; we try to give a little cheer to a friend. This Saturday, October 16th, why don't you plan to make someone happy. Sweetest Day can be your sweetest day.

Don't forget that I'm at your service for finding any shopping items you are having trouble with. Just write me, Box 205, Newton 58.

Something you must see are the new brother and sister outfits at Stearns. They are, at long last, something a little different, a little nicer, for the Little Folks. These sets are knitted of warm wool, and have long sleeves to chase away the cold. They come right from England where the very finest of woolen goods are made. The little suits come in two pieces. Both have the cheerfully colored sweater tops, and while the boy has snug, solid-color shorts, the girl has an adorable little skirt. I bet you have some little folks in mind right now who would look darling in these outfits. The sizes are 4 and 6 for the sisters, 3, 4 and 6 for the brothers. As for the price, you will be surprised to learn that the girl's suits are only \$5.95 and the boy's only \$5.00. It just sounds too good to be true. All I can say, however, is drop in or call and you will find a pleasant surprise for your effort.

There's something about the softness, the freshness of a rose. I saw some slender, delicate ones at the Flower Shop for the astounding price of \$1.00 a dozen. With Sweetest Day in view, they are a bouquet of friendly cheer for a dear one or "shut-in." Roses are a symbol of love. Send them to someone. You might also treat your own family to a brilliant array of fall flowers. It makes the day a little nicer, and fills your room with an air of hominess. And don't think dad and the kids won't notice. They will love it.

Plans, rehearsals, and arrangements for the Annual Girl Scout Dinner to be held at the Waban Neighborhood Club Friday evening at 6:30 o'clock, indicate an interesting and inspirational evening's program, said Mrs. Dwight P. Merrill, general chairman.

Newton Red Feather Girl To Be Selected Sat. Morning

As of Tuesday morning 13 contestants had entered in the Newton Red Feather Girl Contest. The judging will take place at the Newton Community Chest office, 93 Union street, on Saturday morning, October 16, from 10:00 a.m. on, and applications will be accepted through Friday afternoon.

Young single women, residents of Newton, between 18 and 25 may enter the contest, and if there are any who have not already sent in their applications and who would like to be entered, it is suggested that they make application through one of the following methods:

By telephoning the Chest office, LAsell 7-5210, any time during the day Friday, October 15, asking for an interview appointment, or by coming to the Chest office in person after 11:00 a.m. on Saturday for an interview as soon after that hour as can be arranged.

The winner of the Newton Red Feather Girl Contest will be awarded a complete new hair styling (cut, shampoo and wave), a Tuju Toilet Set, dinner for herself and her escort, a box of 3 pairs of nylons and a gift certificate from a local store. She will also be given flowers and candy. Names of the donors will be listed next week. In addition to an opportunity to appear before large Newton audiences as the Newton Red Feather Girl, the winner will be eligible for the Greater Boston Red Feather Girl Contest, the top winner of which will be given a screen test by United Artists, plus a trip to New York for the test via American Airlines.

Those whose applications were received up to Tuesday noon were: Miss Barbara Spack, 17 Prentice road, Newton Centre; Miss Beverly Quartermain, 10 Higgins street, Auburndale; Miss Edwina Ryan, 86 Norwood avenue, Newtonville; Miss Alice Bott, 116 Pearl street, Newton; Miss Emily Palmer, 134 Fairway drive, West Newton; Miss Delia Capasso, 67 Rangeley road, West Newton; Miss Virginia Coan, 1196 Walnut street, Newton Highlands; Miss Gertrude M. who will assist are Mrs. Thomas E. Crosby, Mrs. Keith C. Parris, Mrs. Walter Engel, Mrs. Robert Woods, Mrs. Carmen Santucci and Mrs. Darragh L. Higgins. Ticket sellers will be Mrs. John N. Craig and Miss Ruth H. Rothenberger.

Another opportunity for the business-like baby sitter will be made available when a series of two courses on the "Art of Baby Sitting" will be given at the Woman's Club Room of the Auburndale Club October 15 and 22 at 3:00 p. m. Girls of the Junior and Senior High schools who have expressed the desire to be listed on the "Sitters List" and any other interested young ladies are invited to attend. The first meeting will include talks by Mrs. Ernest G. Angevine of the Newton Chapter of the Red Cross and a visiting nurse on what the sitter should do in case of accident or sudden illness. The second meeting will feature talks by Mrs. Maynard Moody, Mrs. Charles Weden and Mrs. Robert Walker on what the sitter should do and how to do it. To meet the need of mothers of young children for responsible "sitters," the Community Service Committee of the Auburndale Woman's Club has, during the past two years, compiled a list of baby sitters in Auburndale and has sponsored courses for the training of "preferred list" sitters. Uniform rates of 35 cents an hour up to midnight and 50 cents an hour after midnight and uniform rules have been established. This was the first service of the kind to be sponsored in the country. Mrs. Kenneth B. Canfield, LA 7-3825, is in charge of the list this year.

Lasell-

(Continued from Page 1)

Feather Drive will be conducted at Lasell Junior College. Sponsored by the Lasell Community and Campus Association, collections are made from the students, and the proceeds are divided into contributions to the several community agencies.

On Thursday, October 14, Lasell will play host to the third meeting of the Massachusetts Association of Resident Junior Colleges. The policy of this organization is to better acquaint one another with the colleges represented, to work out problems pertinent to boarding schools, and to further the resident junior colleges in Massachusetts. The meeting will be an all-day session, beginning at ten-thirty, with the students serving coffee to the representatives in the faculty lounge, followed by a visit to the campus in general and a tour of inspection. A business meeting will follow, with Dean Tuppen of Endicott Junior College, chairman of the Association, presiding.

On Friday, October 15, Elsie Oaks Barber, author of the book "The Wall Between," will be the assembly speaker.

On Saturday, October 16, the Greater Boston Lasell Club will hold its first meeting of the

St. John's Episcopal Church To Hold Fair

St. John's Episcopal Church, corner Lowell avenue and Otis street, Newtonville, is having a Village Fair Friday, October 15, from 2:00-9:00 p.m. and on Saturday, October 16, from 10:00-9:00 p.m. There will be on sale excellent merchandise both new and used and a delicious assortment of home cooked foods and candies. In addition, there will be fun and games for all ages, a restful tea garden open during the afternoon, and a substantial supper served at reasonable prices both Friday and Saturday nights at 6:00 p.m.

This Fair is in support of a building fund to provide for much needed improvements in the Parish House and to provide, it is hoped, for a new organ. The Committees are as follows: Handiwork: Mrs. Francis B. Shuster, Mrs. Walter B. Chase, and Mrs. Albert R. Belsel, Jr. Food: Mrs. Allan H. Crosby, Mrs. Fred W. Burnham, and Mrs. John P. Kobrock.

year on the Lasell campus. There will be a picnic, followed by a business meeting, with Mrs. Eleanor Knight Bowering, president, presiding. Picnic chairman is Gertrude M. Quinn of 43 Oakwood road, Newtonville.

Warren Junior H. S. To Hold Parents' Night Next Tuesday

The first parents' night of the school year at Warren Junior High School, West Newton, will be held next Tuesday evening from 7:15 to 9:30 p.m. During this time parents will have an opportunity to become acquainted with the teachers. There will also be a meeting of the Parent-Teachers Association at which the purposes of the organization and its plans for the current school year will be presented.

On Tuesday afternoon, November 9, from 2:45 to 4 p.m. the first regular parents' afternoon will be held, when parents may discuss individual pupils with their teachers. Following this Tuesday of each month will be set aside for parent conferences. Parents are invited to make special appointments with teachers at times other than on the regular visiting days by contacting the school office.

RECENT WEDDINGS

Sylvester-Atwood

Scores of friends and relatives journeyed today to Edgartown on beautiful Martha's Vineyard to witness the marriage of Betsey Francis Atwood, daughter of Mr. and Mrs. Francis Clarke Atwood of Edgartown and Boston, formerly of Newtonville, to Thomas Oliver Sylvester, Jr., son of Mr. and Mrs. Thomas Oliver Sylvester of Wellesley, and formerly of West Newton. The marriage ceremony was performed by the Rev. William Thompson in the historic and dignified three hundred year old Congregational Meeting House at Edgartown.

The bride was attended by Mrs. John Lovewell of Wellesley as matron of honor and by Miss Nancy Hoagland of Newton and Mrs. Robert Bell of Malden as bridesmaids. Mr. Edward Merrill served the groom as best man and his Harvard classmates Mr. Bruce Gower and Mr. George Zahourika acted as ushers. The ceremony was timed to the arrival of the guests from the mainland. The ceremony and later reception were blessed with the most perfect weather which will cause the event to be long remembered not alone by the principals but by all the guests who were privileged to witness the unique reception and the unusual getaway of the young couple.

The reception took place in the garden of the bride's home, "Bonwood." The perfect warm weather, and the beauty of the garden setting at the height of its flowering season made a most unusual setting and background with a full view of Edgartown Harbor in the foreground. Such a setting enhanced the beauty of the costumes. The bride's gown was a period dress of organdy and real lace designed by Ceil Chapman. Her attendants' costumes were also period design in pastel colors and hoop skirts which were entirely in keeping with the quaint surroundings of the time scene.

After the reception, the newly married couple were most enthusiastically escorted to the pier in front of the house from which they embarked on the cabin cruiser Constance for a rapid trip to the mainland. Their honeymoon is to be a leisurely tour to Northern New England and to Montreal from where they will return and be at home after November first at 52 Maple street, Newton, Massachusetts.

Their guests returned to their homes throughout New England and New York after the departure of the newly married couple. Miss Atwood is a graduate of Stephens College and the University of Massachusetts. She is a member of Chi Omega. Mr. Sylvester, Jr., graduated from Harvard after three years in the front lines in Europe. He was a member of the Hasty Pudding Club, Institute of 1770, Speakers Club and the Air Borne Club.

The Rev. Arthur H. Block of the Lutheran Church conducted the first of the Vesper Services under the direction of the Newton Council of Churches, at the Stone Institute, Newton Upper Falls Sunday afternoon, at four o'clock. The last of the 19 scheduled services will be conducted June 5 by the Rev. Richard H. Schoolmaster of Newton Highlands.

Parish-Dinsmoor

At the Newton Highlands Congregational Church last Saturday afternoon at four o'clock, Miss Harriet Anne Dinsmoor, daughter of Mr. and Mrs. Clyde M. Dinsmoor of 8 Meredith avenue, became the bride of Mr. Gene Thomas Parish, son of Mrs. William D. Bashore of Mt. Pleasant, Ohio, and Mr. Wilbur T. Parish of Richmond, Ohio. Reverend Frederick Groetsma officiated at the ceremony and the reception followed in the church parlor.

Given in marriage by her father, the bride gown in ivory satin, with a long flowing train, her long veil of English tulle caught to an orange blossom headdress, carried a cascade of lilies, tuberoses and ivy.

The matron of honor, Mrs. Robert L. White of Bradford, Pa., formerly of Waban, was gown in American Beauty taffeta with a matching ostrich feather headdress and carried a Queen Anne bouquet of daybreak carnations and ivy. The maid of honor, Phyllis I. Levchuck of San Francisco, formerly from Peabody, Mass., was gown in peacock blue taffeta with a matching ostrich feather headdress and carried a Queen Anne bouquet combining Chinese pompano chrysanthemums, daybreak carnations and ivy.

The best man was Mr. Robert L. White of Bradford, Pa., formerly of Newtonville. Ensign Louis H. Martin and Mr. Robert H. Corbett, a cousin of the bride, both of Newton Highlands, were the ushers.

The bride's mother wore rose crepe and a corsage of pale pink mignon roses with white tuberoses. The groom's mother chose blue velvet and a corsage of blue and white roses and tuberoses.

The bride is a graduate of Newton High School and was a member of the class of 1947 at Simmons College. Mr. Parish graduated with the class of 1946 at Massachusetts Institute of Technology.

After a wedding trip to the South the couple will reside in Boston.

Dr. Kirtley F. Mather To Welcome Group

Mrs. Francis J. Flagg of Newtonville, president of the Boston Authors Club, and Haydn Pearson of Waban, vice-president, will be among those to attend the housewarming meeting of the Club Friday evening, October 22, at 7:30 at the new headquarters in the American Academy of Arts and Sciences building, 28 Newbury street, Boston.

Dr. Kirtley F. Mather, distinguished scientist of Newton Centre, will welcome the group. Dr. Mather is a member of both societies.

Named Co-Chairman Of Project Committee

William Dunn, 109 Langdon street, Newton, has been appointed 1948-49 Co-Chairman of the Project Committee by the Junior Advertising Club of Boston. Mr. Dunn served as Treasurer of the Club during the 1947-48 club year. The JAC starts its third year of reorganization with the 1948-49 season, and an active and enthusiastic group of young advertising people plan an interesting social and educational program.

Ham, and the Misses Bertha I. Berger, Alice Nash and Louise Walworth.

Mrs. Otis E. Stephenson will entertain a group of friends from Nashua, N. H.: Mrs. Dexter C. Whittinghill will be hostess to out of town guests; and Mrs. Chester P. Baker will have as her guests, Mrs. John A. Sargent of Brookline, Mrs. Carl A. Sargent of Boston, and Mrs. Gertrude A. Cumner and Miss Diana Cumner of Montreal, Canada.

Red Cross Conducts Fall Recruitment

The Need Never Ceases... Volunteer Now. So states an attractive folder being distributed currently by the Newton Chapter of the American Red Cross in connection with the fall recruitment campaign. For the two weeks beginning Monday, October 4th through Friday, October 15th prospective volunteers may go to the Chapter House located at 21 Foster street, Newtonville, between the hours of 10 and 3 for an interview.

There are many fields from which to choose. Those who are free to give only a couple of hours a week could drive a patient to a clinic or do an essential typing assignment at the Chapter House. In fact, driving and typing are two of the most pressing needs. Among the jobs requiring a full half day or more a week are instructing in crafts, performing the morale-building duties of the Gray Lady, helping to alleviate the still critical nurse shortage as a Nurse's Aide, or acting as a receptionist along with doing varied clerical work.

Out at Cushing Hospital in Framingham the volunteers can make a real contribution to the patients, bringing them a beneficial contact with the outside world which no medical staff can ever supply. Members of the Canteen provide refreshments for parties. Those working on Entertainment and Instruction see to it that there are dancing partners for the men and that a constant succession of variety shows, stage plays and hobby demonstrations is sent out.

Groups of women, supplied with their needles and thimbles, take on mending assignments. The Gray Lady stages a birthday party and Arts and Skills instructs in crafts. There are clerical jobs too, in the library, radio room or various offices.

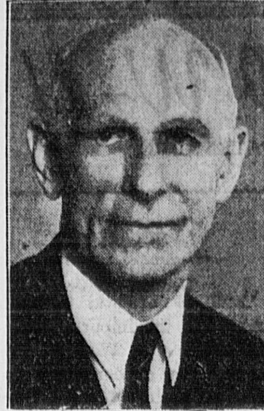

Red Cross can use people with a flair for publicity, such as writing or poster-making or planning displays. There is an opportunity for public speakers to tell the dramatic and human story that is Red Cross.

For those who enjoy committee work there are spots still unfilled in this year's personnel line-up. There is a great satisfaction to be had in watching a program unfold and develop under a little judicious guidance.

There are opportunities for men as well as women. Cushing Hospital is eager for Gray Men, and men to share their hobbies or for teaching certain subjects. Men are also welcome for committee work, driving and Speaker's Bureau.

Many who worked long and hard during the war to participate in a great appealing cause returned, at the close of that war, to a one-family way of life. Now there is evidence of a trend back to a desire for service, a desire for feeling needed.

The Red Cross "Courier" for September contains the following message: "In the United States and other democratic countries, our leaders are striving hard and earnestly to bring about a better world but their efforts will be in vain unless and until, as individuals and through our organizations, we give them enthusiastic support. No single program or organization can of itself solve the world's problems. But many such groups working toward a common goal can contribute substantially to the solution of these problems."

DR. FRANK C. LAUBACH, world renowned "Apostle of Literacy" and internationally known Christian statesman, is back in the United States after another amazing campaign in West, Central and South Africa. He will assist in the Sunday morning sermon at the Second Church, Congregational at West Newton, Rev. Robert Clyde Yarbrough, minister.

Newton Crittenton League Meets Mon.

Members of the Newton Circle of the Florence Crittenton League will hold their first fall meeting Monday at the home of Mrs. Richard S. Morse, 239 Windsor road, Waban, at one o'clock.

Luncheon will be served by Mrs. John H. Underhill and her committee which includes Mrs. William B. Plumer, Mrs. Gilbert Tolman, Jr., Mrs. H. Potter Trainer, Mrs. Frederick G. Stritzinger 3rd, Mrs. Neil Leonard, Mrs. Gordon M. Morrison and Mrs. Philip K. Brown.

New members, elected at the final meeting last spring, who will attend for the first time are: Mrs. Robert W. Blodgett, Mrs. H. Frederick Barnard, Jr., Mrs. Ben Halsell, Jr., and Mrs. Edwin M. Scribner.

The business meeting will be conducted by Mrs. Christopher E. Rice, President of the Circle, and plans for the Newton Circle's Baby Table at the Annual Florence Crittenton Bazaar will be announced by Mrs. George B. Bullock, Jr., Chairman of the Circle's Bazaar Committee.

Community Service Club Meets Wed.

The first meeting of the Community Service Club of West Newton will be held next Wednesday afternoon at 2 o'clock at the Second Church Parish House.

Mrs. D. Earl Brackett will preside. Guest lecturer will be Curtis F. Nagle who will show colored slides on "Skyways to Europe."

Mrs. Carleton L. Smith is in charge of the program.

Mrs. Harold W. Dixon and Mrs. Walter Kilvert are in charge of the tea hour following the program.

Mrs. Fred A. Bailey and Mrs. Stanley W. Mack will pour. All members are invited to bring a guest to the first meeting.

Dear Mr. U-Dryvit:

Rented a new U-Dryvit car and drove it over the Mohawk Trail last week-end. Lotta says she doesn't see how anybody can stay home with the whole countryside exploding into color all around. There's something in the autumn that brings out the best in a U-Dryvit car, too. I guess it makes even a car feel good inside.

Yours for efficiency,

A Thought for Fall

It is early, and yet, the warm tired shadows are begin-
ning to swallow patches of the ground. A brisk, happy
wind dances through the trees, revealing traces of yellow.
Yes, it is the end of summer and "Fall" is gently reminding
us of her coming. It seems strange that some people regard
Fall as a time of death. To me she holds life in the cup
of her hand. For whose step is not quicker in the gayety
and brightness of it all? Perhaps the rows of laughing trees
and flowers are as a parade, wishing us well in the winter
to come. Perhaps the blaze of reds and browns is a hint of
unknown beauty. Perhaps—well, call it what you wish.
But the heat of summer has been conquered. There is a
newness in the air that is contagious. Don't run away.
Look at the deep warm colors of the elms and maples, smell
the sweet rich odor of the earth, listen to the crackling of
the leaves under your feet, and enjoy this splendor. It is
yours.

THE COMMONWEALTH OF
MASSACHUSETTS
LAND COURT

To the City of Newton, a mun-
icipal corporation located in the
County of Middlesex and said
Commonwealth; Mary C. Fitz-
gerald, Delia A. Feeney, Thomas
R. Feeney, Anna G. Scully and
the Newton Cemetery Corpora-
tion, a duly existing corporation
having an usual place of busi-
ness in Newton, all of said New-
ton; and to all whom it may
concern:

Whereas, a petition has been
presented to said Court by John
W. Gahan, John W. Gahan, Jr.,
and Mary R. Gahan, of said
Newton, to register and confirm
their title in the following de-
scribed land:

A certain parcel of land with
the buildings thereon, situate in
said Newton, bounded and de-
scribed as follows:

Northerly by Commonwealth
Avenue, 152.16 feet; easterly by
land now or formerly of Anna G.
Scully, and by land now or for-
merly of Thomas R. and Delia
A. Feeney, 188.11 feet; southerly
by land now or formerly of
Mary C. Fitzgerald, 112.82 feet;
and westerly by land of the
Newton Cemetery Corp., 134.61
feet.

Petitioners claim as appur-
tenant to the above described
land a right to use a strip of
land ten (10) feet wide for all
usual purposes for which ways
are now or hereafter commonly
used in said Newton, said strip
being the southerly portion of
land owned by Thomas R. and
Delia Feeney, being lot 26 on
plan above referred to.

The above described land is
shown on a plan filed with said
petition and all boundary lines
are claimed to be located on the
ground as shown on said plan.

If you desire to make any ob-
jection or defense to said peti-
tion you or your attorney must
file a written appearance and
answer under oath, setting forth
clearly and specifically your ob-
jections or defense to each part
of said petition, in the office of
the Recorder of said Court, in
Boston (at the Court House), on
or before the eighth day of No-
vember next.

Unless an appearance is so
filed by or for you, your default
will be recorded, the said peti-
tion will be taken as confessed
and you will be forever barred
from contesting said petition or
any decree entered thereon.

Witness, JOHN E. FENTON,
Esquire, Judge of said Court, this
sixth day of October in the year
nineteen hundred and forty-
eight.

Attest with Seal of said Court.

Mr. and Mrs. John Jones (Bar-
bara Nielsen) of 41 Gay street
are parents of a daughter, Chris-
tine, born Oct. 3 in the Newton-
Wellesley Hospital. Mr. and Mrs.
V. A. Nielsen, 89 Chestnut street
are the maternal grandparents.

Mrs. John O. Brown of 3 Proctor
street, who has been annoyed
by young boys meddling with a
home-made cabin cruiser which
Mr. Brown is building in their
backyard, finally caught them
throwing a lighted rag into the
boat one day last week. She
turned in a fire alarm and al-
though she was able to extin-
guish the fire with a garden hose
before the arrival of the firemen,
she was in need of medical atten-
tion which was called in by the
men. Later Mrs. Brown met the
boys and their distressed parents
in her home and a satisfactory
settlement was made.

The following Newton Girl
Scouts took part in the closing
ceremony at the New England
Regional Girl Scout Conference

Mrs. Courtneage of Johnson City,
N. Y., were week-end guests of
the doctor's parents, Mr. and Mrs.
Ralph E. Courtneage of Eden ave-
nue, West Newton. He is an in-
terne of the Wilson Memorial Hos-
pital in Johnson City.

At a meeting of the Grover Cro-
nin Teen Age Board on Saturday
Miss Julia M. Spencer of Walker
street was elected vice-president
and Miss Joan Burnett of Waban
was elected secretary. Both
young ladies are seniors at New-
ton High.

Mrs. Genevieve T. Williams of
Newtonville avenue spoke of her
travels in South America, on Mon-
day afternoon at a meeting of

Newton Girl Wins Streamlined Bicycle

A nine-year-old Newton girl
who submitted a winning entry
in a contest sponsored by H. P.
Hood and Sons, is the proud
possessor today of a brand new,
streamlined bicycle.

Betty Emerson of 321 Ken-
drick street, Newton, was award-
ed first prize for her letter de-
scribing a visit last summer to
the Hood Cherry Hill Farm in
North Beverly.

Hundreds of letters were re-
ceived from young folks sixteen
years of age and under, who
wrote about the things at Cher-
ry Hill which impressed them
most. Four girls and two boys
were selected as winners of
three bicycles and three port-
able radios. The awards were
made at the Hood ice cream
plant in Charlestown, where the
guests-for-a-day were also treat-
ed to all the sundaes and sodas
they could safely consume.

Other highlights of the program include an address by Colonel George Stewart, of the U.S. Army Intelligence.

Navy Day Program Planned Oct. 27th

For some years, one day has been set aside annually as a special occasion for encouraging the people of our Country to become better acquainted with their Navy and its activities. October 27 was designated initially as "Navy Day" because it is the date on which the original Bill to create a Fleet was introduced into Congress in 1775. It is also the birthday of Theodore Roosevelt, often referred to as "Father of the Modern Navy."

Visit the shipyard at any time between the hours of 9 a.m. and 3:30 p.m. on October 27, when each trade will be functioning.

A Statement From Mayor Lockwood

All the citizens of Newton thank the Community Chest for a genuine effort to confine appeals for aid to a single contact. The agencies represented in this effort are primarily of first line importance to the successful life of the Community. I have observed the need of these agencies from close association with the work accomplished, and as Mayor, am grateful for the splendid assistance rendered in this general privilege of doing something for others.

That makes Newton a finer City in which to live.

F. W. Woolworth Co. Opens Modern Store On Center St.

Those who remember the tiny first stores of the F. W. Woolworth company are in for an eye-opening experience when they visit the new, modern Woolworth store that opened this week on Center street, Newton Center.

The new Woolworth store at Newton Center is the second largest in floor area in this section (7100 square feet). Everything about this store smacks of tomorrow's ideas in merchandising. A conveyor system in the basement speeds along the handling of the more than 9000 different items this store will offer. Small elevators to the main floor quickly carry replacements to the counters, so that there will never be blanks on counters caused by clerks running up and down stairs, to and from the stock room.

In the basement there is a —STORES—

Mobile Unit To Give Voting Information

The League of Women Voters of Newton announce plans for a mobile unit to be stationed each day in a different part of Newton to give out non-partisan information regarding the coming elections. The unit will start operating next Tuesday, November 2. The office will also be open from 9 a.m. to 5 p.m. the week before elections. Any person requiring voters information can either come to the office at 72 Columbus street, Newton Highlands, or phone DE 2-1166.

American Legion To Install New Officers

Newton Post No. 48 American Legion will hold its annual installation ceremonies of newly elected officers, Thursday, October 28, 8 P.M., at the War Memorial Building, Newton Centre.

Commander-elect E. Elmer Ross and the other officers will be installed by County Commander Anthony Sweeney and County Sgt. at Arms George Murphy.

Immediately following the installation ceremonies, there will be an old-fashioned Halloween Party in the cafeteria.

Newton Federation To Hold Meeting Mon.

The Newton Federation of Women's Clubs will hold its meeting Monday at The Second Church, West Newton, at 11 a.m. The hostess club for the day is the Community Service Club of West Newton of which Mrs. D. Earl Brackett is president. The meeting will be in charge of Miss Estelle G. Marsh, president of the Newton Federation.

During the morning session Mayor Lockwood will address the meeting.

After luncheon, at 12:30, the business meeting will begin at 2:00 p.m. Guests for the day will be Mrs. A. Chesley York, President M. S. F. W. C., and Mrs. Ernest A. Hale, 12th District Director.

Doctor Peter Y. F. Smith, Director, Chinese Mission of New England, will address the afternoon session following the business meeting. His subject is "Near East and Far East."

Hospital Aid Holds First Fall Meeting

Dr. T. Stewart Hamilton, director of the hospital, addressed the Board of the Newton-Wellesley Hospital Aid Association at the first meeting this fall, Tuesday October 19. Mrs. Ernest P. Ralback of Newtonville, president, introduced Dr. Hamilton.

From hospital affairs in general, Dr. Hamilton then directed the attention of his audience to the Newton-Wellesley Hospital in particular. Slides were shown of the new wing now under construction.

A business meeting followed the address.

Plans Complete for Halloween Parties In Newton Schools

Every Newton village is buzzing with expectancy, as more than 10,000 school children eagerly count off the days as Halloween draws near. Veterans of one or more celebrations are telling tiny first-comers so many tales of the jollities in store for them that the tiny tots' eyes are fairly bulging with the dream-world pictured. However the "veterans," themselves, not quite succeeding in making their pose of nonchalance convincing, are just as thrilled inwardly as the small fry, and wish the "big night" would hurry along. And even staid high school seniors are obviously looking forward to that grand dance all set for them up at the Totem Pole Ballroom, in Norumbega Park.

Mrs. Ragna Hovgaard, program chairman and the "spark plug" of all Newton's annual Halloween blow-offs since their inception, eight years ago, is all smiles, these days. "Everything is coming along fine," she says. "Organization work is excellent. Programs for the individual parties are practically complete. The chairmen and their committees have worked hard, and deserve a world of credit. Everyone has been cooperating. I'm sure that all this generous effort is going to result in the best parties we've ever had!"

Written reports of final steps in program planning have been reaching Mrs. Hovgaard steadily. All indicate that every detail is HALLOWEEN—

Eichelberger And Horton To Be United Nations Rally Speakers

"For the Public Good and Open to All" is the way Howard M. LeSourd, chairman, International Relations Dept. of the Newton Council of Churches put it when asked about attendance at this Sunday afternoon's meeting in the High School auditorium at 4 o'clock. We are expecting a really fine turnout because these two men have just come back from the European scene and are capable reporters and excellent public speakers."

CLARK M. EICHELBERGER, Director United Nations Association, who will be co-speaker at the United Nations Day Rally.

When asked the same question, Rev. Richard P. McClintock, secretary of the council, replied that the meeting was open to the public, and all should hear these two men, Clark M. Eichelberger and

Minding His Own Business

by Winfield C. Anderson, Alderman, City of Newton

Two stories will probably give most persons an idea of what I have in mind. With apologies to "K.V.P." and "The Scene", I give them.

First there is a parable in the "Book of Judges" which every preacher ought to read to his congregation each Sunday from now until November second: "The trees came together to elect a king. They nominated the fig tree. But the fig tree 'chose not to run'. He said: 'I can't neglect my sweet business of producing figs to hold office.' The olive tree also declined. He said: 'My business of producing olive oil is essential business. The country would suffer if I went into office.' Likewise the vine. He said: 'The country has to depend upon me for wine, which makes glad the heart. Why should I neglect producing grapes? Men would dry up without the old familiar juice.' One by one the better class of trees refused to run. In default of a good candidate, the trees chose a tough, crooked, grasping old bramble to be their king and he waved to and fro over the tree kingdom.

This story might have been written in Chicago or Boston or Washington, or almost anywhere in the U. S. Brambles dominate the City Hall, the State Legislature, the Capitol, because better men are reluctant to make the fight for good government. It involves personal sacrifice. It invites knoeks.

Political institutions do not run themselves. If they are for the people, they have to be of and by the people. What people? Either those who think of office as a public trust, or those who consider it a private crust.

We all want good government. We never get it by saying as we read our papers the morning after election: "I don't see how those fellows got in again."

Or are you like the fellow that minds his own business. You know him. He lives in every neighborhood and in every city block. Often he is a competent, industrious, thrifty person. His place is well kept. When not at work, he usually may be found at home. He pays his taxes but does not vote. He attends church but he will not work in it. He goes to lodge but he will not hold office. His children go to school but he will not take part in school meetings. He enjoys the beauty of his town but he will not belong to the horticultural society. He believes in world brotherhood but he does nothing to promote it. He minds that little part of his own business which lies within his own neat senses, but let something go wrong or displease him in the conduct of that greater part of his own business which is everybody's business, and he will squeal like a pig under a gate.

Vote on November second . . . Vote with a conscience of a Christian imbued with a moral and principle . . . NOT FOR POLITICIANS BUT FOR MEN AND IDEALS.

Newt. Centre School Association Holding Membership Drive

The Newton Centre School Association is having its membership drive, which under the direction of Mrs. Sylvester McGinn, promises outstanding results.

The program for this Drive is being executed under a system never before used. Members of this committee, who have acquainted themselves with the past activities, future plans and general aims of the Newton Centre School Association, are calling at parents' homes to inform prospective members of the excellent work already done, and what is planned for the future. This new system has two advantages. Not only will it increase the enrollment of the present 700 members, but it will stimulate interest in old members to take an active part in the varied programs planned for pleasure and better understanding of school endeavors and problems.

Mrs. McGinn's assistants are Mrs. C. G. Southmay and Mrs. George Pfannenstiel. The calling committee include Mesdames William Mullahey, Leo Milner, F. W. Murther, Wm. Meisner, Freeman Y. Porter, E. R. Johnson, John W. Watts, Halvor N. Christensen, O. P. Carter, Carl Packwinse, Elliott McClelland, W. H. Watkins, Theodore Feldman, Frederick E. Grant, Maurice Crevosahay, L. W. Jennings, Martin W. Newman, Jackson Turner, James Regan, Thomas M. Nee, Otis E. Stephenson, Weston T. Buddington, H. T. Leighton, A. Stone Freedberg, C. E. Trapp, Edmond F. Kneeland, Joseph Sisk, Paul Barabec, Reginald Morse, Samuel Bass, J. G. Willis, Donald MacMillan, J. P. Slamin, W. H. Hauser, Edward D. Leonard Jr., James R. Cobb.

Pros and Cons To Be Discussed At Meeting

The pros and cons of the referendum questions on the ballot are to be fully discussed at the next regular meeting of the Newton League of Women Voters. Mrs. Moses Lurie, Chairman of the Governmental Economic Policies Committee of the State League, and post-president of the State League, is to be the speaker. The meeting will be held at the Newton Highlands Workshop next Monday at 2 p.m., and all League members and their friends are urged to attend.

beautiful lounge room for the employees. It looks more like an exclusive club room than an employees room. Yes, there is even a radio where the girls may swoon to their heart's delight over their favorite crooner. Women who have difficulties in selecting colors and shades will no longer need run to the door to inspect the goods in daylight because simulated daylight by an abundance of fluorescent lights makes color selection and general shopping much more simple. This Woolworth store is the first in Newton to have a complete sprinkler system.

The new and enlarged Woolworth's has given much more employment to Newton people. The staff has been increased three hundred per cent, according to a statement made by Mr. N. E. Turner, the manager.

Some new departments have been added to the lines carried, such as lamps and shades and a new candy department carrying high grade candies, even to those featuring the holiday spirit. All in all the F. W. Woolworth store at Newton Centre is a welcome addition which will benefit both residents and other merchants.

The store is under the management of N. E. Turner who came here recently from Hudson. He is married and has a two year old daughter. From this reporter's observations, Mr. Turner is going to be a popular addition to our group of young executives in Newton. He has a fine personality, is unusually civic minded and we know he is going to quickly make a host of friends.

Letter To the Editor:

Editor, Newton Graphic:
"On October 14, 1948, the Chairman of the Firemen's Committee for the forty-eight hour work week criticized the Report of the Aldermanic Sub Committee, appointed by the President of the Board, as one which was a breach of confidence between the Firemen's Committee and the Sub Committee, and stated that the report was hostile to the firemen's cause. It further stated that one of the Aldermen who is also a member of the American Federation of Labor, should have filed a minority report, which, I suppose, meant an unqualified endorsement of the firemen's position. Since I am the only member of the Board of Aldermen who is a member of the American Federation of Labor, I feel, in all fairness both to myself and my constituents, that I should make clear my duties as an Alderman on this Committee.

"Under a resolution adopted by the Board of Aldermen on September 7, 1948, the Aldermanic Sub Committee was appointed for the following purpose. To secure the facts and figures of the cost to the city of the 48-hour week, if it is to prevail, and report to the full Board.

"I call the attention of both the Firemen's Committee and my constituents, to the limited objectives of the Aldermanic Sub Committee. We were not to study the 48-hour week and determine whether it should or should not be adopted. The Committee was limited to bringing in facts and figures relating to the cost.

"In carrying out our assigned task, we consulted with the Firemen's Committee and with the Chief of the Fire Department, and we reported to the Aldermen only as to the cost, should the measure prevail at the polls.

"There can be no two sets of costs to the city. How could I, as a member of that Committee, file a minority report showing a different set of figures? The Firemen's Committee refused to give us any figures, and we had to rely on the Chief of the Department.

"The report of the Committee shows that the measure, if adopted, would provide vacancies for 64 additional men—not 83 as stated in the Firemen's Committee statement to the press. These vacancies result from the necessary promotion of 19 members of the department to Lieutenant and 45 new men required to man the stations.

"Whatever may be my private, personal stand on this matter, I could not allow that to influence me one way or another in making a report as to the cost.

"If the facts and figures reported in the Aldermanic Committee's report are false, then it is up to the Firemen's Committee to show wherein they are wrong.

"Therefore, under the resolution as adopted, I could not file a minority report, and as members of this Committee, we were not authorized to advise the Board as to the feasibility of passing this measure one way or the other. As a matter of fact, this Committee recommended to the Board of Aldermen that they should take no sides in the matter, because it is wholly a prerogative of the voters.

"I have always been in sympathy with every working cause. I do not have to apologize for my stand on labor questions. I know that my friends on the Department and throughout the city will appreciate my explanation of my action.

Alderman James E. Murphy."

SYNOPSIS OF THE LAW Court Decisions

By Arthur W. Blakemore, Attorney

(The right to print, or reprint, any or all of these articles, is prohibited without permission of the author)

The Value of Court Decisions

LET US TAKE a simple case to illustrate how the system works. Suppose you are walking across the street in plain sight and are hit by an automobile driven at high speed without warning. Here your rights are plain. Suppose, however, you pop out from behind a parked vehicle and are hit by a car driven cautiously.

Suppose the driver is drunk. Suppose the driver, though drunk, is driving as carefully as would any sober man. Suppose you are deaf and would have heard the approaching driver toot his horn if you had normal hearing—or suppose you step from the sidewalk suddenly without looking, directly in the path of an approaching vehicle. Suppose you are walking where it is safe in the street and the approaching driver suddenly swerves into you to avoid hitting someone else who darts across the street.

These cases are more complicated and doubtful, are they not? But similar cases have already been decided and reported to aid you in determining your rights. These precedents are a great aid to you and if they did not exist you would be forced to all the trouble and expense yourself of obtaining a ruling from the Supreme Court.

These court reports are not "musty old law books" at all, but contain vivid pictures of all kinds of human activities and are the best possible guarantee to all of equal treatment in the protection of their rights. These law reports are filled with incidents like the ancient plaintiff who fell down a defective privy while the modern plaintiff falls down stairs or an elevator well—but the same principles of law may apply to both cases.

Then there is the great body of statutory laws enacted by the legislature to clarify existing rules or bring them in harmony with modern changed conditions or avoid apparent injustice and these statutes also—like the Workmen's Compensation Act and many other remedial statutes—form a mass of laws enacted to protect the rights of all.

A Shopping I Would Go!

By PATRICIA PATENAUE

The weeks just fly by! The heavy sweaters and coats are now out in full force against the sharp, lively winds. That's the trouble with Fall. It comes and goes so quickly that few of us remember to look around at the brilliant beauty. So take off an hour or two and shuffle through the leaves. You'll enjoy it. This week there's a surprise in store that is bound to save you a few pennies. Don't miss it! Comfortable? Well, then, let's go on a shopping spree.

You folks who live in and around Boston have probably overlooked the historic grandeur right in your own back yard. I have a booklet "Fascinating Trips to Historic Spots In and About Boston," and up-to-date map on the sometimes "confusin'" city. Just send 10c and postage to Patricia Patenaue, Box 205, Newton 58, and I will gladly send them both to you. It's time for you and the family to take a few enjoyable and educational tours while on those Sunday afternoon drives.

PRESENT THE BALDWIN FAMILY

The Baldwins are getting ready for Jack Frost's first nip. I met them at the Regent Shop Yesterday, Mrs. Baldwin, young and up-to-date, Pam, 5 year-old image of her pretty mother, and Peter, 3, a light haired little fellow with mischief in his eyes. (Daddy Baldwin was busy at the office.) It seems that snowsuits for the children and a new winter coat for mommie were first on the list. Tussling with an adorable one-piece snowsuit was Peter, completely enthralled with the cute hood. Besides having a rich blue shade, it was made of practical poplin, and all lined in wool. Peter was delighted, and so was Mrs. Baldwin at the wonderfully low price of \$12.95. Pam looked cute as a button in a warm all wool, red and green McKem snowsuit. It was snug as a bunny to keep out the snow, and had a perk matching bonnet. All for only \$21.45. With Peter and Pam all set, Mrs. Baldwin found a smart all season coat with "zip-in lining" in an attractive forest green. Having a slight flare and a catchy, casual look, it was perfect. It caught high at the neck for extra warmth. The price? A fine value at \$49.95.

And so the Baldwins, each with his own exciting new package under his arm, left for home. But the wardrobes have just begun, and they will be back for what's "next on the list." See you next week, Baldwin family.

Miller-Washer

In the Andover Newton Chapel, Newton Centre on Friday, October 15, Miss Barbara Washer, daughter of Mr. and Mrs. Lawrence E. Washer of 85 Shady Hill road, Newton Highlands was married to Raymond W. Miller, Jr., son of Mr. and Mrs. Raymond W. Miller of Springfield. Rev. Richard Keath, assistant minister of the First Baptist Church, Newton Centre, performed the ceremony which was followed by a reception in Noyes Hall.

The bride wore a gown of white chrysanthemums. She was attended by Miss Patricia Washer as maid of honor who wore frosted aqua moire and carried chrysanthemums. The bridesmaids, Miss Lois McCucas and Miss Norma Demirlan, both of Newton Highlands, were gowned in rose taffeta.

Mr. Clark Miller served as best man. The ushers were Lawrence Woods of Kane, Pa., and Robert Pratt of West Springfield.

On their return from a wedding trip to New Hampshire, Mr. and Mrs. Miller will live in Springfield.

The bride was graduated from Lasell Junior College. Mr. Miller was graduated from the American International College.

Evening Classes To Be Held For Nurses' Aide Training Course

Arrangements have been completed to hold evening classes on Mondays, Wednesdays and Fridays at the Newton-Wellesley Hospital for the training of Nurses' Aides, starting Monday, November 15.

Mrs. Edwin A. Meserve, R.N., of Newton Centre, will be the instructor.

Requirements for membership in the Nurses' Aide Service are: 1. Age between 18 and 55 when enrolled; 2. Satisfactory physical condition (physical examination requirements must be passed); 3. Graduation from high school or its equivalent.

Applications for preliminary interviews on October 19 and 26, and November 2 at 7:30 p.m. at the chapter house, Mrs. Ruth B. Taylor, La 7-6000.

Newton Radio Broadcasts

The first of the 1948-49 series of the Newton Public Schools radio broadcasts was presented over Station WCRB on Wednesday, October 13, at 3:00 p.m. The program consisted of interviews with fifteen Newton High school students who had recently lived and attended school in foreign countries. Mr. Leo Barry, an Administrative Assistant at the Newton High School and Director of Radio for the Newton schools, did the interviewing.

Insulation Offers Fuel Saving

If you are planning to buy a house, analyze each one you see for location, appearance, floor plan, structural features and mechanical installations.

The structural features of a house, though most important, are frequently overlooked. A well built house will require only a minimum of repairs, and is worth more in the long run for that reason. A house designed in good taste, well set in attractive shrubbery, will often command a better price than a better built house that has no architectural merit.

Serious defects in appearance or arrangement will decrease the value of the house in case of resale, and a poor location makes for daily unpleasantness. Defects in the heating plant, plumbing, wiring and lighting can be remedied only at considerable expense.

Weigh all the advantages and disadvantages of each house before you decide on the one you will make a home.

Call The Graphic office—LAsell 7-4354—and place your ad in the classified columns. The cost is low and the results great.

Insulation of a house not only makes it more comfortable in all seasons, but also represents a definite saving. Adding a half inch insulation may save 20 to 30 per cent on fuel; adding one inch insulation saves 30 to 40 percent.

If a house is weather stripped, less fuel will be needed to heat it. But if you add insulation, the percentage saving on the smaller fuel bill becomes even greater than when you had no weather stripping. Half inch insulation will save 25 to 35 per cent, and one inch insulation saves 35 to 45 per cent.

Modern heating plants employ three methods of heating; radiation, convection and conduction. Radiation is the direct projection of heat through space such as the heat of the sun. Radiant heat travels through air in straight lines without heating the air, and may be absorbed or reflected by objects in its path.

Convection is the transfer of heat by circulation, using any fluid medium such as air or water. Conduction is the transfer of heat through contact, as one end of a metal bar is heated if the other end is placed in a fire.

If you can't use it—someone can. Sell it through the Newton Graphic classified columns. Call LAsell 7-4354.

The first of the series of Men's Club suppers at the Union Church in Waban will be held on Wednesday, October 27th, at 6:30. Reverend Joseph C. MacDonald will speak about the trip abroad he and Mrs. MacDonald took this spring.

Last Sunday at 3 p.m., Erwin D. Canham, editor of the Christian Science Monitor, of 72 Crofton road, Waban, addressed a group of new students at Boston University. The topic of his talk was "Materialism Goes Bankrupt." The reception was sponsored by the Christian Science organization at the university. Last year Mr. Canham received the degree of L.H.D. at the graduating exercises.

Mr. and Mrs. Walter Hatfield of 312 Quinobquin road, Waban, recently returned from a very colorful autumn foliage automobile trip. They reported that the inns at which they stayed in Dorset, Woodstock and Northfield were most enjoyable.

Mrs. Herbert C. Bronsdon of 42 Parker street, Newton Center, is home after visiting her son, Bill, and his wife in Baltimore, Md.

Mr. and Mrs. Nathaniel Kinsman of 288 Waban avenue, Waban, have returned to their home after a summer spent in Gloucester.

Brighton That Corner

By SALLY GORDON

I have just moved and am trying to make use of a pair of drapes I have. They are green with herringbone stripes of gold with white fringe. I have the straight part of the drape hanging on white curtain rods, covering part of the small side windows. One section is draped on wood measuring 105 inches. The drapes need cleaning. Is there anything I can do with them myself?

I usually keep a lace cloth and a wooden bowl on my modern Swedish dining table. On my Welsh cabinet there are two shelves with ridges but they are not high enough for two lovely imported dishes so I have a cup and saucer on one side, a small colored dish on the other. My drapes are floral on beige and I drape them on the window seat. Could you suggest something else to add to the room? I also need new table lamps for my living room. Carpeting in both rooms is rose, davenport is du-bonnet, green and gold, chairs are green and gold.

We don't quite know what you want, Mrs. B., but if it's a wall color, let it be the same green of the draperies. If the draperies are washable, remove the lining and suds them separately.

Otherwise, let a dry cleaner clean them. Rose or gold would probably be best for table lamps.

Plate holders which you can buy in downtown stores would enable you to display your imported plates on the Welsh cabinet or on the wall if you desire. The lace cloth seems out of place with Swedish modern furniture. A colorful linen would be better.

(We'd suggest a color but you haven't told us the color of your wallpaper, and that counts too.) Contrive, if you can, some way of draping the dining room windows so that the drapes don't hang over the window seat. Perhaps you can sew the panels together and hang them, swag-fashion through decorator's loops. If you think you need more furniture in the dining room, a serving table would undoubtedly be a good investment.

For more color in addition to the bright cloth suggested for the table, make a tufted leatherette pad for the window seat. We'll help you with colors if you give us more information.

Please help me select living room drapes. There are three windows across the front with a two-foot space between each of them. The wallpaper has a light gray background with rose flowers and sprays of white leaves. Davenport is rose, rug is light green. I have gold, green and gray chairs. Library is canary yellow.

Plain light gray in an interesting texture would be the best choice for your draperies in view of the patterned wallpaper. Hang one full panel over each wall space, and have the side panels go over the wall. You could have a draped swag over the top, or a tailored cornice. If you don't care for either of these treatments, you might put the draperies on twisted wooden poles. We'll tell you where to buy them if you call.

We are going to move into a new home shortly and I would like a little help with the color scheme for the living room. There is medium blue carpeting; the walls are aqua. We have a wing chair in gray with a little red. Another chair is green, white and red slipcovered. Would cardinal red for a davenport and chair be

Read Rainwear Label Before You Buy

Read the label on a raincoat before you buy to learn the kind of protection you can expect from it, how the coat should be cleaned and whether the finish is permanent.

For wear in heavy rain a garment marked "waterproof" gives the best protection but may be hot, uncomfortable for general wear. Such a garment should have ventilation openings under the arms. The thread used for

stitching should also be waterproof so that dampness will not enter at the seams.

A coat labeled "water-repellent" is usually more comfortable for ordinary wear but may not give complete protection in a drenching rain. Some of the finishes on these cotton fabric coats are gradually lost with wear or dissolved in dry cleaning and must be professionally renewed.

For warmth as well as rain protection there are reversible coats of wool with water-repellent cotton linings. The best of these have removable linings. Otherwise, satisfactory cleaning is difficult because the cotton needs washing, the wool dry cleaning. If one fabric shrinks more than another in cleaning, the appearance may be spoiled.

Many women find that the thin plastic raincoats which may be carried in a handbag are the best shower protection. The plastic does not soil easily, is light but waterproof, easy to slip over garments.

Use soap and water, never leaving fluids on plastics or on rubberized fabrics.

Mr. and Mrs. Hugh Munro and Mr. and Mrs. Frank Swenson, both of Waban, were seen at the opera house attending the gay musical "As the Girls Go."

LOWER ELECTRIC RATES FOR 356,000 HOMES

An Important Message from Boston Edison Company

The following paragraphs are from a formal communication to the Massachusetts Department of Public Utilities by James V. Toner, President, Boston Edison Company, under date of Oct. 14, 1948.

The Boston Edison Company will file a new Residence Rate B, applicable to residential customers on or about October 29, 1948, to become effective December 1, 1948. This new rate schedule will grant reductions to 356,000 residential customers, varying from a minimum of 8 cents a customer per month, to a maximum of 24 cents a customer per month. These reductions will not apply to the other 11,000 residential customers whose average use is fewer than 12 kilowatt hours a month. This reduction will amount on an annual basis to \$612,000.00.

"A reduction in rates such as that proposed for our residential customers is, of course, at variance with the general upward trend of all prices and costs. However, the management of the Company believes that considering the improvement of its electric load, the possibilities of added revenue from other schedules, the economies resulting from installation of new high-efficiency facilities, and the observance of the highest degree of operating efficiency, this reduction now appears to be within the Company's capacity to absorb, unless costs of all kinds should advance substantially above present levels, or unless there should be a drastic and precipitate shrinkage in gross revenues. If either of these events occurs, relief will have to be requested from the Department of Public Utilities in order to keep the Company on a sound financial basis; but this would be true whether or not the Company should make the proposed reduction.

"However, it is the sincere hope of the management of the Boston Edison Company that the downward trend of the price for electricity in the home will continue, and that electricity will continue to be the shining exception to the rule of high prices."

Full details of this second post-war rate reduction will be published when the new schedule is filed next week.

Herter Receiving Strong Support

Congressman Christian A. Herter, widely acclaimed as the outstanding member of the national House during the past two years, was receiving strong support from Democrats, Republicans and Independents alike this week in his campaign for reelection.

Not only has Herter won warm praise for the service he performed for the people in his congressional district, but he was selected by *Colliers Magazine* as the member of Congress who rendered the most distinguished service to his country during the term just ended.

Herter is generally regarded as one of the outstanding experts in Congress on international problems, whose study of conditions in Europe a little over a year ago provided the vital information on which American aid to European countries was largely based.

One of the prominent Democrats who has called for Congressman Herter's reelection is City Councillor Walter D. Bryan, one of the most respected members of Boston's municipal government.

Republican Drive In High Gear In State

With Gov. Thomas E. Dewey, presidential nominee, making a major address in Boston, candidates on the state ticket are crossing the Commonwealth in a series of rallies and receptions and making numerous radio addresses, and tons of literature setting forth the issues of the campaign and the qualifications of the G. O. P. nominees being distributed, the Republican drive for votes will go into high gear next week.

Governor Dewey's invasion of Massachusetts will be the focal point of the national campaign in the final week of the campaign. His major address will be delivered in the Boston Arena the night of Oct. 28. It will be broadcast over a nation-wide network.

Coolidge Urges An Expanding System

"You will never get substantial reductions in government spending until you convince the average American that he will receive more advantages from an expanding system of healthy private enterprise than he can momentarily wrangle from the Great White Fathers in the wigwams of government."

Lieutenant Governor Arthur W. Coolidge expressed this sentiment when he stopped in Newton on his "cracker-barrel" tour of the state.

"Because the Republican party believes in curtailing reckless government spending, encouraging free enterprise and discouraging the centralization of all government activities in Washington, Dewey and Warren, Governor Bradford and his associates and Senator Saltonstall will receive the votes of the serious-minded people," the Lieutenant Governor said.

"I am proud to be the Lieutenant Governor of the people of Massachusetts," he continued. "Our state is the 'cradle of liberty,' the birth of free enterprise and the starting point of the labor union movement—three milestones in human progress."

"We aspire to team work between capital and labor under wise and forward-looking government so that our factories, mills and stores can prosper and thereby our workers can steadily advance along the road to better working conditions, better hours and better pay."

Lieutenant Governor Coolidge said he had been surprised at the extent of the feeling of voters that it was time for a change in the White House.

"I knew there was a mounting tide for the Republican candidates but I was not aware it had reached such proportions until I began this tour," he said.

Lieutenant Governor Coolidge paid tribute to "my old friend, your able mayor," declaring that Newton was fortunate to have such a man as Theodore Lockwood as chief executive.

Four Chess Teams In Metropolitan League

Newton Y.M.C.A. has entered four teams in the Metropolitan Chess League for the winter season.

Class A—The Intruders—Captain Russell A. Fitz, the well-known teacher in the Newton High school mathematics department and a chess enthusiast for many years. They will play on Friday, October 22 the Greater Boston Chess team at the Boston City Club. Their opponent has most of the strongest chess players in New England including Weaver Adams, winner in the recent U. S. Chess Federation's Open Championship Tournament.

Class B—The Commonwealth team, George Hopwood of Watertown, captain. They will play Brattle Team II of Cambridge on Oct. 22 at the Phillips Brooks House, Cambridge.

Some Vets Can File Claims Under Act

"If you were a prisoner of war and did not receive payment for labor performed, were mistreated, or had property seized while a prisoner, you can file a claim with the government under the War Claims Act of 1948, recently signed by President Truman," Joseph H. Randall, home service chairman of the Newton Red Cross Chapter announced.

"When the claim is filed," Mr. Randall said, "you should forward affidavits, accompanied by any corroborative evidence available to the appropriate office." If the claimant was in the Army he should address his claim to "Office of the Adjutant General, Department of the Army, Washington 25, D.C., Attention: Chief, Operation Branch." If the claimant was in the Navy, he should address his claim to "Claims Section (POW Claims), Office of the Judge Advocate General, Department of the Navy, Washington 25, D.C."

The new law also states that if the enemy government did not feed a prisoner properly, under the terms of the Geneva Convention, he may also file a claim.

All claims, including those now on file, will be turned over to the War Claims Commission when it is established. The commission will study the claims and make a report to the President, who in turn will submit it to Congress on or before March 31, 1949.

"Any local resident who needs help in filing his claim may ask the Red Cross for assistance," Mr. Randall said. The local Red Cross Chapter is at 21 Foster St., Newtonville, Mass.

Hallowe'en—

(Continued from Page 1)

so well in hand that every party should run smoothly.

Allen W. Stone, building chairman for the Davis School gathering, states that plans are all shaped up for their parties in which more than 300 children will participate. Features include games, bubble gum contests, movies, a parade and a Chamber of Horrors that will specialize in scare-makers borrowed from haunted houses. The committee assisting includes: Orville W. Clapper, assistant chairman; George Wooster, Max Branninger, Mrs. Guy King, Mrs. Frank Kohler, Mrs. Lawrence O'Laughlin, Mrs. Ralph Chisholm. Room mothers are Mrs. W. M. Hodgkinson, Mrs. Hiley Dittmars, Mrs. Robert Bankart, Mrs. Alfred Henback, Mrs. Charles Mason, Mrs. Wilbur Houlihan, Mrs. Frederick Kennedy, Mrs. Joseph Spillane, Mrs. George Stout, Mrs. A. E. Voysey, Mrs. Edward Ball and Mrs. Warren Dutton.

Mr. and Mrs. Arthur Gath, building chairman for the Carr School parties, expect 250 children to attend. There will be no Chamber of Horrors at the Carr School, but a humorous magician is to entertain. Recording music will keep feet tapping while games are going on. Movies are also scheduled and there'll be favors, prizes and refreshments. The building chairman also report that Mrs. Francis Dahl has been appointed as the new room chairman for Grade 5.

A five-piece orchestra has been engaged for the 8th and 9th grade together at St. Paul's church, Newton Highlands, according to Robert Foote, building chairman. More than 125 are expected to share the ghouls, with movies, followed by a tour through a grim Den of Horrors; dancing, games, songs and stunts. Cider and refreshments will be served. The various committee chairmen are: Mr. and Mrs. Edgar Swail, Mr. and Mrs. Pilschapple, Mr. and Mrs. Richard Chapple, Mr. and Mrs. Ralph Nutter, Mr. and Mrs. Hulman, and Messrs Smith and Handley.

Mrs. Ralph McGrath, building chairman of the St. Bernard's School parties, Newton Catholic Club, West Newton, reports more than 500 children are expected. Games have been carefully planned, there will be a grand march with costume prizes, and many feature stunts are scheduled. On the committee are Mrs. Anthony Bonica, Mrs. Joseph Clancy and Mrs. Thomas McEnaney, R. N. Among those assisting on Hallowe'en are Mrs. Joseph McGaffigan, Mrs. Harold Elliott and Mrs. Arthur Kelleher, Mrs. James Curtin, Mrs. Joseph Lunney, Mrs. George Mead and Mrs. Martin Melanson.

About 710 children of the Mason and Rice schools, Newton Centre are expected, say Mr. and Mrs. Robert Straley, building chairmen. A party for the kindergarten, 1st and 2nd grade children is planned Saturday afternoon, from 3 to 4:30 at the Mason school. The older children's party is from 6:30 to 8:30. There will be movies, room parties, and a Chamber of Horrors arranged by Stanley Rich and Kenneth Edgar. In the rooms, there will be a costume party. The following room chairmen have been appointed: Mrs. Rexford Goode, Mrs. A. W. McGrath, Mrs. Paul S. Barabee, Mrs. Stanley Rich, Mrs. Leo Milner, Mrs. William Ripley, Mrs. Leo Shore, Mrs. Stewart Holmes, Mrs. Howard Rubin, Mrs. Donald Prall, Arthur Chamberlain, Mrs. Leonard Kaplan, Mrs. Robert Levi, Mr. and Mrs. Robert Pettit, Mrs. John H. Kelso, Mrs. Irving Polen, Mr. and Mrs. Robert Purington, Mrs. Milton Grayson, Mrs. Leon Bayard, Mr. and Mrs. Cullen Moore and Mrs. Ruth Stevenson.

Mr. and Mrs. Edwin C. Harkins, building chairmen, announce plans now well formulated for the party at the Normandie Room for the pupils of the Levi Warren Jr. High school. The evening will start off with a spirited Community Sing, with Mrs. Lester York at the piano. Prof. "Oakie" Harkins will conduct the quiz show, "Winners All," with prizes galore for lucky contestants. Movies will follow. After refreshments, there will be dancing. Assisting Mr. and Mrs. Harkins are Mr. and Mrs. Samoylenko, Mr. and Mrs. Harry Thompson, Mr. and Mrs. Irving Kelley, Mr. and Mrs. Robert Woods, Mr. and Mrs. Reginald Smith, Mr. and Mrs. Clifford Beecher, Mrs. Lester York and Gordon McCabe.

Movies, a Spook House, songs, a grand march and a bagful of surprise stunts will feature the party for pupils at the Underwood School, Newton, from 3:30 to 5 p.m., according to Mrs. Henry C. Jones, Jr., building chairmen. Committees include Mrs. Robert L. Siegel, Mrs. Renier Beuwkes, Mrs. Arthur Van Wyngarden, Mrs. William G. Preston, Mrs. Wilbur Hayes, Mrs. John A. Campbell, Jr., Mrs. George Gray, Mrs. Merio J. Aiello, Mrs. Fred Hawkins, Mrs. Charles Kimball, Mrs. William M. Brady, Mrs. Robert S. Bolan, Miss Nugent, the school's acting principal; Mr. Acomb, absentee principal, Mrs. Henry Balos and Mrs. John Dawson.

Frank Fields, building chairman, states about 225 children are expected at the Lincoln-Elliott school parties. Featured will be games for each age level, a costume parade, contest of various kinds, and a Chamber of Horrors with plenty of thrills to satisfy even the hardest youngsters.

Highlights of the parties to be held in the Warren Jr. High school

Others taking part are Stephen Bowers, Paul Steinberg, Jean Bowers, David Coulter and Joseph Marotto, plus the following: Janet Corcoran, Caryl Greene, Janice Leavitt, David Gernes, David Reed, George Smith and Charles Smith.

The Back Yard Gardener

My note of last week about a selective weed killer for crab grass in the lawn prompts me to add a word or two about other types, but first let me remind you of something which happened last year.

Many of you, I'm sure, found damage this year to your evergreens, the needles turning brown. This was because they didn't have enough water to last them through the winter. In our neck of the woods, it looks as though old Mother Nature is repeating herself. The ground is very dry and, unless we get a lot of rain between now and freezing up time, evergreens are going to suffer damage next winter.

In other words, if you have a valuable evergreen, see to it that it has plenty of water before the ground freezes. It's pretty hard to give any definite amount, but here's a basis on which to start. Seventy-five to a hundred gallons of water to a tree six to ten feet high. This can be applied by simply putting the hose on the ground next to the base of the tree. Of course, you'll have to use your judgment as to how long to leave the hose there. An hour or so for three days should give the tree plenty of moisture for winter.

Incidentally, you probably know that a lot of your trouble in evergreens dates back to the time when you planted them. You neglected to do a good job. The soil which you use when planting evergreens should be about one-third peat moss or leaf mold. Evergreens can be planted in the fall provided you get them in so that they'll have from two to four weeks before the roots freeze solid.

On this weed killing business, according to the experts up at the state university, there's considerable promise ahead. Many promising weed killers are being experimented with, but the experimenters would prefer not to make recommendations just at the moment.

However, one thing that can be recommended is the use of ammate in killing witch grass. October seems to be the most effective time, although October

Only 55 Cases Of Polio In State During September

Polio cases reported in Massachusetts totaled only 55 in September, with 16 recorded during the first two weeks of October, Dr. Vlado A. Getting, commissioner of public health, announced today.

"Polio myelitis is at the lowest level it has been in this state since 1942," the commissioner pointed out, "although the number of cases in the United States as a whole has been comparatively high." National figures totaled 17,653 by Sept. 25, as compared to 6,498 in 1947 and 17,206 in 1946. Communicable disease reports for the Commonwealth show the usual seasonal increases in three diseases: Pneumonia totaled 276 cases in September, 76 in August; scarlet fever totaled 107 in September, 74 in August; and whooping cough totaled 268 in September, 209 in August.

Concern was expressed by Dr. Getting over the number of cases of diphtheria. Twenty-eight were reported in September and 18 in August.

"There is still too much diphtheria, for a disease that is completely preventable," Dr. Getting emphasized. The majority of September's cases were in unimmunized persons, although some were in persons who had failed to have booster doses.

Marked decline was noted in the following diseases for September, as compared to August: Mumps dropped from 428 cases in August to 351 in September, measles from 585 to 203, chicken pox from 163

to 135, tuberculosis from 285 to 203, and dog bite from 1.21 to 1.005. Despite the decline in mumps, the disease is still at the highest level since 1916.

Vote YES FOR LICENSES

TUESDAY, NOV. 2

- Prevent the return of Prohibition, the racketeer and lawlessness. Continue in force the orderly Government control of all alcoholic beverages.
- Prevent a rise in your personal income tax. Continue the flow of millions of dollars in taxes paid yearly to the Community, State, and Nation by the Alcoholic Beverage Industry.
- Prevent your personal rights and privileges from being taken away because of your own neglect to vote 'YES' on the 3 alcoholic beverage license questions.

TOP OF LAST COLUMN ON BALLOT QUESTION NUMBER 9-PARTS A-B-C

Be sure to cast your 'YES' votes on these 3 questions. Any other vote or a failure to vote will carry Massachusetts toward Prohibition and all the attendant evils which it brings.

QUESTION NUMBER 9	YES	NO
A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

COMMONWEALTH OF MASSACHUSETTS

LAND COURT

PETITION TO FORECLOSE TAX LIEN

No. 3799

To All Whom It May Concern, and to Timothy J. Regan, Mrs. Timothy J. Regan, Mrs. Charles J. Roach, Mrs. Raymond J. Richard, residences unknown, or their heirs, devisees or legal representatives; Any persons interested in the D. B. MacClellan, Inc., a corporation now or formerly doing business in (West) Newton, in the County of Middlesex, and said Commonwealth, who have not released their interest in the land hereinafter described;

Whereas, a petition has been presented to said Court by City of Newton, a municipal corporation, located in the County of Middlesex and said Commonwealth, to foreclose all rights of redemption from the tax lien proceedings described in said petition and concerning a certain parcel of land situate in City of Newton in the County of Middlesex and in said Commonwealth, bounded and described in said petition as follows:

Pel. #1: "About 10,420 Sq. Ft. of land on Rochester Road, being more particularly described in Section 16, Block 1F, Lot 45 of Assessors' Plans."

Pel. #2: "About 14,830 Sq. Ft. of land on Everest Road, being more particularly described in Section 16, Block 1F, Lot 46 of Assessors' Plans."

Pel. #4: "About 6,278 Sq. Ft. of land and building on Noble St., being more particularly described in Section 33, Block 6, Lot (10) 16 of Assessors' Plans."

If you desire to make any objection or defense to said petition or your attorney must file a written appearance and answer, under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), on or before the fifteenth day of November next.

Unless your appearance is filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

And in addition to the usual service of this notice as required by law, it is ordered that the foregoing citation be published forthwith once each week for three successive weeks in the Newton Graphic, a newspaper published in said City of Newton.

Witness, John E. Fenton, Esquire, Judge of said Court, this thirteenth day of October in the year nineteen hundred and forty-eight.

Attest with seal of said Court, ROBERT E. FRENCH, Recorder.

Thirty-seven Per Cent Subscribed Prior To Dinner

Thirty-seven per cent of Newton's goal was reported at the Campaign Dinner opening the Newton Red Feather Campaign by Riley Hampton, Newton Campaign Chairman, as having been subscribed prior to this dinner. The total subscribed was \$116,000, and represents 58.2 per cent of the combined goals of the advance divisions.

The dinner launching the general Campaign was attended by more than 800 workers. Dr. Lindsey F. Kimball of New York City, President of the U. S. O., was the guest speaker. Dr. Kimball, in a fine address, said, "While nine years ago the men in the armed forces were 90 per cent professional soldiers, today less than 20 per cent are in this class. The balance are young citizens who are temporarily in the Army, and who will in a short time return to their own communities. Of the one and a half

Lay Leaders To Address Local Church Groups

Contrary to usual Sunday Church custom, the people in the pews will have an opportunity to express themselves on Sunday, November 14, when selected lay leaders will address the congregations of several Newton churches in connection with the United Church Canvass sponsored by the Newton Council of Churches.

The general theme of these talks by laymen will be "The Need and the Challenge of the Church in the World Today." But the application of the theme will be varied in the local church. The talks are given to prepare the people of the Protestant churches in the Newtons for a positive response to "Say YES to your Faith, Sunday November 28," the latter phrase being the slogan as well as the theme of the United Church Canvass.

When releasing the names of the speakers in the local churches, the Rev. Richard P. McClintock, Executive Secretary of the Newton Council was asked to comment on the general purpose of the United Church Canvass. He said, "It is a mistake to think that this is merely a drive for money. Money, as useful and as necessary as it is in the operation of our church

Mayor Lockwood Will Officiate At Event With David Mugar, Son of Owner

Newtonville sidewalk superintendents will all lose their jobs at 10 a.m. Wednesday, November 3. That is the date that Mayor Lockwood will officially open the New Star Market at 279 Walnut street. He will be assisted by David Mugar, son of the owner and creator of the Star Markets that are now located at Watertown, Wellesley and Somerville.

Thirty-three years ago Stephen Mugar, president of the Star Market Company, made a small start in the grocery business. Little did he dream that today his would be one of the largest and most modern super markets in this part of the country. Such a growth is the natural result of his determined avowal to give his customers more than they could reasonably expect in quality, service and low cost.

Don't Gamble with your Family's Safety

A legal flaw in your arrangements for your family's welfare after your passing may result in heavy loss for those whom you want to protect.

Such a defect may exist without your knowing it: a result, for instance, of new laws enacted since your will was made.

Don't take that chance with your family's future. The smaller your estate, the less able will they be to endure necessary losses resulting from legal technicalities you never heard of.

Make sure your beneficiaries will be legally safe. Your lawyer's fee for that assurance will be a highly profitable investment in family protection. See him without delay.

Hallowe'en Parties Likely To Attract Over Ten Thousand

Ten thousand young people, from kindergartners to high school seniors, are experiencing the tense expectancy of a theatre audience when the lights slowly dim and the curtain is about to rise. Hearts are beating faster; eyes are brightening as they visualize the gay sights to come; and vivid imaginations are alerting in contemplation of the many yet-to-be-revealed events.

In a word, Newton's annual Hallowe'en celebration—undeniably the "big night" for every fun-loving boy and girl in the city—will explode into actuality this Saturday.

Weeks of serious work have gone into it. More than 1400 men and women have cudgeled their brains ceaselessly to produce novel features for the 240 separate parties. Committees have met frequently to solve a thousand problems. And out of it all has emerged a complete, smooth-running, well-planned enterprise that stands out as a brilliant example of unselfish, far-sighted co-operation. Newton can take great pride in its Hallowe'en parties. It can take even greater pride in the human, warm-hearted folks whose untiring efforts made those wonderful parties possible.

Quincy Barely Wins Over Newton 13-12

By MARVIN R. GOULD

Last Saturday, a strong Newton High team scored a moral victory over Quincy High, though a defeat in the score books, before some 5,000 fans assembled at Dickinson Memorial Stadium. The score read: Quincy 13, Newton 12. Yet the hometowners were still on top as Quincy was a strong favorite.

Newton's first score came late in the first period when a Ralph Barisano to Joe Wright pass clicked to the visitors 35. On the very next play Wright crashed off left tackle for the tally. Frankie Tanner's dropkick was blocked. At the close of the period Newton led by 6 points.

The Granite City boys came right back at the Orange and Black in the opening minutes of the second canto and again in the closing minutes. Their first tally came on a pass from Aldo Lombardi to Charles Pappas good for 35 yards and a TD. The

Max K. Gilstrap will present a colorful talk on "Adventures in the National Parks" Thursday evening, November 4, at the Eliot Fair Festival, Eliot Church, Newton. He will tell anecdotes of the National Parks and of their many rangers, and will show colored motion pictures of Yosemite and the Grand Canyon.

Mr. Gilstrap's lectures are planned to entertain the entire family. One of his specialties is his imitation of birds. Not content with his own abilities, however, he asks his audience to do likewise, and soon the hall is filled with chickadee and robin calls by everyone from the grade-schoolers to grandma. The talks are always fun and educational, and the time, 7:45 to 9 P.M., is early enough so that everyone

Vote On Three License Questions

Voters should not overlook the importance of the three beverage license questions which, in accordance with statute, will appear on the ballot this year. Through them, the citizens of each of the 351 cities and towns of this Commonwealth are given the right to choose either a continuation of orderly Government control of the sale of alcoholic beverages, or a return to the era of Prohibition, with its attendant evils of bootlegging, racketeering and general lawlessness. On the economic side it is a well recognized fact that a return to Prohibition would mean loss of employment by those whose livelihood is gained from the sale of alcoholic beverages and allied industries and a huge loss of tax revenue now paid to the community, state and nation.

Vote, Tuesday, November 2nd

It is the prerogative of Newton citizens to go to the polls and vote on Tuesday, November second. There are many ideologies that do not permit their citizens to vote.

We should all vote! However, it is imperative that we all vote intelligently. In order that we may formulate our opinions the Commonwealth of Massachusetts has mailed each registered voter a circular from the office of the Secretary of the Commonwealth. It is up to each and every one of us to read this! This document should be perused and inwardly debated before going to the polls, so that each one should be familiar with the issues involved.

Each should also weigh carefully the potentialities of the candidates with respect to their integrity and ability and whether the things they stand for will be of the most benefit to our great state and nation. Then, vote!

Hallowe'en Vandalism

By Jane Mullineaux

Once again the hour is drawing nigh when it is time for howling winds to whip around the corner and witches to ride their broomsticks from the moon. Yes, Allhallow's eve. But let's try to make it a hallowe'en! Of course the children should have fun on this night. Why not supervised fun? There will be all sorts of parties for the different age groups throughout Newton. You can find out from your school the time and location of these parties.

On your way to and from your festivities restrict your fun to a little harmless door bell ringing. I have a neighbor who takes great delight each year in greeting all the big and little spooks and ghosts that come to her door and gives them apples. So you see, we do not advocate cutting this out. However, we not only advocate but we demand that this juvenile vandalism be ended this year. Too many harmless jokes turn out to be a great loss. We realize that the boys and girls of Newton do not make a habit of defacing and ripping down the property of others; but when they are with their own special gang or chum the spirit of the evening prevails and oftentimes gets out of hand. It must not get out of hand. Why should the night of October thirty-first be a night of wrecking property any more than any other night in the year? Do not be one of the offenders. Be good! Happy Hallowe'en!

The 48-Hour Issue

So far as Newton voters are concerned, the major issue to be decided locally is the referendum pertaining to a 48-hour week for firemen.

There are two sides to this proposal and it is decidedly an issue which the electorate must decide.

First, let no one delude himself that a 48-hour week will not increase somewhat the cost of the fire department.

Second, is it fair and right to expect one group of city employees to be on duty 70 hours a week while other employees work considerably less hours?

Much more might be written but in the last analysis, the issue boils down to these two facts.

It is, therefore, plain that upon the electorate of Newton rests the decision on Tuesday.

Babson's War Forecast For 1948

(Exclusive to The Graphic)

Babson Authentic Statement. Copyright 1948.
Publishers' Financial Bureau, Incorporated

The Russia of Nicholas II and its police knew Joseph Stalin as a violent totally uninhibited revolutionary—a saboteur, jail-breaker, bank robber, and killer of policemen. He led a life of habitual duplicity, although pretending to be a law-abiding citizen. He justified his actions by regarding them as sanctioned by Marxist principles and intended to lift the masses of the people.

We should not defend Czarism nor debate the right of any man to become revolutionary under such circumstances. I do think it is important, however, that we keep in mind that a revolutionist although now in the position of dictator, will never react or respond in a manner to which we are accustomed. The ex-bandit and ex-outlaw is not going to become a frank and honest law-abiding citizen merely because he is absolute dictator of his country.

Three Reasons For No War Now

(1) When forecasting the possibility of World War III we must decide how to interpret Stalin's current activities and should give proper weight to this gangster-like character of his party. In my opinion, the guerrilla and harassing tactics of the Stalinites in Berlin and elsewhere betray fear and a sense of military inferiority. They want certain political, territorial, and economic gains, but they don't dare start an all-out war for them. Hence, they pursue harassing tactics, like a dog nipping at a wildcat, but never intending really to close in, and always ready to back away when the cat turns in reprisal. This is the method by which they forged ahead during their early struggling days. It is logical to believe they will want to continue to follow this method now rather than fight.

(2) It seems logical that if Stalin were expecting to go to war with us, he would protest amity. In his preparations for war, first priority would be given to the building up of an atmosphere of apparent good will with the enemy eventually to be surprised with a sudden furious assault. This he is not doing. Hence, we have a second reason for not expecting World War III now.

(3) Russia, on account of her climate would be handicapped greatly by war in winter, especially without being reinforced by trucks from the U.S.A., ordnance from England and other necessary equipment of Anglo-Saxon manufacture. This is my third reason for being optimistic for the present.

No War—Unless We Start It?

Months ago I formally predicted no war in 1948. I am now coming to the viewpoint that there may be no war in 1949 unless we start it. Stalin will affront us again and again; he will tread on our toes, and try to push us around, but will he at this time expose himself to a war he knows that he can't win? Vivid in his mind is the memory that the Germans with half the population defeated him thoroughly until we stopped them.

It was our support that rescued Russia from complete annihilation by the Nazis. How much weaker would that industrially backward country be today if pitted against all of Western Europe and America? I fear the time may come when our people will cease to ask—will Russia start a war with us? Instead they may ask—should not we start the war?

When Stalin Gets The Bomb

The Stalin Government is showing itself unwilling to live amicably within the United Nations. Should the United Nations tolerate a bandit-like absolute dictator whose tactics oblige the other nations to constantly pay greater taxes to meet the cost of bigger military establishments and extravagant foreign aid?

The atomic experts tell us that the Soviets will be able to produce atomic weapons by the middle 1950's. Contemplation of the possibilities that will exist if Stalin stays in power until then (he is 69) is appalling. Yet I insist that there will be no war this year. We will discuss next year (1949) in December or January.

Letters to the Editor

Chief Keating On 48-Hour Week

Editor, Newton Graphic:

Fire protection and administration of the Newton Fire Department is definitely the responsibility of the Chief of Department. Information relative to the number of men required, amount of salaries and additional costs published in the recent issues of local papers by the Board of Aldermen was furnished by the Chief. The figures are accurate and compiled after careful study so that if the 48 hour week were accepted the City would have good and sufficient protection from its Fire Department.

Information recently published in the local papers under the signature of the Chairman of the 48 Hour Week Committee was also conveyed to me, but the Chairman advised me that he received his figures only from a fireman in an adjoining city. The Chairman's figures of the number of men and costs needed to adopt the 48 hour week would underman Newton's Fire Department and might result in increasing the fire hazard and insurance rates.

Regardless of the information received from other sources regarding the number of men required and the increased cost of operating the Fire Department, if the 48 hour week were adopted, the report submitted by me to the Board of Aldermen and published in the local papers October 5th is the absolute need in maintaining adequate fire protection in the City of Newton.

JOHN L. KEATING,
Chief of Fire Department.

Regarding Community Chest Publicity

Editor, Newton Graphic:

This statement of personal opinion has absolutely nothing to do with our response to the Red Feather appeal.

But it seems to the writer that the handling of the chest publicity has several serious defects.

1. The entire appeal seems to be addressed to people who do not appreciate the important services the benefiting institutions render the community. As a solicitor for many years it is my opinion that people fail to respond with reasonable generosity not because they do not appreciate the services the chest fund maintains, but because they do not clearly visualize their personal responsibility as a dollars and cents proposition.

2. While the publicity published this past week was in most respects good, as a demo-

Election Night Party To Be Held Tuesday

Members of the Men's Club of Newton Highlands, their families and guests are looking forward to the variety entertainment program being planned for Election Night. In place of the usual monthly supper meeting, the Club has taken the occasion of the election to offer a program featuring an election quiz with prizes for the winners. Latest travel movies in color will be shown and "The Hub City Four" will sing several harmonious tunes. Following refreshments, election returns will be broadcast.

This will be the second of seven meetings during the 1948-49 season. A variety of programs has been arranged for subsequent meetings which will be announced from time to time.

Officers of this active club during the current 1948-49 year are as follows: President Howard Whitmore, Jr., 54 Carver rd., BI. 4-8602; Vice-President, Roger S. Hamilton, 1367 Walnut st., LA. 7-6204; Secretary, Edgar H. Delamater, 73 Carver rd., BI. 4-0227; Treasurer, Omar K. Edes, 45 Puritan rd., LA. 7-3871; Ch. Membership Com., Stuart E. Hills, 40 Hinkley rd., Waban, BI. 4-1178; Ch. Program Com., James R. Wiley, 32 Manchester rd., BI. 4-7484; Ch. Bowling Com., Frank J. Fanara, 147 Willow st., Waltham, WA. 5-3941-J; Ch. Civics Com., Arnold C. Rood, 21 Mountford rd., LA. 7-8790.

Series Of Special Sermons To Be Held

Catholic doctrine and the Holy Eucharist is the subject of a series of discourses to be delivered by Rev. Theodore J. Seckel, Assistant Pastor of St. Philip Neri Church, Waban, in the course of the next two months. The sermons will be preached during regular weekly Miraculous Medal Novena Devotions held each Monday evening at eight o'clock in St. Philip Neri Church.

The public is cordially invited to attend these services and to hear Father Seckel's talks.

eratic community educational effort it partially failed.

As it did not give the amounts asked by the different agencies included in the appeal. As to whether this was good strategy on the part of those who planned the display or not, is immaterial to the point I wish to make; it was not good democratic instruction. It is not good democracy to bunch \$315,000 together on the theory, apparently, that the people would be too dumb to understand anyway.

B. Any such supplement as that published last week in one Newton paper should have been handled as a supplement to all Newton newspapers and not as a monopoly to some special one. In closing I wish to make it clear that I have absolutely no business nor professional relationship with the Graphic, nor have I had for several years. I further wish to state that the views above expressed are my own personal opinions only.

PROCLAMATION

WHEREAS the professional nurses of America are this year celebrating their Diamond Jubilee to mark 75 years of nursing progress; and
WHEREAS the striking advances which have been made in the practice of medicine in the past 75 years would not have been made possible without the expert assistance of professional nurses; and
WHEREAS the contribution of the nursing profession is vital to the health of our people since nurses constitute the largest single group in the health field;
THEREFORE be it resolved that I, Theodore R. Lockwood, Mayor of Newton, Massachusetts, do proclaim November 14 to 20 as NURSING PROGRESS WEEK and November 16, 1948 as LINDA RICHARDS DAY as a tribute to America's first professional nurse and the progress of nursing and call upon the citizens for a proper observance of the anniversary.

Gives Talk On Work Of State Ways and Means Committee

About 90% of the request for funds by the Massachusetts House Ways and Means Committee are refused, the Hon. Roy Smith, Chairman of the Committee told members of the Rotary Club at their meeting at Brae Burn Country Club last Monday.

One of the biggest requirements of members, and particularly the Chairman of the Committee, is the ability to say "NO". Mr. Smith said. If all the requests for funds made at the last session were granted, the State would have spent a total of \$1,879,000,000. Actually, because of the Committee's method of inquiring into the uses of funds, a total was kept at 232,000,000.

There are 15 members on the Committee, 10 Republicans and 5 Democrats. Department heads submit their request for funds to the Budget Committee to be acted on and submitted to the Governor before the third week in January. From there they go to the Ways and Means Committee for a hearing and decisions are sent back to the House by the following March. All bills which require funds are also sent to the Committee.

About 70% of all requests for money come from five state departments, Mr. Smith said, with the Department of Mental Health in the lead. In order to acquire a first hand knowledge of conditions, Mr. Smith stated that he has visited every mental and health institution in the Commonwealth, thus enabling him to decide on fund grants more intelligently. Salaries which the State must pay to its 23,000 employees are the biggest problem. For the first time since 1851, however no state tax has been levied against municipalities, and refunds to cities have been made on the basis of valuation and school population.

Mr. Smith paid tribute to William B. Baker of West Newton,

a former chairman of the Committee. He concluded by saying that there is a need for the highest type of men in the Legislature to back the Committee and suggested that all resolve to be better citizens by voting in all elections.

Mr. Douglass Francis, a former member of the House Ways and Means Committee introduced the speaker. Another legislator, Rep. Howard Whitmore, Jr., attended the meeting as the guest of Mayor Theodore R. Lockwood.

'Great Books' Group Now Meeting Here

A number of "Great Books" discussion groups are being started in Boston and the Boston area. These are along lines developed by the experience of the University of Chicago. Courses are being held for group leaders and information headquarters is located at the oBston Public Library. Several Newton citizens have taken these training courses and there will be the opportunity to join discussion groups in Newton. At the present time one such group is in operation in Newton Center under the leadership of Haskell C. Freedman. A new group is starting in the Auburndale section. It is planned and expected that it will meet in the Lecture Hall of the Plummer Memorial-Auburndale Branch Library. E. Parker Calvert will be the leader. A preliminary meeting of this group was held on Monday evening, October 25. The first meeting will be held on Monday evening, November 8. At this first meeting the Declaration of Independence will be the center of discussion. At the present time there is the opportunity for others to join this group. Those interested should telephone to Mr. Calvert or to the Auburndale Branch Library for information. According to the plan of such a course, meetings will be held every two weeks. The books discussed are all classics.

Fashion Show To Be Held Next Friday

A fashion show and dessert bridge, sponsored by the Auburn-dale Woman's Club, will be given Friday, November 5 at 1 p.m. at the Normandy Room, Norumbega Park. The proceeds will be used for the scholarship awarded annually by the Woman's Club to a worthy Auburn-dale girl. Mrs. Langdon W. Chandler, Chairman of Education, is in charge, assisted by Mrs. James Dunlop and Mrs. Raymond C. Wass. Others assisting are Mrs. Edgar J. Boardman, candy; Mrs. C. Hugo Bergman, fashion show; Mrs. Brooks A. Heaton, Mrs. William E. Edson and Mrs. William E. Bailey, hostesses. The fashion show,

featuring clothing for old as well as young, will be presented by Barron's West Newton.

The art exhibit, so successful last year, will again be presented at the club Tuesday and Wednesday, November 2 and 3 from 10:00 a.m. to 9 p.m. Many contributors will display oils, water-colors, pastels and graphic arts. Marian P. Soane, well-known landscape painter, will be present on Wednesday from 3:00 p.m. to 5 p.m. Mrs. William A. Jarvis is heading arrangements, assisted by Mrs. Neal D. Harrick, Mrs. Harvard F. Weston, Mrs. Bruce V. Gardner and Mrs. Louis H. Young.

"New ways of decorating your home" was the subject of the talk given by Mrs. Gladys Reed Edling at the club on Tuesday afternoon. She was introduced by Mrs. William E. Bailey, Day

Chairman. A display of "flower decorations in the home" was presented by Mrs. Harry E. Thompson together with a sale of plants and seedlings. Dessert and coffee were served by Mrs. Ralph A. Baich, Mrs. C. Hugo Bergman, Mrs. Clifford H. Beecher, Mrs. Robert F. Crane, Mrs. Alan S. Eldredge, Mrs. Paul Henrich, Mrs. Robert H. Lerch, Mrs. Wilbert Lindquist, Mrs. William F. Markey, Mrs. Roy M. Miller, Mrs. Alvin Morse, Mrs. Walter E. Murphy, Mrs. W. Edward Wilson. The business meeting was conducted by Mrs. Darragh L. Higgins, President.

Reception-

(Continued from Page 1)

Mrs. Arthur Kelleher, Mrs. Martin Melanson and Eugene Mullen. The reception committee will include Judge Patrick Courtney, chairman; Judge George Sweeney, William Foran, Edward Gallagher, Julian Coen and Irwin Keefe.

The publicity committee will be in charge of Thomas L. McEnaney, assisted by William Paul. The ushers and ticket committee will comprise: Eugene Cronin, chairman; Leo McAfee, Charles H. Marden, Joseph B. Lyons, Leo Grace and Frank Falvey. The reservations committee will include Mrs. Ralph McGrath, chairman, and the members of St. Bernard's Guild.

Recent Engagements

Mr. and Mrs. Robert Dickey of Tuxedo Park, N. Y., announce the engagement of Mrs. Dickey's daughter, Miss Frederica Patterson, to Dean Bailey Lewis, son of Mr. and Mrs. James Henry Lewis of 38 Brookdale road, Newtonville.

Miss Patterson studied at Chateau Brillantmont, Lausanne, Switzerland, Miss Nixon's School in Florence, Italy, and Bennington college, Vermont. During the past year she has been affiliated with the Foreign Service of the State Department. She is the daughter of Frederick Beck Patterson of Tucson, Ariz.

Mr. Lewis was graduated from Harvard in 1943 and served for

three years with the United States Army Signal Corps in Africa and India. He has been associated with the Department of State in Washington.

A November wedding is planned.

At a tea at the Woodland Country Club on Saturday, Mr. and Mrs. Raymond O'Shea of Newton and North Scituate announced the engagement of their daughter, Kathleen Anne O'Shea, to Dean M. Boylan, son of Daniel J. Boylan of Winthrop.

Miss O'Shea, a graduate of Boston academy of Notre Dame, is a senior at Emmanuel college.

Mr. Boylan was graduated from the Brooks school, attended Dartmouth college and is now a student at the Babson institute, Wellesley.

A December wedding is planned.

Mr. and Mrs. William J. Collins, Sr., of Newton Centre have announced the engagement of their daughter, Miss Helen Kenyon Collins, to J. Harry Lynch, Jr., son of Mr. and Mrs. J. Harry Lynch of Roslindale.

Miss Collins was graduated from Emmanuel college and did post graduate work in secretarial science at Simmons college.

Mr. Lynch received his A.B. and M.Ed. from Boston college. He is headmaster of the Newman Preparatory school and director of Center Harbor, N. H.

The Rev. and Mrs. William Fiske Frazier of 143 Shore road, Old Greenwich, Conn., announce the engagement of their daughter, Miss Elizabeth Jane Frazier, to Dr. Robert Karplus, son of Mr. and Mrs. Hans Karplus of West Newton.

Miss Frazier was graduated from Oberlin college in 1947. At present, she is pursuing graduate studies in physics at Wellesley college.

Dr. Karplus, in 1945, received the Bachelor of Science degree, Summa cum laude, from Harvard university where he continued his studies until 1948 when he received the Doctor of Philosophy degree in chemical physics. He resides in Princeton, N. J., where he holds a Frank B. Jewett post-doctoral fellowship and is a member of the Institute for Advanced Study.

The wedding will take place in December.

Gala Fashion Show To Be Held Nov. 10

A very energetic committee is working under the leadership of Mrs. Robert E. Keane, for a gala Fashion Show to be held in the Boston College auditorium on Wednesday evening, November 10, for the benefit of the new St. Ignatius of Loyola Church, Chestnut Hill. Gowns will be displayed by the Bonwit Teller Company of Boston.

Working with Mrs. Keane are Mrs. Vincent P. Roberts, Sr., as co-chairman; Mrs. Richard Corey, corresponding secretary; Mrs. Harold J. Field, treasurer; Mrs. John T. Bradley, publicity; Mrs. Walter Rooney, auditor; Mrs. Adam Gage, chance books; Mrs. Frederick A. McLaughlin, chairman of prizes; Mrs. James H. Connors, chairman of tickets; Miss Edna Marie Conlon, chairman of hall and door; Dr. Mary Moore Beatty, chairman of sponsors; Mrs. John J. O'Donnell, chairman of decorations; Mrs. Jack Conway, chairman of reception, assisted by Mrs. Edward C. Donnelly, Sr., Mrs. Joseph Stanton, Mrs. David Henry Posner, Mrs. John Payne, Mrs. Raymond Sullivan, Mrs. Charles Deloge O'Malley, Mrs. Edward Cauley, Mrs. Frank Pitts, Mrs. Charles Coyle, Mrs. John L. Foley, Mrs. James Byrnes, Jr., Mrs. Robert Munroe, Mrs. Denis Kieley, Mrs. George B. Delany, Mrs. William E. Boyden, Mrs. James Lunney, Mrs. James O'Donoghue, Mrs. Joseph McAuliffe, Miss Eleanor Monahan, Miss Margaret Dawson; Miss Patricia Boyden, chairman of ushers, assisted by the Misses Anne Manning, Mary King, Peggy-Anne O'Neill, Wilfey Conway, Barbara Payne, Judith and Karin McGrath, Patricia Thornton, Julie O'Connell, Jean O'Neil, Mrs. Alber Donnellan, Miss Monica Sullivan and Miss Dorothy Storey.

Quincy-

(Continued from Page 1)

attempted conversion by Charlie Sachetti failed. Then in the closing minutes another Lombardi pass this time to Sachetti was good to the Newton 47 and a dash downfield was good for paydirt. Aldo Lombardi's kick was good to put the visitors ahead 13-6 at the half.

Midway in the third chapter Frankie Tanner caught a Quincy punt on his own 45 and broke loose to the Quincy 15 yard stripe. Joe Wright plunged through center to the 14. Ralph Barisano made the 6 yard line after Jespen went off tackle to the 11. Tanner went around end to the 1 after Joe Wright pushed the ball to the 5. Tanner then went off tackle for the score. Charlie Morrissey's boot was no good.

The fourth period neither team moved deep enough into enemy territory to threaten a score.

Final Scoring:
Quincy ... 0 13 0 0-12
Newton ... 6 0 6 0-12

PRESENT

THE BALDWIN FAMILY

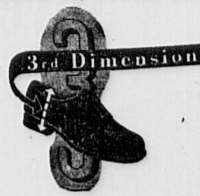

How the weeks roll by! The Baldwins were back at the Regent Shop proudly wearing the grand snowsuits and coat they got last week. Mother Baldwin found a stunning wool dress in a rich brown plaid. With long, full sleeves and a feminine flare, it's the latest word in style for only \$17.95. And oh, how she loved the neck that can button up high and warm for these windy days. Pam, sweet and shy, was absorbed in an adorable doll bathinet of light weight aluminum. Pockets for soap, a hose to let the water out, and even a scale to measure dolly's length make it wonderfully real. I saw Mrs. Baldwin scribble it down under "Christmas gifts for Pam." Cute as can be for just \$3.95. Three year old Peter was trying on a gray flannel Eton suit that was darling with a boyish white shirt. He looked all set for "dress up" or special occasions. The only problem was whether to get the gray or navy for \$8.95, or the tweed for \$7.75. (He finally decided, with the help of Mama, on the gray.) 'Twas time to go but Pam and Peter just couldn't drag themselves away from those grand color cards. A damp cloth wipes off the crayon and they can be colored over and over again. Endless fun for only \$1.95. With their shopping day over, the Baldwins hustled home to show Papa, as Peter said, "These good things."

Even you mothers will be enthralled with the fascinating children's records at Newton Juniors. I listened intently to all the singing fish in the delightful story of "Bozo Under the Sea." The Lady in Blue charms the youngsters with the catchy "Kiddie Konga," and, in the "Magic Carpet," she sings thirteen folk songs that the little ones can hum or sing along with her. With Christmas just around the corner, "The Christmas Album" of favorite carols in organ and chimes is a beautiful gift. Bible stories for children are done in lovely simplicity. And to keep the kiddies busy and laughing you will find the wonderful "Nutcracker Suite" that teaches them how to dance along with the music. Treat the young 'uns to hours of enjoyment. There's a hint of bagpipes in the air at Stearns. Plaids, plaids, and more plaids deck the racks in happy colors. Yes, it's time for you lassies to come take a look. Jumpers are in order with a feminine flare, a demure round neck, and a cheerful sash tied in the front. Right from England, they boast of top grade wool, and oh, how they brighten up a wardrobe. With different blouses they are as lovely at school as at a party. All the girls love a double duty jumper, and watch the lads turn their heads. These plaid delights priced at \$16.95 are comfortable too, with loads of room for you active little ladies. Not too fancy, just right in sizes 8 to 12. Of course the plaids are just as gay as these colorful Fall days, all reds and greens and yellows woven into a treat for the eyes.

Plaid skirts are also on the list for "musts" this season. You girls are in for sheer pleasure when you see the assortment at Stearns. The favorite is a perky little number, for only \$12.95, that is clasped by an enormous safety pin. It's darling and different. Also tops the cute pleated-all-around skirt at \$8.95. It's plaids for sure, and what could be nicer? Hurry on down, lassies, and get ready for a wonderful plaid parade at Stearns.

HERE is your NEW REDUCED ELECTRIC RATE

NEW RATE

Boston Edison Company's new residential schedule reduces electric costs in 356,000 homes!

We are proud to announce our second post-war reduction in Residence Rate "B," effective December 1, 1948. Every home customer who uses more than 12 kilowatt hours per month will benefit from this new rate, the lowest in Boston Edison's history.

NEW Residence Rate "B" filed this week with the Massachusetts Department of Public Utilities

72¢ for the first 12 kilowatt hours or less per month.
5¢ per kilowatt hour for the next 60 kilowatt hours per month.
3¢ per kilowatt hour for all use in excess of 72 kilowatt hours per month.

(All kilowatt hours subject to fuel adjustment)

Basic Fundamentals At Stake Tuesday

Congressman Christian A. Herter rested his campaign for reelection to a fourth term with the assertion that basic and fundamental issues are at stake in next Tuesday's election in the 10th congressional district.

"The issues in this campaign are perhaps more clearly drawn than in any contest in which I have engaged in the past," Herter declared in his final campaign message to the people he has served for the last six years.

"My opponent is a member of the Progressive Party and is supported by the forces of Henry A. Wallace," Congressman Herter pointed out.

"We have sharply conflicting ideas as to what is best for our country and its people. In this election the voters will do more than choose between two candidates. They will also choose between two ideologies that are far apart."

Herter was selected a few months ago by Collier's magazine and by Washington newspaper

observers as the member of the National House who performed the outstanding service for his country during the past two years. He is regarded as one of the foremost congressional authorities on foreign affairs.

"Even though a large part of my time has been devoted to the critical international problems during the past two years, I have endeavored to maintain a high standard of service for the people of the Tenth Congressional district," Herter stated.

"I hope that these people who have three times elected me to Congress feel the record I have made and the service I have performed warrant my reelection to a fourth term."

"These are times when our country is confronted with grave international problems," Herter said. "In my judgment, the policies and principles advocated by my opponent and by Henry A. Wallace would seriously jeopardize the security of our country and our people. That is the big issue in this contest."

Prayer by Mrs. Fletcher Osgood, accompanied by Mrs. Schoonmaker at the organ. Miss Estelle Marsh, Federation president, then introduced Mayor Lockwood who spoke briefly on Veteran's Housing in Newton and the 48 hour week for firemen. He thanked the women of Newton for their splendid cooperation and asked them to feel free at all times to bring their suggestions to him, to the end that Newton might be better governed.

The morning session was adjourned and chairmen met with their committees in round table discussions. At the legislative round table Mrs. Warren Whitman explained the 10 referenda which are to appear on the ballot Nov. 2. The education committee had Dr. Edward Landy who spoke of his work as head of the division of Counseling Service of the Newton Public Schools. Mrs. James Lewis of the League of Women Voters addressed the International Relations round table on the subject of the United Nations and Mrs. Joseph MacDonald, Mrs. Joseph Mullineau and Mrs. Ernest Ruegg, all of whom had been in Europe this past summer, spoke of their experiences in travelling from one country to another, and their impressions and observations were most interesting.

Luncheon was served at 12:30 and at the afternoon session Miss Marsh presented the guests of the day. Mrs. Harvey Greenwood announced that the International Triennial of the General Federation of Women's Clubs would be held in Boston in May, 1950, and that the women of Massachusetts and New England were endeavoring to make it an outstanding event. Mrs. Ernest Hale spoke of the \$50,000 Memorial Education Fund, in memory of a past president, which would provide a scholarship for advanced study in education. She urged women to continue to send the CARE packages which were badly needed, and invited all to the Junior Conference which is to be held on Nov. 9 at the Newtonville Women's Club at 8 p.m.

Mrs. Kolster asked that everyone make a special effort to get to the polls on Nov. 2 and that they study the ballot and vote intelligently. Mrs. York reported on the meeting of the General Federation in Washington. She said the General Federation and their affiliates all over the world now number 10,000,000 women and the friendly relationship should make for unity.

At the close of the business meeting, Mrs. Albert Terkelsen, program chairman, introduced Dr. Peter Y. F. Shieh director of the Chinese Mission in New England. His subject was "Near East and Far East." Dr. Shieh described the family life of the Chinese, 85 percent of whom live in the countryside, saying that the solid family traditions had enabled China to survive for 5,000 years. Divorce is a word unknown to the Chinese language. He believes it is this tradition which will defeat Communism in China, and he reminded us that the war in China is not a civil war but an international war against Communism. Dr. Shieh closed with a quotation from one of the Chinese philosophers, "It is better to light a candle, than to curse the darkness."

BISHOP LEWIS O. HARTMAN

Reformation Day Community Service

A Great Reformation Day Community Service in Newton will be held this Sunday morning at the United Presbyterian church at 10:45 o'clock. Bishop Lewis O. Hartman, retired Bishop of the Methodist church, and formerly Bishop of the Boston area, will be the guest preacher. Ministers of all the churches of the village will participate in the service. The Rev. Robert W. Woodroffe, Jr., of Grace Episcopal church will read the invocation; the Rev. Leslie H. Johnson of the Newton Methodist church will read the scripture lesson; the Rev. Douglas B. MacKortle of the Immanuel Baptist church will offer the pastoral prayer; the Rev. George L. Murray of the United Presbyterian church, the host pastor, will give the offertory prayer in introduction, and the Rev. Ray A. Eusden of the Eliot Congregational church will give the benediction. Bishop Hartman will preach on a "Dynamic Christianity."

Music will be furnished by the combined choirs of the 5 churches under the direction of Miss Evelyn M. Duncan, director of music in the host church.

Market-

(Continued from Page 1)

will continue in the same capacity in this new and greater Star Market, while Harry Sandler, sales and advertising manager, will still be the man who seems to be everywhere at once, eating, sleeping and talking bigger and better Star Markets.

The new Star Market is as large as a modern theatre and just as beautiful, covering 3,700 square feet. There are 120 feet of self service meat cases, making this the largest department of its kind in New England.

A soda fountain and luncheonette is an added feature and one that will have many pleasant surprises for those who patronize it. Even radar comes into play. Hamburgers, for example, are cooked in 7½ seconds. This new radar range seals in the flavor of all meats it cooks and will be a never ending source of amazement.

There will be no long waits to check out of the New Star because there are 10 check out registers for faster service. This new market will carry the largest assortment of foods to be offered by any store in New England.

In anticipation of the tremendous increase of business the Star has installed five separate receiving platforms with conveyor system. Within the store modern simulated daylight plus clear vision of the entire floor will make food shopping easier and quicker. Even the bakery will be in full view of the customers so that they may see how the fine Star bakery products are cooked. Nothing has been left undone that would make shopping at the Star more than a pleasure of buying better food for less. Today's Star Market will feature music with your shopping . . . not the kind that tears your ears apart but quiet restful selections to help you relax. Another feature to speed up service is the meat packaging machine. You select your cut, the clerk lays it in a tray . . . and presto the purchased is wrapped automatically.

But please keep this in mind, you are never to tip a page boy at the Star Market. Your purchases will be carried to your car by boys who are paid and who are instructed to refuse tips.

We suggest that you be on hand Wednesday at 10 a.m. on Nov. 3 to see a real Hollywood premier of the Star Market. There will be a broadcast over WCRB. There will be 31 big gifts including a Philco television set, completely installed. The Star in remembering its customers has not forgotten its own because it has increased its personnel 100 percent and allows them four rest periods each day.

It does not seem that anything could ever top the new Star Market but your reporter feels that some day President Stephen Mugar will find a way, when science and design make it possible.

Lutheran Church Ladies Guild Meet

The regular monthly meeting of the Ladies Guild of the Lutheran Church of the Newtons took place Monday evening. The program opened with a talk on the "Family Altar" by members of the Guild. The need and methods of establishing a family altar as well as a practical demonstration in conducting home devotions were presented to the group.

A discussion was held on the forthcoming church sale, November 29. The Guild is endeavoring to increase the fund for the purchase of a new organ. Members and friends will have the opportunity to purchase articles of handwork, home-made cakes, cookies, and candy. There will be a grab bag for the children, and coffee and cake will be served during the afternoon and evening.

An interesting report on the Lutheran Women's Missionary League convention held in October was given by Mrs. Kenneth Quartermain, delegate of the Guild. The Guild celebrated its second anniversary as a society. There was a birthday cake and the members sang the birthday song. Table decorations and refreshments were in keeping with the Halloween season.

Theodore R. Lockwood, Mayor of Newton, Chairman, Board of Selectmen, Brookline; Fred I. Lamson, Mayor, City of Malden; Peter J. Jordan, Mayor, City of Revere; Walter E. Lawrence, Mayor, City of Medford; Josiah Babcock, Selectman of Milton; Charles F. Bachelder, Jr., Selectman of Milton; Joseph Peterson, Selectman of Arlington; J. Watson Flett, Selectman of Belmont; Eugene G. Carver, Jr., Selectman of Brookline; Roy C. Papalia, Selectman of Watertown.

In connection with the release by Mayor Lockwood criticizing the meeting which has been called by Mayor Neville because of the neglect to invite all municipal officials of the M.T.A. district, Mayor Lockwood made this statement:

"That there was a refusal on the part of many to participate in a meeting arranged at such short and inadequate notice and to subscribe to a program which would jeopardize the lives and economic welfare of our citizens in connection with an attempt to further the political ambition of any candidate for Governor."

Mayor Lockwood further stated that it was most interesting to remember that Mr. Dever as a member of the House of Representatives in 1931 voted for a bill to extend the public control of the Metropolitan Transit System and voted to permit the purchase of Elevated stock at a price of \$105.00 per share, this price being \$20.00 more per share than the price of the stock under the very act that Mr. Dever now condemns—and Mayor Lockwood further said that it would be well for the people to realize that the record discloses that Mr. Dever's Boston Campaign Manager, a Democrat, Mr. Don E. Power of South Boston, on June 13 of this year, voted for the very act that Mr. Dever now criticizes.

million men now in the service, 60 percent are under 20, and another 20 percent between 20 and 25."

Dr. Kimball further stated, "The military does not dare to operate the needed service centers with army discipline; neither do they dare not have a U. S. O. To have a 'home away from home', there are none better fitted than trained personnel specializing in youth activities to deal with the personal problems of these boys." Dr. Kimball concluded his remarks by saying that it is good common business sense to support liberally our Community Chests and the Red Feather Services which they support, because "it is far cheaper to provide fences on the top of a cliff than ambulances at the bottom." He further stated, "You can't take your gold with you. If you could, it would melt."

Other features of a splendid program were a proclamation by Mayor Theodore R. Lockwood, greetings from Edward B. Gray, Vice-President of the Newton Community Chest, a short address on "Youth and the Red Feather" by Thomas S. Derr, Jr., and the presentation of Campaign facts by Powell M. Cabot, General Chairman of the Greater Boston Campaign. Riley Hampton acted as toastmaster and made an exceedingly fine "charge" to the workers getting ready to start out on their calls.

The singing of the Community Chorus of the Newtons was excellent, and the rendition of the two numbers presented brought long and well-deserved applause. The evening's program was well diversified and one of the best Community Chest openings in recent years.

Seated at the head table were: Riley Hampton, Newton Campaign; Dr. Kimball, Mr. Cabot, Mayor Lockwood, Mr. Derr, Reverend Richard P. McClintock, Mrs. John C. Campbell, Mercantile Division Chairman; William A. Jackson, Residential Division Chairman; Edward B. Gray, Miss Philippa Winn, Newton Red Feather Girl; Harold T. Pillsbury, Campaign Vice-Chairman, Newton; Harold B. Cranshaw, Advance Gifts Division Chairman; Richmond F. Bancroft, Manufacturing Division Chairman; Mrs. Arnold C. Barker, Educational Division Chairman; Harry M. Carey, Executive Director, Greater Boston Community Fund; Miss Adelaide Ball, Women's Service Division Chairman; Archie R. Whitman, Municipal Division Chairman; Vincent E. Wentworth, Co-Chairman, Mercantile Division; Mrs. Hugh Robinson, Chairman, Red Feather Tours; Carl Petersen, Chairman, Municipal Schools; Harold S. Goldberg, Assistant Campaign

Chairman, Newton; H. J. Pettengill, Executive Director, Newton Community Chest; Edward J. Pease, Chairman, Worker Information Committee; Edward L. Davis, Jr., Assistant Chairman, Publicity Division; John J. Cahill, Chairman, Auditing Committee.

The dinner committee, which came in for great praise for handling the arrangements, were Mrs. Ralph E. Keyes, Chairman; Mrs. C. Azel Collins, Mrs. James Dunlop, Mrs. Joseph C. Fuller, Charles W. Peterson, Robert E. Pettit, Mrs. D. Allen Smith, and Mrs. Charles F. Weeden, Jr.

Municipal Schools reported 95 percent of its goal reached, and Advance Gifts, 63 percent. Thirteen schools in the school division exceeded their goals, while West Newton and Chest Agencies in Women's Mercantile, Automobiles in Men's Mercantile, and Recreation, Library and Welfare Departments in Municipal General went over the top.

At the Newton-Quincy football game Saturday afternoon, Miss Philippa Winn, the Newton Red Feather Girl, and the two members of her suite, Miss Joyce Braceland and Miss Eleanor Sargoff, were driven in between the halves in a new sport model Ford loaned for that purpose by the Newton Motor Sales Company. Accompanying them were Edward L. Davis, Jr., Miss Adelaide Ball, and Dwight Colburn, members of the selection committee. Prizes donated by Newton merchants and previously announced were presented to Miss Winn by Mr. Davis, and Riley Hampton, Newton Campaign Chairman, speaking through an amplifier, greeted Miss Winn and her assistants, stating, "You are the symbol of the Red Feather Campaign in Newton."

For excellence in poster making, awards of honor signed by Powell M. Cabot, Chairman of the Greater Boston Red Feather Campaign, are to be presented to the fifth grade at the Mason School and the sixth grade at the Cabot School. These awards are "in recognition of the co-operation of this grade and school in making and providing posters for the 1949 Red Feather Campaign." These posters are at present on display in the windows of the vacant store in Newton Centre.

gram Chairman, who has steered these Hallowe'en celebrations for the past eight years; C. Evan Johnson, Commissioner of Recreation, under whose leadership the Recreation Department sponsors the event; Howard Whitmore, Jr., who is taking time from his private affairs to serve as General Chairman for the second successive year; Dr. Homer L. Anderson, Superintendent of Schools, who is so generous offering the facilities and equipment of school buildings and the full co-operation of his Department; Mayor Lockwood, an active participant since Newton's Hallowe'en parties started; Rupert C. Thompson, Secretary of the Chamber of Commerce, who, year after year, has handled the financial end and the solicitation of contributions from manufacturers, merchants and citizens generally; Fire Chief John L. Keating, Police Chief Philip Purcell, other city officials, organizations and countless interested individuals; all these have given their active and moral support to make Newton's Hallowe'en event for its thousands of school children outstandingly successful.

"I am grateful to everyone," exclaimed Mrs. Hovgaard, "for all the hard work that has been done, and for the fine spirit shown by every member of all the committees. Now the long planning is over. And, thanks to the generous effort all along the line, everything is ready for the big night."

A report from Mrs. Flagg Newcomb, regarding the 8th and 9th grade party to be held at St. Paul's Church, gave a grand program planned. At 7:30 movies begin. First a crazy, scary cartoon of Mickey Mouse in 'A Haunted House'; next, an advance copy of the World Series movie; then, a 2-reel comedy full of thrills and chills, called 'Taxi Spooks'. Straight from this, we'll dare the youngsters to go down into the Mad House Midway and encounter—well, we shall see! After that comes dancing to the tunes of a grand orchestra of five whole pieces, called Rhythm Masters. Clear, sparkling cider will be on tap to slake the thirst of the dancers; and, after a long, gala evening, refreshments will be served."

Mrs. Newcomb adds a word to the 8th and 9th graders: "Be sure and attend. We shall dare you to come; and after the party see if you can honestly say you didn't have a whirlwind of a time!"

H. Donald Norstrand, Building Chairman, Angler School, Waban, forecasts a gathering of 550, ranging from kindergarten through the 6th grade. His program includes square dancing, movies, a professional clown and games in the gymnasium, refreshments, and favors to be distributed by the clown. The various room parties will run from 6 to 8:30 p.m.

The Hallowe'en Dance for High School students at the Totem Pole Ballroom, Norumbega Park, will be highlighted by a number of featured special acts, according to John Lucier, General Chairman for the party, and President of the Newton High School Associates. Pressed for details, he merely smiled. "Wait!" he said, cryptically. He offered, though, the names of the members of the following committees: Tickets, Robert Pettys, Chairman, Clark Alvord, Lee Segal Cynthia Weston, Gretchen Wheelock, Prescott Clark, Janet Wyman, Anne Bennett, David

Bradford's Record Impresses Public

Local Dewey-Bradford forces come down the home stretch confident that if voters flock to the polls, the Republican "Team" will win.

Governor Bradford has been campaigning on his record, pointing out that by removing a state tax on municipalities he has given every real estate taxpayer a cut of \$4 on his tax rate. He initiated a 200 million dollar veterans' housing program.

Governor Bradford has shown that his administration has spent 73 million dollars on highways, more than any other administration in the history of the state and twice as much as his predecessor.

Governor Bradford declared that his administration gave the record sum of 10 million dollars to towns and cities for education and state funds to assist communities in building better schools.

Junior Mother's Rest Club To Meet

The Junior Mother's Rest Club of Newton Centre will hold its regular monthly meeting next Wednesday at the home of Mrs. Montague Ford, 112 Institution Avenue. Luncheon will be served at 1:15 by a committee consisting of Mrs. A. Harry Hutchison, chairman, Mrs. Albert Bentley, Mrs. E. K. Mentzer and Mrs. Charles Wilbar.

party of the kindergarten tots will run from 3 to 5 in the afternoon. A clown has been engaged and he will bring his own movies and a favor for each child. Every room in the school, states Mrs. Tornabene, will be decorated with balloons. All pupils will receive balloons, candy and favors suitable for the particular age groups. A platform is being built for the assembly room, where all grades will meet for movies and a magician. Concluding her report, Mrs. Tornabene says that "where 'baby sitting' is not a problem, fathers will attend to help with the cleaning up after the party." And adds that great interest is being shown in the Bower School celebration by parents and that the Bower PTA has generously contributed \$25.00 to help defray the cost of the event. Details of the programs have been well in hand for some time and all committee members have worked hard to assure unusually successful parties.

Mothers' Rest Club Meets Wednesday

The mothers' Rest Club meets next Wednesday at the home of Mrs. A. Warren Armington, 63 Grafton St., Newton Centre. Luncheon will be served at 12:45 P.M. The hostesses will be Mrs. John R. Perry, Chairman, assisted by Mrs. G. Horace Williams, Mrs. John M. Colony, Mrs. Robert Muther and Mrs. Clark E. Woodward.

Men's Club—

research. He stressed the fine feeling of cooperation that exists between all branches and members of the medical fraternity. This team work among doctors and their willingness to share new developments and improved methods, has made possible the development of present day medical knowledge. In Dr. Lahey's opinion, such progress would not be possible under a system of government controlled medicine.

Dr. Lahey told of the methods used in transplanting nerves and bones, the value of the bone bank, improved methods of anesthesia, the manner in which the heartbeat can be started again, and many other things amazing to his audience of laymen.

Following the precedent established last year, this first meeting of the season was dedicated to those who have served as Presidents of the Club. A number of past presidents were in attendance and were introduced to the membership by President, A. Fred Whiting.

Mr. Whiting announced the appointment of the following committees: Village Committee, Roland F. Gammons, Chairman; Publicity Committee, Kenneth W. Rogers, Chairman; Membership Committee, Maxwell P. Gaddis reported that 28 new members have already joined the club.

The appointment of Harry G. Johnson as Chairman of the Scout Committee was also announced. Mr. Johnson stated that the local troop is needed for the cooperation of all members in filling the position.

President Whiting announced that the next meeting will be "Travel Night," featured by two color films of the South. These pictures will close with color pictures of the crowning of the king and queen of the Mardi Gras in New Orleans. It is reported that this is the first time the filming of this ceremony has been permitted.

Trail Tales

By JOE PATENAUADE

Who says skiing is dangerous? Like driving an old Model A or crossing through the jumbled traffic at Newton Corner, skiing is dangerous only for dreamers and daredevils. True, when the pioneers of the sport in America were skiing through thickly wooded, unknown mountain areas, the element of danger was quite high. Since then broken bones and sprained ankles have become almost void for the ski fan. This is true for several important reasons, one being the woodcutter's axe. Natural trails have been widened, and new ones have been cut with an eye to safety. Then, too, practically all the mountains in the United States have been explored and charted so you won't be surprised by any sudden curves or dips. Most trails have been classified, according to skill, for "slope dopes", "ex-hackers", and "super-sonic drifters". Need I add—Stay on your own trail!

Ski schools also lend a hand in curbing unnecessary accidents. Expert instruction in control (ye old snow plow) should be a must for every beginner. That people are conscious of this fact is made obvious by the marvelous popularity these schools enjoy. Let's hope that all you future "hackers" will learn the P's and Q's of skiing before starting out on the winding trails.

Most important of all is the National Ski Patrol System. This is a volunteer group composed of local patrols throughout the country. Each patrolman has been trained in first aid, and knows how to handle all the mix-ups that we skiers are apt to get into. But the main purpose of the patrol is the prevention of these accidents through education of the skier and a helping hand on the slopes. If you are ever in trouble depend on your patrolman. If you are in doubt

at any time, write the National Ski Patrol.

The Ski Patrol has been active placing warning signs at dangerous spots, flagging trails, and instilling the skiing public with a healthy respect for their work. They know the places where accidents most often occur and have set up complete first aid caches for your protection. Bright orange and blue badges quickly point out the patrolman to you. These men are not officials, they are just out there to see that things go well. Please obey their suggestions; remember that your safety is their raison d'être. I should like to remind all you present and future ski fiends that the patrols are entirely voluntary, and the cost of operation, purchase of equipment, etc. presents a constant financial problem. It is possible for all skiers to assist the patrols by becoming associate members of the N.S.P.S. with annual dues of a dollar. I urge you also not to forget the boxes that you will notice at the towns and resorts this winter. By helping them, you are helping your self.

Went up to Bob Johnson's Indoor Ski School Monday night and found his first class in full swing. The folks were in the midst of taking their first solo flight down the long slide. The class included Gladys Saunders and Dom Amara of Newton; Audrey Raisbeck of Auburndale; Octavia Canon and Lillian Tratten of Brookline; Virginia Wells, Margaret Popp, and Dorothy Woodruff, all of Boston; Pauline Young of Amherst, N.H.; Lillian Regan and Catherine O'Brien of Charlestown; and Dorothy Bush, Donald Bush, both of Framingham.

Snow flurries have already visited lucky spots of northern New England. It looks like we'll be next on the list, so start waxing 'toss kids. Winter is creeping up on us.

Washington Park, North, Newtonville. The hostess club will be the Newtonville Junior Woman's Club. Mrs. Ernest A. Hale, director, will preside and Mrs. A. Chesley York, president of the Massachusetts State Federation, and Miss Muriel V. Hyslip, chairman of Junior Membership, will be the guests of honor, with other officers of the Federation connected with the junior work. The program will feature a violin recital by Earl Weidner, Jr., with Natalie B. Weidner, at the piano. The junior presidents will take part in a forum to discuss "Ways and Means" or how to go about raising money for philanthropic work. This forum will be presided over by Miss Phyllis Johnson of the Newtonville Junior Woman's Club, assisted by Mrs. Edwin P. McGill, president of the Newtonville Woman's Club. "Fitting Yourself into the Winter Fashion Picture" is the title for the address to be given by Miss Muriel Cox, director of the Chamberlain Senior of Retailing. Junior and senior advisers are expected to attend and the senior club women are cordially invited to be present.

RECENT DEATHS

Hilda Kenway

Mrs. Hilda Kenway of Saxonville, Framingham, passed away at her home on Sunday, October 25, following a short illness. She was in her 61st year.

Mrs. Kenway, a former resident of Newton, was born in Pawtucket, R. I., the daughter of Samuel and Alice Fletcher. She was graduated from the Newton High school with the Class of 1901.

Funeral services were held at her home on Tuesday afternoon, Rev. R. A. Eudsen of the Eliot Congregational Church, Newton, officiating. Burial was in the Newton Cemetery.

Mrs. Kenway is survived by her husband, Edward Kenway; four daughters, Mrs. G. A. Stith of Colorado, Mrs. G. A. Long of Sudbury, Mrs. J. L. Archibald of Mount Hermon, Mass., and Miss D. E. Kenway of New York City; a son, Edward Kenway of Cambridge, and a sister, Mrs. W. L. Baker of Ohio.

Edgar E. Dunlap

Funeral services were held Tuesday morning at 9:30 in the Church of the Messiah, Auburndale for Edgar E. Dunlap, Sr., of 50 Grove street, Auburndale, who died Saturday following a brief illness. Rev. Richard P. McClinck officiated. Burial was in Knoxvill, Tenn.

Mr. Dunlap was in his 63rd year. He had been prominent in printing circles in Boston for 23 years having come here from Virginia where he had been associated with printing firms in Roanoke and Richmond. He had been affiliated with Rand, Avery-Gordon & Taylor, Inc., of Boston as supervisor of their plant and was a member of the Printing House Craftsmen.

He is survived by his wife, Mrs. Ella G. Dunlap; a son, Edgar E. Dunlap, Jr., of Los Angeles, Cal.; a daughter, Mrs. Lucy N. Bovenzi of Newton, and a brother, Frank S. Dunlap of Knoxville, Tenn.

LEGAL NOTICES

CITY OF NEWTON

Forestry Division

NOTICE TO PROPERTY OWNERS

You are hereby required on or
before December 1st, 1948, to
destroy the gypsy and brown-tail
moths on your property in this
City.

This notification is in accordance
with Chapter 132, General
Laws, Section 18, and the amend-
ments hereto, which require
cities and towns to destroy the
eggs, caterpillars, pupae and
nests of the gypsy and brown-
tail moths under heavy penalty
for failure to comply with the
provisions of the law.

If a property owner fails to
destroy such eggs, pupae and
nests, then the city or town is
required to destroy the same,
and the cost of the work in whole
or in part, according to the value
of the land, is assessed upon and
becomes a lien on the land. (See
section 18, of said Chapter 132,
and amendments hereto.)

The City Will Perform All Win-
ter Work Unless Otherwise
Notified by Property Owners.

Full instructions as to the best
methods of work against the
moths may be obtained from the
Forestry Division, City Hall, or
from the State Forester, State
House, Boston, Mass.

Work done by contractors
should be inspected and approved
by the Local Superintendent
before payment for same is made.

Annual Week Of Prayer Nov. 14 to 20

The Hon. Edwin O. Childs, Chairman of the Newton YMCA's Annual Week of Prayer and World Fellowship Committee has announced that November 14 to 20 have been set as the dates for this world-wide observance in 1948.

"For over a century the YMCA and the YWCA have endeavored to serve the youth of the world in the name of Christ," Mr. Childs said. "Today more than 10,000 associations are at work in 70 nations."

"In war and peace—and especially in this hour of unrest and uncertainty—this call to prayer goes out," Mr. Childs asserted, "with a sense of urgency to all members and friends of these Christian movements."

Officials View Oak Hill Home

City, State, and Federal officials, representing the several elements which combined with private enterprise to make Newton's veterans' housing development at Oak Hill Park a reality, had a preview of the first of 412 homes now being built by the Kelly Corporation comprising the largest project of its kind in New England.

Although this is the first home actually to be completed, there are more than 300 houses in various stages of construction; and Joseph F. Kelly, president of the Corporation, has named November 1, as the date when possibly the first 40 families will take possession.

Joint hosts at the preview were Mayor Theodore R. Lockwood; and members of the city's Veterans' Housing Dept., Carl C. Mullen, Warren Oliver, and Fred Hawkins. Invited guests included George Cahill and Walter Whelan of the F.H.A., Joseph McGlinchey and Fred Balson of the V.A., A. S. Bigelow, Chairman State Housing Board; Harold Robinson and Osborne Boyd, State Board; Elizabeth Herlihy, Chairman, Planning Board; Willard F. Pratt, Newton's Director of Public Works; Edmond Dungan, Comm. of Veterans' Services Dept.; Arthur Campbell, Building Inspector; and Ashley Robinson, City Engineer.

Mrs. John Forsythe, who urges all young ladies to bring in their dolls as soon as possible after the doors open Saturday, because the number of entrants must be limited. Judging will take place between 1 and 2 o'clock, and prizes will be awarded for the best baby doll, foreign doll, and old-fashioned doll.

Friday and Saturday programs includes something for both the young and old, Saturday will be the big day for the children. In the Woman's Club Workshop, games have been planned, under the direction of Robert Royster, George McLucas and Clifford Rust, assisted by George Rice, James Fox, Robert Rice and Audrey Higgins.

Movies in the Parish House are slated Saturday and between shows there will be grab. Another Saturday feature will be pony cart rides on Columbus street. Another feature, a balloon free to every child at the frolic on Saturday.

St. Paul's Church committees have gone to great lengths to make this year's two-day frolic outstanding. The 1947 Fall Frolics drew large crowds. With so many new and unusual features planned for this year's events, an even greater attendance is expected.

Curtis Has Had Broad Experience

The background of a lifetime of careful training and broad experience has made Laurence Curtis, the present Republican State Treasurer and Receiver General, a man who is unusually well fitted to continue in this important office.

Laurence Curtis graduated from Harvard College in 1916 and entered the U.S. Foreign Diplomatic Service. When the United States became embroiled in World War I, in 1917, he joined the infant Naval Air Service where he served with distinction until 1919. An unfortunate plane crash during the war cost him the loss of one leg. Ever since then he has been vitally interested in veterans and their problems.

Upon his return from overseas he studied at Harvard Law School where he edited the Harvard Law Review. Upon graduation in 1921 he became secretary to Justice Oliver Wendell Holmes of the U. S. Supreme

Junior Leaders Corps Meets At Newton 'Y'

The Massachusetts and Rhode Island Junior Leaders Corps Conference, sponsored by the Two-State Y.M.C.A. Executive Committee, was held Saturday at the Newton Y.M.C.A. Over 125 Y.M.C.A. physical department volunteer leaders attended. The conference was designed as a practical training session to help members of the Junior Leaders Corps to function more effectively.

Calisthenics drill opened the program with Henry Willman Physical Director at the Brockton Y.M.C.A., leading the group. Ted Vogel, famous Olympic star, instructed the second period in track demonstration and instruction.

Basketball instruction occupied the third period of the conference.

Tumbling was demonstrated by the Huntington Avenue Y.M.C.A. Leaders of Boston. Fencing by the Pittsfield Leaders. Tableaux by the Pawtucket Y.M.C.A. Leaders. Apparatus work was also demonstrated. Bill McLean of Andover Academy led the final practical session in swimming demonstration and instruction.

on a fellowship at the Pratt Diagnostic Hospital, Boston. During the war he served as a captain in the Army Medical Corps and was stationed in the Aleutians, Greenland and Iceland. Following a wedding trip to Pennsylvania, Dr. and Mrs. Steinberg will live in Newton.

programs, is a minor issue in this united effort. What we really need and want is people. People who are willing not only to sacrifice some money, but also to give their time and effort and themselves in aiding their church to rise up to meet the challenge of our time. These are had confusing days in which we live. Only our united effort, only by saying "yes" to our faith may we rise victoriously to a new and brighter future. We want people who care enough to dare enough."

Johnny Appleseed Speaks

If apples are stored in field crates or wooden boxes, the crates should be well moistened shortly after storing. Dry wooden crates may absorb up to 1/2 pound of moisture apiece from the storage room air, says Wilbur H. Thies, extension pomologist at the University of Massachusetts.

William H. Sullivan Named To H. P. Hood & Sons Committee

William H. Sullivan, 355 Crafts road, Newtonville, has just been elected a member of the executive committee of the Hood Mutual Benefit Association by fellow employees of H. P. Hood & Sons.

Mr. Sullivan is connected with the Boston ice cream division of the company.

Originally formed by 16 employees in 1903, the association is one of the oldest and largest of its kind in New England. Today some 4500 Hood employees are protected in the event of sickness, accident or death by the liberal provisions of this company-sponsored association.

Newton Realtors Hold Fall Meeting

The fall meeting of the Newton Board of the Boston Real Estate Board was held at the Woodland Golf Club on Oct. 28 with an excellent attendance. Guests of the board were: President Joseph W. Lund of the Boston Real Estate Board, Ray Hafford, executive vice-president, and H. Kingsley Durant, chairman of the Brokers Division of the Boston board.

At a short business meeting preceding the speakers the following Newton realtors were elected to membership: Robert G. Morrison and Gilbert K. Switzer.

Chairman George W. Bryson presided at the meeting.

What makes a telephone building work?

First and most important, people make it work. But, by the time a new building—or addition—is completed, we've gone less than half way in providing what it takes (exclusive of people) to bring good service to an area.

For it's typical of the telephone business that the equipment going into a building calls for more planning, more work—and costs more—than the building itself.

In Greater Boston we have installed new manual or dial equipment in practically all of the 39 central office buildings, and have built additions at 16 of them. Over all, it's by far the biggest expansion job we've undertaken. And such construction is not financed by money paid to us by customers for telephone service. The money must come from investors who buy our securities.

IN NEWTON there are now 7800 more telephones than before the war, and in Newton and Watertown 51,000 more calls being made daily. To provide for this increased telephone usage we have built an addition to our Newton central office, and have installed additional equipment. This, plus whatever additions that may be necessary in the future, will result in telephone service that will serve increased demands better than at any previous time. But, since the new equipment will be used primarily to provide service for those who do not now have it, it may still be some time before we can provide for changes in types of service.
